UNIVERSITY NOTICES

Florida State University Mission Statement

Vision

The Florida State University will be one of the world’s premier institutions of higher education, devoted to transforming the lives of our students, shaping the future of our state and society, and offering programs of national and international distinction in a climate of inquiry, engagement, collegiality, diversity, and achievement.

Mission

The Florida State University preserves, expands, and disseminates knowledge in the sciences, technology, arts, humanities, and professions, while embracing a philosophy of learning strongly rooted in the traditions of the liberal arts. The university is dedicated to excellence in teaching, research, creative endeavors, and service. The university strives to instill the strength, skill, and character essential for lifelong learning, personal responsibility, and sustained achievement within a community that fosters free inquiry and embraces diversity.

A Summons to Responsible Freedom

Values and Moral Standards at Florida State University

The moral norm, which guides conduct and informs policy at Florida State University, is responsible freedom. Freedom is an important experience that the University, one of the freest of institutions, provides for all of its citizens: faculty, students, administrators, and staff. Freedom is responsibly exercised when it is directed by ethical standards.

As the Florida public university most deeply rooted in the liberal arts tradition, Florida State University not only focuses on intellectual development, but as a community engaged in moral discourse, it also recognizes the need for the development of the whole person. The University maintains a comprehensive educational program ranging from classroom instruction to research and creative activities at the frontiers of human knowledge. These modes of searching for the truth are mutually enhancing and provide the context for the liberating experiences students gain from contact with ideas and individuals. Education based in the liberal arts provides an opportunity for students to learn to express themselves; to think critically both quantitatively and qualitatively; to gain an understanding of and respect for self and others; to understand the world by knowing more about its history, the role of science and technology, and social and cultural achievements; and to develop specialized talents for a vocation. This opportunity is provided with the conviction, as reflected in the University seal, that through such an educational experience one can come to a clearer understanding of the complex moral issues inherent in human life and can develop the knowledge and skills for effective and responsible participation in the world.

Florida State University shares a commitment to the dignity and worth of each person and is guided in its many endeavors by that underlying value. Through academic activity, community involvement, social interaction, cultural experience, recreational and physical activity, and religious involvement, students find many avenues in the University community for the development of the whole person.

The University shares this society’s commitment to the rule of law and expects members of the community to abide by the laws of the city, state, and nation, as well as University rules and regulations.

The University aspires to excellence in its core activities of teaching, learning, research, creative expression, and public service and is committed to the integrity of the academic process. The Academic Honor Code is a specific manifestation of this commitment. Truthfulness in one’s claims and representations and honesty in one’s activities are essential in life and vocation, and the realization of truthfulness and honesty is an intrinsic part of the educational process.

The University is a place of both assent and dissent and is committed to academic freedom and civil dialogue. In a free and vigorous academic community an ongoing clash of ideas is to be expected and encouraged. The University has a special obligation to see that all have an opportunity to be heard.

Florida State University is committed to nondiscrimination in matters of race, creed, color, sex, national origin, age, and disability. This commitment applies in all areas with students, faculty, and other University personnel. It addresses recruiting, hiring, training, promotions, and applicable employment conditions. It is also relevant to those aspects of the University concerned with

the choice of contractors, suppliers of goods and services, and with the use of University facilities. The University believes in equal opportunity practices that conform to both the spirit and the letter of all laws against discrimination.

A responsible student recognizes that freedom means the acknowledgment of responsibility to the following: to justice and public order; to fellow students’ rights and interests; to the University, its rules, regulations, and accepted traditions; to parents, teachers, and all others whose support makes one’s advanced education possible; to city, state, and national laws; to oneself; and to the opportunity for specialized training and continuing education toward the ends of personal fulfillment and social service. Students are urged to use their freedom in the University community to develop habits of responsibility that lead to the achievement of these personal and social values. Responsible student behavior requires observance of the Student Conduct Code, which is based on respect for the dignity and worth of each person and the requirements for successful community life.

Relations among all persons should be characterized by mutual respect and equality. Sexism, sexual harassment, and sexual coercion of any sort are wrong and constitute a violation of fundamental moral requirements and state law. Minimally responsible behavior requires that no one take sexual advantage of another.

The University enforces all laws relevant to alcohol and controlled substances and further strongly discourages the use of illegal substances at any time. The University disseminates and encourages the dissemination by others of information concerning the responsible use of alcohol.

The cultural, ethnic, and racial diversity of the University community provides an opportunity for learning about those different from oneself. The University expects each individual to make a special effort to ensure that all are treated with dignity and respect and accorded the full opportunities of the University. Racism, whether in assumptions, attitudes, acts, or policies, is incompatible with the concept of responsible freedom as espoused by Florida State University.

The University is a compassionate community. In its treatment of students, it recognizes the wisdom both of letting students experience the consequences of their actions and of providing the opportunity to learn and grow in ways that can overcome past difficulties. The University provides ongoing student support through the health center, counseling services, and the academic advising process.

The university experience is a time for adventure, fun, excitement, the making of new friends, and the discovery of new possibilities. There are numerous individual and organized opportunities for students to develop and to learn in the course of their university years to exercise newly acquired freedom deliberately and responsibly.

Matriculation to Florida State University, then, is a summons to the exercise of responsible freedom in a community of teaching, learning, and discovery.

Required First Day Attendance Policy

University-wide policy requires all students to attend the first day of class meeting of all classes for which they are registered. Students who do not attend the first class meeting of a course for which they are registered will be dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. **It remains the student’s responsibility to verify course drops and check that fees are adjusted by 11:59 p.m. on the last day of drop/add.** Please refer to ‘Class Attendance’ in the ‘Academic Regulations and Procedures’ chapter in the *General Bulletin* for additional information.

President’s Statement on Equal Employment Opportunity and Non-Discrimination

The Florida State University (University) is an equal employment opportunity employer and educational provider committed to a policy of non-discrimination for any member of the University’s community on the basis of race, creed, color, sex, religion, national origin, age, disability, veterans’ or marital status, sexual orientation, gender identity, gender expression, or any other protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable federal and state laws, regulations, ordinances, orders and rules, and University’s policies, procedures and processes.

In pursuing its mission of excellence as a comprehensive, graduate-research university with a liberal-arts base, the University strives to create and maintain a harmonious, high performance work and educational environment.

It is my expectation that all members of our community are provided equitable opportunities to succeed and enrich the strength, skill, and character of the University. It is also expected that all members of our community will help

create a work and educational environment that promotes fairness, respect, trust, and is free from discrimination or harassment. Behavior that may be considered offensive, demeaning, or degrading to persons or groups will not be tolerated.

The University will continue to reinforce its commitment of non-discrimination to all groups protected by state and federal law. We will continue to monitor our methods of recruitment, retention and advancement of qualified faculty, staff, and students and annually examine our affirmative action plan, as prescribed by federal guidelines, to measure whether our campus is reflective of the community we serve.

The University further recognizes that forms of discriminatory or harassing behavior may create an unwelcomed or hostile environment and lead to an uncomfortable situation. As a result, the University has established internal complaint procedures available to all who believe their experience on any of our campuses has been less than appropriate.

To facilitate or otherwise strive to ensure university-wide compliance, I have appointed Renisha Gibbs, Director, Human Resources/Office of Diversity and Equal Opportunity and Chief Diversity Officer, to develop, administer, and coordinate university-wide initiatives and complaint investigations. This will be accomplished through collaboration with the Office of the Dean of the Faculties and all other University divisions and departments.

Questions regarding the above may be directed to your supervisor or Renisha Gibbs at (850) 644-8082 or rgibbs@admin.fsu.edu.

Individuals with Disabilities

The Florida State University adheres to *Section 504 of the Rehabilitation Act* of 1973 and the *Americans with Disabilities Act* of 1990 (ADA), as amended by the Americans with Disabilities Amendments Act of 2008, in prohibiting discrimination against any qualified individual with a disability. Any student with a disability may voluntarily self-report the nature of the disability and identify needed accommodations to the Student Disability Resource Center, 108 Student Services Building. To request reasonable accommodations for employment or visitors, please contact The Florida State University Human Resources/Office of Diversity and Equal Opportunity, located at *University Center, Bldg. A, Suite 6200*, or call (850) 645-6519.

HIV/AIDS Policy

Students, employees, and applicants for admission or employment at Florida State University who have or who may become infected with HIV will not be excluded from enrollment or employment or restricted in their normal responsibilities and access to University services or facilities due to their HIV/AIDS status, unless individual medically based judgments establish that exclusion or restriction is necessary for the welfare of the individual or of other members of the University community. That is, the University will not discriminate against otherwise qualified HIV-infected applicants, students, or employees.

The Florida State University Committee on HIV/AIDS is responsible for monitoring developments with regard to HIV/AIDS, acting upon and administering the policies of the Florida Department of Education Division of Colleges and Universities and the University concerning HIV/AIDS and coordinating the University's efforts in educating the University community on the nature and prevention of the disease. In addition, the Florida State University Committee on HIV/AIDS meets as needed to consider special problems related to HIV/AIDS that require University action.

The University will be guided in its implementation of this policy by current authoritative medical information, applicable federal and state law, Florida Department of Education Division of Colleges and Universities' HIV/AIDS Policy, and the guidelines suggested by the Centers for Disease Control, the Public Health Service, the American College Health Association, and the Florida Department of Health.

Florida State University has designated HIV/AIDS counselors who are available to the University community. These counselors are: Celeste Paquette, M.D., Medical Director, Thagard Student Health Center, (850) 644-2026; James Hennessey, PhD, Student Counseling, (850) 644-2003; and Dwight Kemp, Thagard Student Health Center (850) 644-8871. Confidential HIV testing is available for students and staff at Thagard Student Health Center. Any interested individuals should call (850) 644-8871 to schedule an appointment.

Sexual Harassment Policy

1. **Policy Statement:** Sexual harassment is a form of discrimination based on a person's gender. Sexual harassment is contrary to the University's values and moral standards, which recognize the dignity and worth of each person, as well as a violation of federal and state laws and University rules and policies. Sexual harassment cannot and will not be tolerated by Florida State University, whether by faculty, students, or

staff or by others while on property owned by or under the control of the University.

2. **Office of Audit Services:** The Office of Audit Services (OAS) is charged with receiving and investigating sexual harassment complaints as set forth in this policy and shall maintain the records pertaining thereto. Within the OAS, the Coordinator of Sexual Harassment Resolutions has primary responsibility for leading these investigations.
3. **Definition:** Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature directed at an employee or student by another when:
 - a. Submission to such conduct is made either explicitly or implicitly a term or condition of employment, academic status, receipt of University services, participation in University activities and programs, or affects the measure of a student's academic performance; or
 - b. Submission to or rejection of such conduct is used as the basis for a decision affecting employment, academic status, receipt of services, participation in University activities and programs, or the measure of a student's academic performance; or
 - c. Such conduct has the purpose or effect of unreasonably interfering with employment opportunities, work or academic performance or creating an intimidating, hostile, or offensive work or educational environment.
4. **Examples of Sexual Harassment:** Incidents of sexual harassment may involve persons of different or the same gender. They may involve persons having equal or unequal power, authority or influence. Though romantic and sexual relationships between persons of unequal power do not necessarily constitute sexual harassment, there is an inherent conflict of interest between making sexual overtures and exercising supervisory, educational, or other institutional authority. Decisions affecting an employee's job responsibilities, promotion, pay, benefits, or other terms or conditions of employment, or a student's grades, academic progress, evaluation, student status, recommendations, references, referrals, and opportunities for further study, employment or career advancement, must be made solely on the basis of merit.

Examples of sexual harassment include, but are not limited to, the following, when they occur within the circumstances described in Section (3) above:

- a. Use of gender-based verbal or written language, including electronic communications offensive or degrading to a person of that gender, whether or not the content is sexual
 - b. Inappropriate display of gender-based pictorial images offensive or degrading to a person of that gender, including but not limited to sexual posters, photographs, cartoons, drawings, or other displays of sexually suggestive objects or pictures
 - c. Use of inappropriate gestures or body language of a sexual nature, including leering or staring at another
 - d. Unwelcome requests or demands for sexual favors or unwelcome sexual advances
 - e. Inappropriate nonconsensual touching of another's body, including but not limited to kissing, pinching, groping, fondling, or blocking normal movement
 - f. Sexual battery. (**Note:** Some acts of sexual harassment may also constitute violations of criminal law, e.g., sexual battery, indecent exposure, sexual abuse, etc. In such instances, please refer to the FSU Sexual Battery Policy.)
5. **Disciplinary and Other Actions:** Sexual harassment is prohibited by Florida State University. The University will take appropriate action against any person found to be in violation of this policy.

Note: A person who has sexually harassed another or retaliated against another may also be subject to civil or criminal liability under state or federal law.

 - a. **Disciplinary Actions:** Any employee who has sexually harassed another employee or a student, retaliated against such person for bringing a complaint of sexual harassment, or otherwise violated this policy shall be guilty of misconduct and subject to disciplinary action up to and including dismissal, in accordance with applicable law, rules, policies, and/or collective bargaining agreements. In addition, any student who has sexually harassed another student or an employee, retaliated against such person for bringing a complaint of sexual harassment, or otherwise violated this policy may be subject to disciplinary action up to and including expulsion,

pursuant to the Student Code of Conduct. The term "employee" includes all persons employed by the University including faculty and graduate teaching assistants.

- b. **Other Actions:** The University will take such corrective action against any non-students or non-employees found to have violated this policy, as may be appropriate under the circumstances.
6. **Retaliation:** Retaliation against one who in good faith brings a complaint of sexual harassment or who in good faith participates in the investigation of a sexual harassment complaint is prohibited and shall be a violation of this policy and shall constitute misconduct subject to disciplinary or other action as described in Section (5) above.
 7. **Filing of False Sexual Harassment Complaint:** Knowingly filing a false sexual harassment complaint is prohibited and shall be a violation of this policy and shall constitute misconduct subject to disciplinary action as described in Section (5) above. A complaint that is investigated and deemed unsubstantiated is not necessarily a false complaint.
 8. **Reporting Required:** Any student or employee who has witnessed what is perceived to be a violation of this policy should promptly report that conduct to the OAS, who then will proceed as appropriate. Any supervisor who has witnessed or becomes aware of the alleged occurrence of sexual harassment by, or who receives a complaint of sexual harassment involving a person within that supervisor's purview is required to take prompt corrective action as appropriate, and to report the matter, if possible, within two work days to the OAS. Failure of the supervisor to take appropriate corrective action or to report the incident shall be a violation of this policy and shall constitute misconduct subject to disciplinary action as described in Section (5) above.

Note: For the purposes of this policy, the term "supervisor" shall be deemed to include vice presidents, deans, directors, department chairs, unit heads, supervisors, principal investigators, etc.; faculty when acting in a supervisory capacity or within the faculty-student role; and graduate research assistants, teaching assistants, lab technicians, residence hall coordinators, etc.
 9. **Complaint Procedure:**
 - a. **Filing of Complaint:** Any student or employee who believes that he or she is a victim of sexual harassment in violation of this policy is encouraged to promptly notify the alleged perpetrator (the "respondent") verbally or in writing that his or her conduct is unwelcome. Such action may cause the unwelcome conduct to cease as well as help to maintain an environment free from sexual harassment. Assistance and support is available from the Office of the Dean of the Faculties (for faculty), the Office of the Dean of Students (for students), or the Department of Human Resources (for non-faculty employees). Regardless of having given notice to the respondent, the student or employee (the "complainant") may initiate a complaint under this policy by promptly bringing the matter to the attention, preferably in writing by completing the complaint form, of any of the following:
 - The Office of Audit Services
 - The Office of the Dean of the Faculties
 - The Office of the Dean of Students
 - The Department of Human Resources
 - A student's school or college dean
 - An employee's immediate or next immediate supervisor.
 All complaints should be filed in a timely manner. Complaints filed for acts that occurred more than one year from the filing date of the complaint will generally not be investigated unless appropriate in the judgment of the OAS.
 - b. **Preparing a Complaint:** The complainant should provide the following information to facilitate a prompt and thorough investigation:
 - The names, addresses, telephone numbers, administrative unit, and position or status of the complainant and the respondent, if known
 - Specific acts alleged, including dates, times, and locations
 - Names, addresses, and phone numbers of potential witnesses
 - The effect the alleged acts have had on the complainant
 - Actions the complainant may have taken to attempt to stop the harassment
 - Complainant's suggestion of proposed action to address or resolve the harassment

- Other information the complainant believes is relevant.
- c. **Transmitting a Complaint to the OAS:** The complaint shall immediately be forwarded to the OAS. If the complaint is verbal, the person receiving the complaint shall make a written summary thereof on the complaint form and request the complainant to sign it.
 - d. **Reviewing a Complaint:** The OAS will make an initial determination whether the alleged perpetrator is a student or employee. If the alleged perpetrator is identified as one who is not a student or employee, then the OAS will refer the matter to the Office of the General Counsel for appropriate action. If the OAS determines that the alleged perpetrator is a student or employee, the OAS will review the complaint to determine whether the acts complained of, as stated by the complainant, constitute a violation of this policy, and if not, the complainant will be so informed. If the OAS determines the alleged acts may constitute a violation of this policy, investigation will proceed as set forth in Section (10) below, unless the matter is satisfactorily resolved as in the following paragraph (e).
 - e. **Notifying the Respondent and Supervisor; Informally Resolving a Complaint; Withdrawing a Complaint:** The OAS will notify the respondent and his or her appropriate supervisor of the allegations contained in the complaint. In an effort to informally resolve the complaint, the OAS will elicit from the complainant, proposed actions the complainant believes are necessary to address or resolve the alleged harassment. The OAS will discuss these proposed actions with the respondent and with appropriate levels of management. The respective parties will also have the opportunity to propose other means of resolution. Thus, if the matter can be resolved informally, or if the complainant chooses to withdraw the complaint, the complainant will sign a statement outlining the informal resolution and releasing the University from taking any further action. If the matter is not resolved at this stage, the complaint will be investigated as set forth in Section (10) below.
10. **Investigation:** The following procedures will govern all investigations of complaints alleging violations of this policy:
 - a. The OAS will thoroughly investigate complaints alleging violations of this policy with the assistance, as needed, of the following: the Office of the Dean of the Faculties, the Department of Human Resources, and/or the respondent's supervisor(s), except in cases where the respondent is a student. If the respondent is a student, the OAS will forward a copy of the complaint and any associated materials to the Office of the Dean of Students, which will, if appropriate, adjudicate the matter under the Code of Student Conduct. The Dean of Students shall notify the OAS of the outcome.
 - b. The investigation should include interviewing the complainant and witnesses suggested by the complainant who may have knowledge of the offending behavior. Employees and students shall fully cooperate in the investigation.
 - c. The respondent will be given an opportunity to respond to the complaint verbally and in writing and may suggest additional witnesses.
 - d. The investigation should also include interviewing such other witnesses as are deemed appropriate under the circumstances.
 - e. The investigation should include a review of any files and records of previous sexual harassment complaints against the respondent and any other documents deemed relevant.
 - f. All witnesses who provide relevant information should submit a written, signed statement attesting to their knowledge of the subject circumstances.
 - g. Confidentiality of the investigation will be maintained to the extent allowed by law.
 11. **Report of OAS:** The OAS will prepare a report setting forth its findings and a determination concerning violation of this policy. The report should be completed within 120 days following the filing of the complaint, where feasible, and will be submitted to the appropriate vice president of the respondent's unit or department.
 12. **Subsequent Action:** The vice president will make a determination upon review of the OAS's report, consultation with the Dean of the Faculties or the Director of Human Resources, and consideration of any other relevant information, including aggravating or mitigating circumstances, whether disciplinary action is warranted under the circumstances. If the vice president determines that disciplinary action should be initiated,

- then, consistent with due process requirements, the respondent will be notified in accordance with applicable Florida Board of Education and University rules and policies and collective bargaining agreements, and appropriate disciplinary procedures as provided for therein will be followed. Regardless of whether formal disciplinary action is initiated, the University may take such informal corrective action as may be appropriate under the circumstances. The vice president will notify the OAS of the outcome. The OAS will notify the complainant of the results of the investigation and subsequent disciplinary or other corrective action taken, if any, to the extent allowed by law. The OAS will notify the respondent of the results of the investigation when no policy violation is found and no further action planned.
13. **Distribution of Policy:** Copies of this policy are available to all current and future employees and students at Florida State University in hard copy (policy brochures, student handbooks, the *General and Graduate Bulletins*, etc.), electronic format (<http://www.auditservices.fsu.edu>), and will be made available in alternative format upon request. Any person involved in the process under this policy needing accommodations for a disability should notify the OAS.
 14. **Applicability:** This policy supersedes any and all prior University policies regarding complaints of alleged acts of sexual harassment.
 15. **Effective Date:** The effective date of this policy is July 1, 1998 as amended December 31, 2002, and January 6, 2004.
 16. **Where to Go for Help:** Any member of the university community may report sexual harassment to The Office of Audit Services, 407 Westcott Building, (850) 644-6031, or by calling the Florida State University Sexual Harassment Hotline, (850) 644-9013. Staff is also available in the following offices to assist victims of sexual harassment: A student victim may report to Dean of Students, 4322 University Center A, (850) 644-2428; a faculty victim may report to Dean of Faculties, 314 Westcott Building, (850) 644-6876; an A&P, USPS or OPS victim may report to Human Resources, 6219 University Center A, (850) 645-6519.

Florida State University Statement for Students on the Unlawful Possession, Use, or Distribution of Illicit Drugs and Alcohol

The Florida State University Alcohol Policy

Introduction

The Florida State University affirms the guiding ethical principle of responsible freedom. Students, staff and faculty are expected to show respect for order, ethical conduct, and the rights of others, and to model in daily living a high sense of personal honor and integrity. Florida State University neither encourages nor condemns the legal consumption of alcoholic beverages. The university recognizes, however, that the majority of undergraduate students are below the legal drinking age and that there are serious health risks and behavior problems associated with the use of alcohol in the collegiate environment. Consequently, alcohol will be permitted at Florida State University or programs sponsored by Florida State University or its direct support organizations only in those settings which:

1. Comply with federal or state laws, local ordinances, University regulations, foreign country laws (in the case of study abroad programs conducted by Florida State University International Programs, Inc.), Student Conduct Code, and this policy;
2. Present minimal health and safety risks; and
3. In no way inhibit the full participation of those who choose not to drink alcohol.

Events and activities that encourage excessive drinking and/or lead to the endangerment of individuals will not be permitted. Any person or group in violation of federal or state laws, local ordinances, or of this policy will be reported to the proper federal, state, local or university authorities for appropriate action.

II. Guidelines for University Sponsored Events

These events convey important values about what is central to the University. Florida State University is concerned with the image conveyed when alcohol service is included as part of these events.

All University Sponsored Events are subject to the guidelines outlined in Section I of the alcohol policy. In addition, the following restrictions apply;

- (a) Alcohol will not be served at any reception or other function, as defined above, sponsored by the University or taking place on the University campus where attendance is essentially open to the public and is not controlled by such means as individual invitation, registration, reservation and/or a fee payment process.

These guidelines apply to all student organizations, whether or not they have received formal recognition or not.

All University Related Events, on or off campus, are subject to the guidelines outlined in Section I of the alcohol policy. In addition, the following apply;

- (a) Sponsors are required to provide one or more alternative non-

alcoholic beverage available in sufficient quantity throughout the event.

- (b) Non-alcoholic beverages must be available at the same place as the alcoholic beverages and featured as prominently as the alcoholic beverages.
- (c) If the alcoholic beverage is being sold, the alternative beverage should be available at a price equal to or less than the price of the alcohol being provided.
- (d) Wherever alcohol is present, food must also be in sufficient quantity throughout the event.
- (e) The cost of admission to an event may not include or cover the cost of alcoholic beverages.
- (f) No state appropriated, federal funds or A & S fees may be used to purchase or sell alcohol.
- (g) The burden of proof for showing legal age is placed upon the person desiring alcohol service. No service will be provided unless clear evidence of legal age is presented. Those of legal age and consuming alcohol will be identified by wrist bands, hand stamps, etc.
- (h) It is the responsibility of the serving establishment, at the time that an alcoholic beverage is requested, to check the picture ID. If, for any reason, proof of legal drinking age cannot be provided upon request, it is the responsibility of the server to deny the request.
 - (i) At social functions where alcoholic beverages are served, direct access should be limited to a person(s) designated as the server(s) by a licensed insured vendor. Servers must not consume alcohol during the event.
 - (j) The server shall refuse to serve anyone who seems to be in danger of over consumption will be reserved and used.

- (c) Individuals who choose to consume alcohol are responsible for their behavior and should not operate a motor vehicle after they have consumed alcohol.

V. Administration and Enforcement of Policy

- (a) The Dean of the Faculties is the responsible university official for administration of the alcohol policy for all events involving primarily faculty. The Vice President for Student Affairs is the responsible administrator for students and student groups. The Vice President for University Relations is the responsible university official for administration of the alcohol policy for events managed by the direct support organizations and for those involving all other groups and individuals. - (c) The University maintains the right to forward possible violations of federal or state laws, local ordinances, and University regulations, to the proper authorities through the Florida State University Police Department.

VI. Health Risks

Alcohol consumption may cause a number of changes in behavior which are related to dose, rate of intake, body size and percentage of body fluid, expectations, social environment, physical conditions (disease or, more com-

monly, hormonal cycles can be factors), enzyme differences, and concentration of alcohol in a drink. It may increase aggressiveness, lower inhibitions, cloud judgment, reduce resistance, and hamper the ability to make decisions.

Alcohol first affects the area of the brain responsible for higher functions, such as decision-making and social inhibitions, suppressing an individual's self-control. Alcohol in the blood can slow reaction time, reduce muscle coordination and impair eyesight, contributing to deficits in performance, judgment, memory, and motor skills. Even low doses can significantly impair the judgment and coordination required to drive a car safely. Florida State University reiterates that no one should ever drink alcohol and drive. The designated driver should never drink alcohol.

Moderate to high doses of alcohol may cause marked impairments in higher mental functions, altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol may produce the effects just described above.

VII. Educational Resources and Support

In support of responsible management of alcohol, the University provides numerous resources and support services available to students, faculty, and staff of Florida State University, including alcohol education, counseling, treatment, rehabilitation, re-entry, prevention, and intervention, as well as other educational programs and volunteer opportunities. Below are just a few of these resources and services.

The Florida State University Health Risks of Illicit Drugs

Illicit drugs all have some health-threatening qualities—some more than others. Examples include increased heart rate and lung damage from marijuana; central nervous system disorders from cocaine, heroin, and hallucinogens; and liver, lung and kidney damage from inhalants. HIV infection also is spread widely among intravenous drug users. Even infrequent use of illicit drugs can result in physical afflictions, such as hangovers, cardiovascular damage, digestive problems, tremors, impaired sexual response, and injuries due to lost coordination. Other possible effects include reduced alertness and impaired performance at school or work, interpersonal conflicts, and financial difficulties. Dependence and addiction are constant threats to users of illicit substances. Regular abuse of these substances generally exposes users to criminal elements, which may lead to involvement in further criminal activities.

The Florida State University Illicit Drug Penalties

The penalty for possession (second-degree misdemeanor) is 60 days jail and \$500 fine. Penalties for trafficking (first-degree felony) range up to 30 years imprisonment and fines of \$500,000.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:
 - Family Policy Compliance Office
 - U.S. Department of Education
 - 400 Maryland Avenue, S.W.
 - Washington, DC 20202-4605

Note: Under Federal Statute, the University is authorized to and may release records to other institutions without notification to the student, when the student is applying for admission.

Policy for the Use of Photographs and Videos in University Publications

Florida State University randomly and routinely photographs and makes videos on the main campus, branch campuses, and the international and departmental programs for educational and promotional purposes. These photographs and videos appear in official University publications and materials, which include but are not specifically limited to, *General Bulletin* (undergraduate and graduate), *Registration Guide*, Office of Admissions brochures, international program materials, departmental and college brochures, University Web sites, and other University information publications. For further information contact Media Relations at (850) 644-4030.

Illegal Downloading of Copyrighted Songs and Movies

Downloading and distribution of copyrighted music, movie and other entertainment files from online distribution sites that offer these items **free of charge** is illegal, in direct violation of the federal Digital Millennium Copyright Act, the Florida State University Student Conduct Code, and the Florida State University Policy OP-H-6 "Use of University Information Technology Resources."

Illegal downloading and file sharing of copyrighted music, movies or other entertainment files is intellectual property/copyright infringement. Illegal downloading and file sharing activities maliciously expose the University's network, computing systems and personal computers to destructive computer malware (viruses, spyware, worms, trojan horses, rootkits, keystroke loggers, etc.), and denial of service attacks. Illegal downloading activity significantly increases the risk of exposure to personal identity theft and irreparable or costly damage to both university and personally owned computing devices.

The potential consequences of illegal downloading and file sharing are extremely serious. There are both civil and criminal penalties for illegal downloading and file sharing:

- In a civil suit, an infringer may be liable for a copyright owner's actual damages plus any profits made from the infringement. Alternatively, the copyright owner may avoid proving actual damage by electing a statutory damage recovery of up to \$30,000 or, where the court

determines that the infringement occurred willfully, up to \$150,000.

The actual amount will be based upon what the court in its discretion considers just. See *17 U.S.C. § 504*.

- Penalties to be applied in cases of criminal copyright infringement [i.e., violations of 17 U.S.C. § 506(a)], are set forth at 18 U.S.C. § 2319. Congress has increased these penalties substantially in recent years, and has broadened the scope of behaviors to which they can apply. Statutory penalties are found at 18 U.S.C. § 2319. A defendant, convicted for the first time of violating 17 U.S.C. § 506(a) by the unauthorized reproduction or distribution, during any 180-day period, of at least 10 copies or phonorecords, or 1 or more copyrighted works, with a retail value of more than \$2,500 can be imprisoned for up to 5 years and fined up to \$250,000, or both. 18 U.S.C. §§ 2319(b), 3571(b)(3).
- Defendants who have previously been convicted of criminal copyright infringement under 18 U.S.C. § 2319(b)(1) may be sentenced to a maximum of 10 years imprisonment, a \$250,000 fine, or both. Finally, a defendant is guilty of a misdemeanor violation if he violated rights other than those of reproduction or distribution, or has reproduced or distributed less than the requisite number of copies, or if the retail value of the copies reproduced or distributed did not meet the statutory minimum, or if other elements of 17 U.S.C. § 506(a) are not satisfied. Misdemeanants can be sentenced a maximum of one year and can be fined a maximum of \$100,000. See 18 U.S.C. §§ 2319(b)(3), 3571(b)(5).

Law firms representing the entertainment industry aggressively investigate instances of music and movie “pirating”, and upon identifying the offenders, are increasingly invoking the applicable laws to reap financial settlements and awards totaling thousands of dollars.

The University is not legally empowered to protect, represent, advise or otherwise assist students who become subject to legal proceedings because of copyright infringement. Students who are sued, offered an out-of-court settlement, or cited for criminal copyright infringement must obtain their own legal representation.

In addition to civil and criminal penalties, violators will be subject to the University’s disciplinary proceedings:

- Student Conduct Code** (<http://srr.fsu.edu/conduct/code.htm>): A student found to be in violation of provision (5)(c)1 is subject to the sanctions defined in Section (9). Examples of sanctions that may be imposed for violations of the Student Conduct Code include reprimand, service hours, probation, suspension, and dismissal.
- Florida State University Policy OP-H-6 “Use of University Information Technology Resources”** (<http://policies.vpfa.fsu.edu/bmanual/itpolicy.html>): A student found to be in violation of provision C.1.a (11) may lose University computer privileges as defined in paragraph F.2.

Eligibility

Students must complete both a University graduation check with the Office of the University Registrar and a departmental graduation check with the appropriate college prior to reaching one hundred semester hours earned. Registration stops may be placed on students who have exceeded ninety-nine semester hours earned but have not applied for both graduation checks.

Students Accept Both Fee and Grade Liability By Registering for Classes

To cancel registration, a student must drop all of his or her classes via the web registration site before the first day of classes or must send an e-mail from his or her official FSU (fsu.edu) account to registrar@admin.fsu.edu no later than the fourth day of classes.

Students should be dropped from classes for non-attendance of the first class meeting. However, students are responsible for verifying that their schedule is correct by midnight on the fourth day of classes. Students are fee liable for all courses on their schedule after the fourth day. The University may cancel registration for non-payment of fees.

Annual student parking permits are obtained online at <https://student.access.fsu.edu/index.html>.

University Final Examination Policy

Final examinations in all undergraduate courses are discretionary within any given department. If a department chooses to give a final exam, the exam schedule must be followed as published.

All students enrolled in a course having a final examination, including graduating seniors and graduate students, are required to take the exam at the time scheduled.

Scheduling a final examination at any time other than the regularly scheduled final exam period is prohibited by University policy.

Unless an exam is given during the final examination period, no test may be given during the last week of classes.

Courses meeting every day at the same hour and classes meeting for more than one time period will hold examinations according to the time and day of the first scheduled class meeting of the week. For example, a class meeting for the first period on Tuesday and for the first and second period on Thursday will hold its examination at the time scheduled for the first period on the Tuesday, Thursday class listing.

Exceptions to the Examination Policy for an Individual Undergraduate Student

Approval by the appropriate academic dean is required for an individual undergraduate student seeking an exception to the examination policy. The student must first receive written permission from the instructor if he/she is willing to give a make-up exam at a specified time within the exam week. The student must then petition the dean, giving the reason for the requested exception, and supported by the instructor's written permission. The dean will then notify the instructor in writing if the approval is granted.

Main Campus	Engineering Campus		
8:00 a.m.	8:45 a.m.	Friday	12:30 - 2:30 p.m.

8:15 p.m.	8:45 p.m.	Tuesday	8:00 - 10:00 p.m.

Make-up examinations are permitted for an undergraduate student when justified by illness, conflicting examinations, four or more examinations within a twenty-four hour period, or certain emergencies. Arrangements should be made prior to the scheduled exam.

In case of conflicting examinations, block examinations take precedence over examinations scheduled by class meeting time. In the case of conflicts that cannot be otherwise resolved, the course meeting earlier by day and time takes precedence over a course meeting later.

Exceptions to the Examination Policy for an Undergraduate Class

Courses that utilize the University Assessment Center for a block exam, or which are otherwise limited to specific days and times because of seating and scheduling constraints, will take precedence in the case of final exam schedule conflicts. It is the student's responsibility to identify such conflicts as early as possible and to notify all instructors in advance so that accommodations may be made.

No instructor of an undergraduate course may give a final examination at a time other than that which appears on the Web site of the Office of the University Registrar unless he or she has obtained prior approval from the Undergraduate Policy Committee. Such approval must be requested, in writing, at least three weeks prior to the scheduled final exam. To reschedule a final examination without such approval places the instructor in jeopardy of administrative reprimand by his/her dean and the Vice-President for Academic Affairs.

REGISTRATION INFORMATION

Student Business Hours

The following offices are available for lobby hours and by phone from 8:00 a.m. to 5:00 p.m., Monday through Friday:

- **Registrar**
- **Financial Aid**
- **Student Financial Services (Cashiering hours are 8:30 a.m. until 4:30 p.m.)**
- **Undergraduate Studies**

Prior to Registration

- Contact your departmental office for any clearances or course authorizations you may need.
- Use the Registration Stops/Warnings link at <http://campus.fsu.edu> (from Secure Apps). The most common stop is due to outstanding fees and tuition. Check your account status at <http://www.fees.fsu.edu>.
- All students are urged to consult their adviser prior to registration, and some academic units mandate advising prior to registration.

Note: First-time students may be required to register for preparatory Math and/or English courses to complete registration.

Academic Advisement

All degree-seeking students are expected to participate in academic advising and complete a trial schedule. A copy signed by the student and the adviser must be placed in the student’s file. It is the student’s responsibility to ensure that s/he has met prerequisites or co-requisites for each course in which s/he enrolled. Further, the student is responsible for any changes made to his or her schedule through the drop/add process without an adviser’s approval. All permits such as underloads, overloads (see the ‘Course Load’ section of this chapter), graduate course requests while an undergraduate, DIS, modified credit, and S/U should be discussed with an academic adviser and then approved by the student’s academic dean. The student is responsible for ensuring that the Office of the University Registrar has copies of these permits on file.

Attendance Policies

First Class Meeting Attendance Policy

Attendance at the first class meeting is mandatory unless properly excused by the class instructor. Students who do not attend the first class meeting of a course for which they are registered are dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. This policy does not apply to any class added after the first official meeting of the course. It remains the student’s responsibility to verify course drops and check that fees are adjusted.

Required Summer Attendance Policy

As of August 1976, all students entering a state university with fewer than sixty semester credit hours must earn at least nine semester hours prior to graduation by attending one or more Summer terms at one of the state universities. The University President may waive application of this rule in cases of unusual hardship to the student. Students initiate appeal through their Academic Dean to the Dean of the Faculties (Board of Governors Rule 6C-6.016). Students entering Florida State University beginning with Summer C 2002 will be exempt from the Summer term requirement if they have earned nine hours of credit through approved acceleration mechanisms as identified in Florida Statutes (AP, IB, CLEP, AICE approved dual enrollment courses). **Note:** Bright Futures scholarships are not awarded for Summer sessions.

FSU Cards

FSUCard

Your FSUCard is your key to university life while attending Florida State University. Besides serving as a picture I.D., the FSUCard offers many important features. It is your library card, bus pass, bank card, snack card, copy card and more; you need the card to gain entry into campus computer labs. Therefore, all students are required to have a photo FSUCard. There is a charge for the first card which can be paid with your tuition. If you should lose or damage the card, the FSUCard Center (located in the Woodward Ave Parking Garage) will replace it for a fee. An FSUCard semi-annual fee of \$5.00 applies to all main-campus students each Fall and Spring semester. The FSUCard Center is open from 8:00 a.m. to 5:00 p.m., Monday through Friday; (850) 644-7777.

Library Cards

Your FSUCard is your library card. Students sixty years of age and older registered for tuition-free courses at Florida State University may obtain a library card by presenting proof of enrollment and identification to the staff at Strozier Library. All library card users are subject to the regulations concerning library usage, the check-out of books and materials, and fines.

Florida State University Security Number (FSUSN)

To better protect student identity, Florida State University creates a unique identifier for each student called the Florida State University security number (FSUSN). To find your FSUSN, follow the steps below:

- Login at <https://campus.fsu.edu> and click Secure Apps.
- Click the FSUID Identity Management link.
- From Quick Links, click See Your FSUSN.
- Type your FSUID and password (that is, your Blackboard user name and password), or your FSUCard number and your SSN.
- Click Submit.

Health Requirements

Immunization Requirements

The State Board of Education requires all entering students born on or after 1/1/1957 to complete Florida State University’s Required Student Health History Form and show documented proof of immunization against measles (rubeola), German measles (rubella), and mumps prior to registration. College-age individuals living in residence halls, shared apartments, and other group housing are at an increased risk for developing meningococcal meningitis and hepatitis B—serious infections that can have devastating consequences. State of Florida law mandates that all university students be informed of the risks of infection. Students currently enrolled must either be vaccinated against meningococcal meningitis and hepatitis B or sign a waiver stating that they have declined to receive the vaccine. All students are required to show proof of two MMR’s, meningococcal meningitis, and hepatitis B vaccinations before they are permitted to register for classes. Information about these vaccinations may be obtained at Thagard Student Health Center or online at <http://www.tshc.fsu.edu>.

All students are required to complete and submit the student health-history form to Thagard Student Health Center before registration. The student health-history form with its specific instructions is available at <http://www.tshc.fsu.edu>. For questions, please call (850) 644-3608.

Health-Insurance Requirement

All new full-time students at Florida State University must show proof of adequate health insurance coverage before being permitted to register for classes. Additionally, all non-United States citizens in F or J status, regardless of their credit load, are required to show proof of appropriate health insurance as a condition of their admission to the University.

To purchase the FSU-sponsored health insurance or to waive enrollment in the FSU sponsored plan:

- Go to the student insurance Web site: www.studentinsurance.fsu.edu
- Review the private insurance requirements on the home page before beginning the waiver process.
- Click on the flashing red and black link above the black backpack: Waive/Purchase Insurance Click Here
- Log in. You will need your FSUID and password to log in. There are prompts on the screen if you need to activate your FSUID.
- Select either the Insurance Waiver button or the Purchase FSU Insurance button.
- Follow the prompts.
- The insurance waiver, when successfully completed, will clear the student for three terms.
- The insurance purchase will clear the student for the length of coverage purchased. Insurance can be purchased for annual coverage, for fall semester only or for spring/summer. No spring only option is offered. Summer only is offered for students beginning at FSU during the summer term.

Students seeking degrees in majors where they are exposed to particular hazards associated with the major are required to carry health and accident insurance prior to registration every Fall. The Film School, College of Medicine,

and College of Nursing have additional health insurance requirements for their students. Check with your department for any additional insurance requirements associated with your major.

Health Insurance Questions

Questions about basic health insurance coverage or purchasing school-sponsored health insurance can be addressed to Collegiate Risk Management, the University’s insurance broker, at (800) 922-3420 or (850) 644-4250. Questions about specific benefits or authorizations for procedures for the school sponsored health insurance should be addressed directly to Blue Cross/Blue Shield of Florida, the University’s insurance carrier, at 800-967-8938. Billing questions for services rendered at Thagard Student Health Center should be addressed to the billing office at 850-644-5453. Students insured by other carriers should contact their carriers for policy limitations and special requirements.

Official fsu.edu E-mail Accounts for All Students at Florida State University

The official method of communication at Florida State University is your fsu.edu e-mail account. In order to stay informed and aware, you are required to set up and maintain your account and check it three times per week. If you choose to have your fsu.edu official account forwarded to another e-mail account, you are still held responsible for all information distributed by the University to your fsu.edu account. To obtain your fsu.edu e-mail account, visit <http://ucs.fsu.edu/getStarted.html>.

Personal Identification Numbers (PIN) Codes

At Florida State University, students use multiple four-digit PINs to access personal services and accounts. Each of these PINs can be changed to a number(s) that each student may be reminded of either by contacting customer service or by visiting the appropriate campus office. Florida State University recommends that students do not keep these PINs written in their wallets and that they change their registration PIN.

The following list describes the various PIN types, their individual functions, and the services to which each provides access:

FACTS PIN

Your birth month and year (mmyy) has been assigned to you automatically as your FACTS PIN code. You must change your FACTS PIN code from the birth month/year default to a unique four-digit code. You may change your FACTS PIN code by logging on to <https://campus.fsu.edu> and clicking the Secure Apps tab. From there, click the FACTS PIN link to change the PIN. Your FACTS PIN code may be changed as often as desired and should be regarded as confidential and under your control. Please memorize your new FACTS.org PIN code. You must have it to access your information through the FACTS.org Web site.

In order to provide security for a student’s confidential FACTS PIN by preventing further access, a lockout occurs after ten consecutive access denials for attempting to access a student’s confidential records. Should you get locked out, please call (850) 644-1050 to request reinstatement, and be prepared to provide proper identification.

FSUCard/SunTrust Banking PIN

This PIN is used for ATM withdrawals and deposits for SunTrust, PLUS Network, and POS purchases through the Interlink System.

FSU Communications PIN

This PIN is used when placing long distance calls that are billed to your current address and for Florida State University’s “Seminole Circuit” customer service.

The Registration Process

Step 1: Obtain the Florida State University FSUCard

See the “FSUCard” section of this chapter and activate you FSUID, if you have not already done so.

Step 2: Prepare for Registration

- Be careful not to select courses that meet at the same time. The system does not check for time conflicts.
- Consult the General Bulletin or Graduate Bulletin to check if a course requires a laboratory or has prerequisites that must be completed prior to enrolling in the class.
- Double check the five-digit reference number that appears in the Course Look Up (<http://registrar.fsu.edu>).
- List alternate courses.

Step 3: Register at the FSU Web Site at <http://campus.fsu.edu>

- You can use the Web site to register or perform drop/add any time during the “window” assigned to you by the number of credit hours you have earned toward graduation. You cannot register after the ending date of your assigned registration window.

Note: Be prepared to request non prime-time course sections to complete your schedule. Be persistent; the effort you spend during registration will save you a great deal of time and effort during the drop/add period.

- The system does not allow you to register for more than eighteen semester hours. Your Academic Dean can provide overload authorization. To register for overload hours, you must go to the Office of the University Registrar. See the “Course Load” section of this chapter.
- The system allows you to register for an underload, but you still must obtain authorization from your Academic Dean.

Step 4: Pay Tuition

Tuition must be paid by the date posted at <http://www.studentsfirst.fsu.edu> by selecting the Tuition Payment Deadlines option in the Money Matters section. Visit <http://www.fees.fsu.edu> for account status and fee-payment options.

Course Load

For Summer semester, the following course loads apply for full-time enrollment:

Session	A	B	C	D	F
Maximum	15	9	9	14	14
Minimum	9	6	6	9	9

For any combination of sessions, the maximum is fifteen and the minimum is nine hours. Should a student wish to register for fewer or more than the allowed hours, an “Overload/Underload” approval must be obtained from the appropriate Academic Dean.

For Fall semester, undergraduate students in good standing may register for as many as eighteen semester hours in one semester and as few as twelve semester hours in one semester. Full-time course load is twelve semester hours or more, in the Fall. Full-time undergraduate students should take an academic load that will enable them to graduate within four years. Students should take into account the requirement to take nine hours of credit in the Summer.

Should a student wish to register for fewer than twelve semester hours or more than eighteen semester hours in one term, “Overload/Underload” approval must be obtained from the appropriate Academic Dean. All students receiving approval for “Overload/Underload” from their Academic Dean must submit the approval to the Office of the University Registrar. No student may register for more than twenty-one hours per semester.

International undergraduate students must enroll in at least twelve semester hours during each of the Fall and Spring semesters to maintain legal immigration status. International graduate students must enroll in at least nine semester hours, except in some specific cases. An international student adviser may authorize a reduced course load for a few specific reasons. International students who wish to enroll in a reduced course load for a given semester must submit a request for authorization to an adviser at the Center for Global Engagement (formerly the International Center) before the end of the drop/add period for that semester. An unauthorized reduction in course load may result in serious immigration consequences. For a complete definition of full course of study for immigration purposes, to access the reduced course load information and request forms, please refer to <http://www.cge.fsu.edu>.

For graduate students, the minimum number of hours allowed is twelve per semester and the maximum is fifteen.

Drop/Add or Changes of Schedule

During the first four days of classes, individual courses may be added, dropped, or sections of a course changed. **Students are financially liable for all courses appearing on their schedule after the fourth day of classes.** Courses may be dropped through the seventh week of classes with the exception of mandated college preparatory courses, freshman composition, and courses involved in allegations of academic dishonesty; however, tuition charges remain. Approval by the student’s academic dean is required to reduce the academic load below twelve semester hours or increase an academic load above eighteen semester hours (to a maximum of twenty-one semester hours). Courses dropped during this period do not appear on the student’s transcript. To add courses after the first four days of classes requires the academic dean’s approval.

A cumulative maximum of two courses may be dropped **between the eighth and twelfth week** of classes during the semesters in which the under-

graduate student has earned fewer than sixty hours of college credit; tuition charges will remain. An undergraduate student may only drop one course after earning sixty hours of college credit and until graduation; tuition charges remain. Approval by the student’s academic dean is required. Courses dropped during this period appear on the student’s transcript with the notation “W.” See the “Academic Calendar” in the *Registration Guide* for semester-specific deadlines.

Except in cases where a student is petitioning to use one of the three drops allowed under the policy above, any course drop petition after the seventh week of classes (with dates prorated for individual Summer sessions), will be considered only in documented exceptional circumstances that are beyond the student’s control, as determined by the student’s academic dean. Academic deans exercise their administrative and academic judgment in making final determinations about drop eligibility. Course drops are never approved when there are unresolved allegations of academic dishonesty in a course or when a course grade reflects an Academic Honor Policy penalty.

Such courses appear on the student’s transcript with the notation “WD.” Students who register for courses but who do not attend the classes receive grades of “F” if the courses are not officially dropped. Students changing from a previous bulletin year should consult their academic dean regarding limitations concerning the policy described above.

Registration by Student Categories

Non-Degree Seeking Students

All new non-degree seeking students on the main campus will be assessed a non-refundable application fee of \$30.00, paid at the time of application. For specific policies concerning the registration and status of non-degree seeking students, consult the *General Bulletin*. For additional information, contact the Office of Admissions, University Center Building A2500, (850) 644-6200. Procedures and residency requirements for non-degree seeking student registration are the same as for regularly enrolled degree-seeking students as described on the preceding pages.

State Employees

State employees may use the State Employee Tuition Waiver to register for Florida State University classes. Individuals using the State Employee Tuition Waiver must be fully admitted degree-seeking or non-degree seeking students. Registration in classes using the State Employee Tuition Waiver is limited to a space-available basis. Florida State University does not consider the following as space-available courses: approved undergraduate limited access programs; remedial courses; dissertation, thesis, and directed individual study (DIS) courses; internship courses; distance-learning courses; Center for Professional Development (CPD) courses; College of Medicine courses; College of Law courses; all graduate program courses in the College of Business; and other one-to-one instruction courses. Accordingly, State Employee Tuition Waivers may not be used for these courses.

Florida State University accepts only the official State Employee Tuition Waiver Form available online at http://registrar.fsu.edu/services/emp_tuit_waive/. Agencies may require additional paperwork or forms that will not be accepted unless accompanied by the State Employee Tuition Waiver Form.

State employees using a tuition waiver must obtain supervisor signatures and academic departmental approval on the tuition form and then submit the signed and completed tuition waiver to the Office of the University Registrar on the fifth day of classes only. State Employee Tuition Waivers may not be used for any course that is registered for prior to this space-available registration window. Thus, for any class obtained prior to the fifth day of classes, the student assumes personal financial liability for tuition.

Additional restrictions and deadlines apply. For additional information, including the link to download the State Employee Tuition Waiver Form, see the Office of the University Registrar’s Web site at <http://registrar.fsu.edu/services/>.

FSU Employees

Employees of Florida State University intending to take Florida State University classes may do so through the FSU Employee Scholarship program. See the Human Resources Web site at http://www.hr.fsu.edu/Index.cfm?page=formes_Employees&category=EMP&class=DP for details, restrictions, and deadlines.

Community Service

The Center for Leadership & Civic Education

At Florida State University, leadership, community involvement, and civic responsibility are integral elements of a liberal arts education. The Center for Leadership & Civic Education enhances the education of students for responsible citizenship and effective leadership. The Center operates as a clearinghouse of service-related information including a directory of service organizations in the community, a listing of Service Learning courses that feature community service components, and Florida State University student organizations that focus on community service and leadership.

The Center coordinates, advises, and supports many projects and programs related to service and leadership. Students can come in on a walk-in basis to meet with an adviser. ServScript is a way Florida State University students can enhance their academic transcript by documenting their service hours online.

For more information, contact *The Center for Leadership & Civic Education, Division of Student Affairs, Dunlap Student Success Center, 100 S. Woodward Avenue, Tallahassee, FL 32306; (850) 644-3342; Fax (850) 644-3362; Web site: <http://www.thecenter.fsu.edu>; e-mail: thecenter@admin.fsu.edu.*

ServScript

The purpose of the ServScript Program is to formally recognize students’ demonstrated commitment to community service. This commitment is documented through the description of students’ community service hours on their official FSU academic transcript. Transcripts are student records of scholarly achievement; as such, the ServScript program has created guidelines to clarify and recognize community service of consistent quality. Three defining concepts serve as the basis for approved ServScript entries:

Community service is defined as an unpaid, non-punitive, intentional activity to benefit a community need.

Community is defined as the geographic or demographic setting, ranging from local to global contexts.

Need is defined as the civic actions necessary to solve current social problems. Needs are most commonly identified by the mission-based work of not-for-profit agencies, and by for-profit agencies seeking to end pain and suffering.

The ServScript Program is designed to encourage students to contribute their skills and resources to serve others. Through informed service, students gain compassion for others and the challenges they face. Recognizing these challenges, and the power of individual action to effect change, students may develop a commitment to practice social responsibility throughout their lives.

To participate, students need to register under ‘*My Service Hours*’ in Blackboard Secure Apps. ServScript forms and additional information about the program and guidelines are available online at <http://thecenter.fsu.edu>.

Graduation

Undergraduate students should request a graduation check from the Office of the University Registrar two terms prior to their anticipated graduation date, or at the time they have earned ninety hours of credit. A second check should be completed in the office of their Academic Dean one term prior to their anticipated graduation. Registration stops will be placed on students who have earned one hundred semester hours, including current term registration, but have not completed the graduation check. Graduate students should check with their department regarding degree requirements. Application for graduation must be made by the published deadline; students can apply online in Blackboard under Secure Apps; refer to <http://registrar.fsu.edu> for this information. Students who graduate in Summer 2011 must apply for and be readmitted to register for Fall 2011 or any subsequent term. Likewise, students who graduate in Fall 2011 must apply for and be readmitted to register for Spring 2012 or any subsequent term.

Facilities and Equipment Fees*

Florida State University assesses fees in seven areas where equipment is provided, used, and returned to the University. The use of this equipment is essential to the core of the curriculum in each area below. Students elect to use this equipment.

Payments can be made at Student Financial Service, A1500 University Center. Payment is due concurrent with tuition and fees for each term. Waivers for the Facilities and Equipment Fee may be granted by a committee appointed by the Dean of the appropriate college. Full or partial refunds may be granted pursuant to the university’s tuition and refund policy.

A “stop” will be placed on the registration of all students who have not paid the fee or have been granted a waiver. In such case, students will not be able to register for classes, receive transcripts, or receive a diploma.

Fees will be placed in an auxiliary account for the purchase, repair, and maintenance of the equipment. Students will be responsible for the damage or loss of equipment. The college will assess the student for damage and loss charges and will submit the charges to Student Financial Services for collection.

The seven areas are listed below:

Business: All students registered for HFT 4866 will be charged an equipment use fee of \$10.00; \$20.00 for all students registered for MAR 4415; \$125.00 for all students registered for HFT 4802.

Medicine: All majors in the College of Medicine will be charged an equipment use fee of \$250.00 per semester for the use of laptop computers, PDAs, software, and other shared resources. Equipment use fees for the College of Medicine will not be charged for the Summer session.

Motion Picture Arts: All majors in the College of Motion Picture Arts will be charged an equipment use fee of \$250.00 per semester.

Music: All majors in the College of Music will be charged an instrument/equipment use fee in the amount of \$350.00 per semester.

Nursing: All majors in the College of Nursing will be charged an equipment use fee in the amount of \$10.00 per semester.

Underwater Crime Scene Investigation: All students enrolled in the certificate program in Underwater Crime Scene Investigation will be charged

Excess Credit Hour Surcharge

Section 1009.286, Florida Statue, mandates that each student shall be assessed an additional per credit hour charge equal to 150% of the tuition for each hour in excess of 120% of the total number of credit hours required to complete the baccalaureate degree. For example, students in a degree program that requires 120 hours will have to pay the excess credit hour surcharge at the point that they enroll in their 145th credit hour. This law is in effect for students who began college at any institution during the Fall 2009 semester or later.

Credit hours earned under the following circumstances are included in the calculation of the 120% threshold for surcharge assessment, unless otherwise meeting one of the exception criteria provided for in statute.

- Failed courses
- Hours dropped after the universities’ drop/add period
- Courses for which a student withdrawals
- Repeated courses, except repeated courses for with the student has paid the repeat course surcharge as provided in *Section 1009.285, Florida Statutes*
- All credit earned at another institution and accepted for transfer and applied toward the baccalaureate degree program.

Credit hours earned under the following circumstances are not included as hours earned toward the baccalaureate degree for purposes of determining the 120% threshold for surcharge assessment. They may otherwise count toward and satisfy university, college or departmental hour requirements according to university policy.

- College credit earned through articulated accelerated mechanisms such as AP, IB, CLEP, dual enrollment, national standardized tests (ACT or SAT), etc as defined in *Section 1007.27, Florida Statute*
- Credit hours earned through internship
- Credit hours required for certification, recertification, or certificate programs
- Courses from which the student withdraws for reasons of medical or personal hardship
- Credit taken by active-duty military personnel
- Credit hours taken to achieve a dual major while pursuing a baccalaureate degree
- Remedial and English-as-a-second-language credit hours
- Credit hours earned while participating in a Reserve Officer’s Training Corps (ROTC) program.

Fee Payment

Regulations

Students who enroll must pay fees and tuition in full by the tuition and fees payment deadline. Students who fail to pay tuition in full by the fee payment deadline will be assessed a late payment fee of \$100.00 and may have their schedule cancelled. All waivers, vouchers, Intern Participation Certificates, agency billings, and department billings for all students, including those receiving financial aid, must be submitted no later than the third day of the semester or session. You may pay by check, cash, money order or FSUCard. Payments may be submitted by mail, drop box, or in person. Florida State University also takes credit cards and e-checks (online only) at *http://www.fees.fsu.edu*. Cards accepted online include FSUCard, American Express, Discover, Mastercard, and Visa. There is a \$7.00 non-refundable flat fee to cover the cost of providing this online payment service. Classes added after the drop/add deadline must be paid for within five calendar days. Foreign and two-party checks are not accepted. Make checks payable to Florida State University. Include your local phone and local address on each check and one of the following: your FSUSN, the last four digits of your social security number, or your FSU e-mail address.

The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted tuition payment deadline.

You may obtain financial status information on the Web at *http://www.fees.fsu.edu*, at the self-inquiry kiosks located in University Center Building A, and other locations.

Requests for the waiver of the \$100.00 Late Payment Fee may be submitted online, through Blackboard (from Secure Apps, click Late Payment Waiver).

Waivers may be granted in situations involving administrative error or unusual circumstances beyond the control of the student. Students will be required to present written documentation of the circumstances involved.

Note: Lack of awareness of the deadlines or lack of funds are not valid reasons to waive the late payment fee or late registration fee.

Refund of Fees

Students who drop a course without fee liability after their tuition and fees are paid, due to documented extenuating circumstance or administrative error, may be eligible for a tuition refund. Any amount paid in excess of the amount owed to the University during the semester/term will be carried forward and may be applied against subsequent University charges or may be refunded upon request. Any outstanding charges owed to the University will be deducted, and the balance will be issued as a refund. At the beginning of a semester, refunds will not be processed until the end of the third week of class to ensure that all checks have cleared the bank. Refunds requested during the fiscal year close-out, during the last two weeks of June, will not be processed until the first week of July. The refund will be processed as a credit to the student’s FSUCard account for currently enrolled students unless the student requests a check to be mailed to the address on file. Checks will be mailed to those students who are no longer enrolled. However, payments made by credit card will always be refunded to the credit card. Summer session refunds will start processing two weeks after the beginning of session C. Refund request forms

are available at the Office of Student Financial Services, A1500 University Center, or online at <http://controller.vpfa.fsu.edu/Student-Financial-Services/SFS-For-Students/Forms> then elect Student Tuition Refund Request.

Students who withdraw after the fourth day of the semester/term, but prior to the end of the fourth week of the semester (or for Summer sessions, by the first twenty-five percent of the term) are eligible for a twenty-five percent refund of tuition and fees. After this period, students who withdraw are held fully liable for fees. Students who withdraw and have received federal financial aid (Title IV programs) or state aid may be required to repay to the aid source the amount of unearned financial-aid funds disbursed to them as of their withdrawal date as described in the section below on “Withdrawals and Return of Financial Aid.” In the case where a withdrawal petition is approved, a refund can be provided only if the refund withdrawal request is submitted within six months after the end of the semester in which the withdrawal occurred.

Note: The following fees are non-refundable: Web payment credit-card processing fees, admission deposit, admission application fee, FSUCard, and other fees as specified by certain schools or departments.

Financial-Aid

Fees and Financial-Aid Students

The University distributes aid in two ways for all registered financial-aid students whose funds are available to the Office of Student Financial Services on the distribution dates as published. For the most current information, go to <http://www.sfs.fsu.edu>. Students must complete an Account Refund Setup (ARS). Students may complete the ARS at <http://campus.fsu.edu> (from Secure Apps, click Account Refund Setup). Choose one of the following two ways to receive financial aid:

- By Electronic Funds Transfer (EFT) to your FSUCard Account at Sun Trust. Approximately ninety percent of the student body receiving financial aid at Florida State University have chosen to process their aid electronically and take advantage of the fastest and most reliable method of receiving their financial aid; or
- By a check mailed to your local address. Exceptions for holds on account:
- Students must check their status at <http://www.ais.fsu.edu/finaid>. Your financial aid will be disbursed in accordance with your ARS selection after the hold has been resolved. You must present a picture ID to either remove holds or receive a short-term loan. In order to receive your aid, you must be enrolled for the required number of hours; and
- Students whose financial aid has not arrived by the beginning of the semester must confirm they received a tuition deferment. After the distribution dates at the beginning of the semester, additional funds that become available will be disbursed daily and mailed or sent to the FSUCard account in accordance with the selection made on the student’s Account Refund Setup (ARS).

Students must confirm that their application is complete prior to the first week of the semester by going to <http://www.studentsfirst.fsu.edu> and clicking on the Check Financial Aid Status subheading in the Money Matters section. All financial aid students must check their financial aid status by visiting <http://www.ais.fsu.edu/finaid>.

If you have any questions, please call (850) 644-9452 at the Office of Student Financial Services. For information about your FSUCard account at SunTrust, call 1-800-786-8787.

Deadline: If the financial aid is not sufficient to cover all charges, the student is responsible for paying the balance by the tuition payment deadline, (see the “Academic Calendar” in this *Registration Guide*.) After this date, a \$100.00 late payment fee is assessed and grades will be held at the end of the semester until fees are paid in full.

Note: Financial Aid students who are having their tuition paid by an agency, department billing, or Florida Prepaid College Program should submit the required documents no later than the third day of the semester (see the “Academic Calendar” in this *Registration Guide*.) The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted payment due date.

Deferments: Financial aid deferments may be granted to students whose aid has not arrived by the published distribution date. Not having applied for financial aid is not a valid reason for applying for a deferment. The deadline to request a deferment is the tuition payment deadline. When deferments expire, students must pay their unpaid tuition balance in full or receive a late fee after the deadline. If tuition is not paid, students will not be able to register for future classes, receive a delayed delivery loan, grades, or transcripts. Students must confirm that their financial aid has arrived and that all requirements have been met by the deferment expiration date. Go to <http://campus.fsu.edu> (from

Secure Apps, click My Account Statement) you then will see your courses and fees detailed. With your temporary deferment, your total balance due may show “\$zero” for the “Current Term Tuition.” When your financial aid arrives, the screen will show how much has been paid toward your tuition. You must ensure your financial aid pays your tuition by the deferment deadline, or you may be assessed a late payment fee of \$100.00. You may check your financial aid status at <http://www.ais.fsu.edu/finaid>. For questions, please contact us at sfs@admin.fsu.edu or (850)644-9452.

Withdrawals and Return of Financial Aid

Effective Fall 2000, students who withdraw and have received financial aid will be required to repay to the program source the amount of unearned financial-aid funds disbursed to them as of their withdrawal date. Programs include Pell Grants, Perkins Loans, Supplemental Educational Opportunity Grants (FSEOG), Stafford Loans (subsidized and unsubsidized), and Parent Loans (the Federal PLUS program), and other awards. The unearned amount of program funds is calculated based on the percentage of the semester completed before the date of withdrawal. Both the University and students receiving financial aid are required to return unearned financial aid to the aid source. The University is required to return the unearned portion of the financial aid funds it received from withdrawing students that was used to pay institutional charges such as tuition, fees, housing, and other education-related expenses assessed by the institution. The funds returned to the aid source by the University will be credited against the students’ total liability of unearned funds. However, students will owe the University the amount returned to the aid source for institutional charges. In addition, any student who receives Title IV funds, stops attending classes during the semester, and does not officially withdraw from the University is considered an unofficial withdrawal, according to Title IV federal regulations. The University is required to return unearned financial aid to the federal government for all unofficial withdrawals in the same manner as students who withdraw officially.

Students must repay the unearned Title IV funds to any Title IV loan program in accordance with the terms of the loan. For Title IV loan programs, unearned grant-program funds are considered overpayments, and students are required to return fifty percent of the grant. Students who owe grant overpayments remain eligible for Title IV program funds for forty-five days if during those forty-five days the student: 1) repays the overpayment in full to the University; or, 2) enters into a repayment agreement with the University. However, entering into a repayment agreement does not mean the student is eligible to register for additional classes, receive a transcript, diploma, etc. Students can lose financial aid eligibility if they do not comply with the options above. Students should consider their repayment responsibilities for these programs as part of any withdrawal decision. Please contact the Florida Bright Futures office for the most current restrictions on eligibility.

Bright Future Repayment Requirement

Section 1009.53, Florida Statute states that Bright Future scholarship funds may not be used to pay for courses dropped by a student after the end of the drop/add period. This includes all courses dropped as part of the official withdrawal process. Students will be required to reimburse the University for the appropriate Bright Future portion disbursed based on the enrollment. A waiver of repayment requirement may be granted in the event of a documented illness or emergency. Appeals to waive the repayment requirement can be made to the Financial Aid Office.

Exit Interviews

Federal and University regulations require that all recipients of federal loans participate in an exit-interview counseling session upon graduating, withdrawing from the University, or dropping below six credit hours. These loans include Perkins (NDSL), Subsidized Stafford (GSL), Unsubsidized Stafford (UGSL) and SLS loans. Failure to complete this procedure will result in the withholding of diploma and/or official transcripts. Counseling sessions can be completed by going to the Financial Aid Exit Interview link located on the Secure Apps page on Blackboard at <https://campus.fsu.edu>.

Policy on Refunds for Audited Courses

Refunds may be granted for courses in which a student has requested permission to audit and subsequently rescinds this request before the fifth day of class. Verification that the audit request has been discontinued must be received in writing by the University Registrar before the fifth day of class. After this period, no refunds will be authorized unless exceptional circumstances are documented in writing and approved by the University Refund Committee.

Note: The refund request form or withdrawal form must be submitted to the Office of Student Financial Services within six months from the end of the term from which the student withdrew.

Delinquent Accounts

All delinquent University accounts must be paid before students may complete registration. Payment should be made by cash, money order or cashier’s check. Financial aid granted for use in an upcoming semester may not be used to pay current debt. Outstanding debt, including delinquent current semester tuition, will prevent you from registering until all delinquent fees are paid. Diplomas and official transcripts will not be issued when any amount is owed the University. Delinquent accounts are referred to a collection agency if fees are not paid in full. Collection costs are added to your outstanding balance. Delinquent accounts should be paid by cash, money order, or cashier’s check.

Dishonored Checks or Electronic Payments

Return Check Charge/Stop Payment Charge: \$25.00 or five percent of the amount of the check, whichever is greater (subject to change) will be assessed to the student’s account. A returned check/stop payment charge is assessed against a student’s account who has a check or electronic authorization for payment returned by the bank to Florida State University. Florida State University automatically submits all personal checks twice for payment if the check was returned once for non-sufficient or uncollected funds. This is an automated process and the second submission cannot be stopped; there is no charge, however, assessed by Florida State University for this second submission. Repayment of returned checks must be made with cash, FSUCard, money order, or cashier’s check.

Returned check charges are assessed for all personal checks written and electronic payments authorized for tuition, fees, or any services provided by the University that are returned to Florida State University for non-sufficient funds, uncollected funds, closed accounts, stop payments, etc., placed on checks. In addition to the returned check charge, if the initial payment is for tuition and redemption of the returned check is not made prior to the tuition payment deadline, a \$100.00 late payment fee is assessed to tuition. Florida State University places a hold on accepting any personal checks or electronic payment authorizations on the student’s account for ninety days after redemption for any services, tuition, or fees that are owed to the University if a personal check or electronic payment authorization is returned. If a second check or electronic payment is returned, or if a stop payment is placed on it, the student will be permanently listed on all departments’ ACCEPT CASH ONLY list and no personal checks or electronic payment will be accepted from anyone on the student’s account from that day forward.

Notification will be given to the student by mail to the address on the check or to the last maintained address in Florida State University’s records. After notification that a check has been returned, redemption (including the service charge) must be made within fifteen days. Florida State University forwards all returned payments to the State Attorney’s Office for redemption and prosecution after collection efforts are exhausted. After a returned payment is forwarded to the State Attorney’s Office, restitution of the check will not prevent prosecution. Cancellation of Student Schedules for Non-Payment of Tuition and Fees

Students are expected to pay all tuition and fees by the published deadline for each semester they enroll. In accordance with Rule 6C-7.002(6), F.A.C., students who do not pay tuition and fees or make arrangements to pay tuition and fees by the end of the established fee payment deadline may have their schedules cancelled and academic progress discontinued for the semester. Students who are cancelled for non-payment of tuition and fees will not be permitted to attend classes or receive grades after the cancellation takes place.

It is important that all students ensure they have an active FSU e-mail account. The FSU e-mail account is the official method by which the University will communicate with students concerning any outstanding financial obligations, including outstanding tuition and fees. Students will receive an official e-mail communication from the Office of Student Financial Services at the end of the second week of the semester alerting them to the possibility of the cancellation of their current term’s schedule. Students will then have the opportunity to pay tuition and fees or make arrangements to pay tuition and fees to avoid being cancelled.

Students who fail to pay tuition and fees or make formal arrangements to pay tuition and fees by the end of the third week of the semester will receive an e-mail notification from the Office of the University Registrar. This notification will inform the student that his or her schedule has been cancelled and explain appeal process for the reinstatement of their schedule.

Students may check their account status online at any time at <http://campus.fsu.edu> (from Secure Apps, click My Account Statement) to determine any amounts owed to the university and to verify that payments have been made.

Reinstatement of Student Schedules Cancelled for Non-Payment of Tuition and Fees

Students whose schedules are cancelled for non-payment of tuition and fees may appeal to the University Registrar for the reinstatement of their schedule. The appeal must be made in writing and must be submitted to the University Registrar (A3900 University Center) no later than the end of the seventh week of the Fall or Spring semester. Consult the Summer edition of the *Registration Guide* for Summer term deadlines. The appeal will be reviewed and acted upon in a timely manner. Approval of the reinstatement of a student’s schedule is contingent upon verification from the Office of Student Financial Services that tuition and fees have been paid or that formal arrangements have been made for tuition and fee payment. Reinstatement of schedules will also include a \$100.00 late registration fee and a \$100.00 late payment fee. Checks or credit card payments that are returned or refused will negate any tuition and fee payment arrangement for the reinstatement of a student’s schedule. Also, the University reserves the right to deny reinstatement when a student has demonstrated a pattern of tuition delinquencies over a period of two or more semesters.
