UNIVERSITY NOTICES

President's Statement on Equal Opportunity and Non-Discrimination

Florida State University is an equal opportunity employer and educational provider committed to a policy of non-discrimination for any member of the University's community on the basis of race, creed, color, sex, religion, national origin, age, disability, genetic information, veterans' status, marital status, sexual orientation, gender identity, gender expression, or any other legally protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable laws, regulations, ordinances, orders, and University policies, procedures, and processes.

In pursuing its mission of excellence as a comprehensive, graduate-research university with a liberal arts base, the University strives to create and maintain a harmonious, high performance work and educational environment.

It is my expectation that all members of our community are provided equitable opportunities to succeed and enrich the strength, skill, and character of the University. It is also expected that all members of our community will help create a work and educational environment that promotes fairness, respect, and trust, free from discrimination, harassment, or retaliation. Behavior that may be considered offensive, demeaning, or degrading to persons or groups will not be tolerated.

The University will continue to reinforce its commitment of non-discrimination to all groups protected by local, state, and federal law. We will continue to monitor our methods of recruitment, retention, and advancement of qualified faculty, staff, and students and annually examine our affirmative action plan, as prescribed by federal guidelines, to measure whether our campus is reflective of the community we serve.

The University further recognizes that forms of discriminatory or harassing behavior may create an intimidating or hostile environment that interferes with the University's mission. As a result, the University has established internal complaint procedures available to all who believe their experience on any of our campuses has been less than appropriate.

To facilitate University-wide compliance, I have appointed Renisha Gibbs, Assistant Vice President for Human Resources, Finance and Administration Chief of Staff, to develop, administer, and coordinate University-wide initiatives and complaint investigations. This will be accomplished through collaboration with the Title IX Director; Dean of Students Department; the Office of Faculty Development and Advancement; the Athletics Department; and all University divisions, colleges, and departments.

Questions regarding the above may be directed to your supervisor or Renisha Gibbs at (850) 644-8082 or rgibbs@fsu.edu. To view the University's Equal Opportunity, Non-Discrimination, and Non-Retaliation Policy in its entirety, go to <http://policies.vpfa.fsu.edu/personnel/3i.html#3>.

President's Statement on Title IX

"No person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX).

Florida State University does not discriminate on the basis of sex/gender in education programs and activities, and, as a recipient of Federal financial assistance for education activities, is required by Title IX to ensure that all of its education programs and activities do not discriminate in such a manner. Sexual harassment, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. Additionally, the Florida Educational Equity Act prohibits discrimination in schools based on race, ethnicity, national origin, gender, disability, or marital status. Fla. Stat. § 1000.05 (2012). Furthermore, this commitment is reaffirmed in FSU's *Sex Discrimination and Sexual Misconduct Policy*, which is applicable to all faculty, staff, students, visitors, applicants, and contractors.

The University's Title IX Director is responsible for overseeing the development of sexual misconduct policies, ensuring compliance with Title IX and relevant federal and state regulations, and investigating Title IX complaints alleging **student** sexual misconduct. The Human Resources Deputy Coordinator will oversee investigations of sexual misconduct by **employees and third parties**. The Athletics Deputy Coordinator will accept Title IX incident reports to forward to the Title IX Director, and will ensure athletics equity compliance. The FSUS Deputy Coordinator will oversee investigations of sexual misconduct by **K-12 students**. Questions regarding Title IX, as well as concerns about and complaints of non-compliance (including complaints

of sexual harassment, sexual assault, sexual violence, or other sexual misconduct), should be directed to the Title IX Director or a Title IX Deputy Coordinator.

Questions about the application of Title IX may also be directed to the Office for Civil Rights, US Department of Education.

Title IX Frequently Asked Questions: For an expanded explanation of each answer, please follow the link.

What is Sexual Misconduct?

An umbrella term used to refer to a broad range of sexually inappropriate behaviors prohibited by Florida State University Policy. Sexual Misconduct includes all forms of non-consensual sexual activity and unwelcome sexual conduct including: sexual violence (rape/sexual battery/sexual assault); relationship violence (domestic violence and dating violence); stalking; sex- and gender-based discrimination (including gender identity, gender expression, and sexual orientation); sexual harassment; and other forms of sexually exploitative behavior. For definitions of sexual misconduct, please see *Policy*.

Is discrimination based on pregnancy or parental status a type of sex discrimination?

Yes. Additionally, reasonable pregnancy and parental accommodations may be available, upon request. For information contact the *Office of Equal Opportunity and Compliance*.

Who is protected from sexual misconduct under Title IX?

All University students, employees, and visitors are protected. This protection is regardless of gender, sexual orientation, sexual identity, race, religion, national origin, and any other protected group status. Students from elementary to graduate school are protected, regardless of full- or part-time or online status.

What is Consent?

- Consent is active and ongoing, it is not passive or static! Consent includes:
 - asking the question
 - of a capable person
- NOTE: A capable person is someone who is not incapacitated. An individual can be incapacitated by drugs, alcohol, illness, or mental impairment/disability. People who are asleep or unconscious are always incapacitated.
- with adequate disclosure and
- without coercion.
- Consent can be withdrawn at any time.
- Prior consent does not mean future consent.

How do I get confidential support?

You can seek confidential support from the University's *Victim Advocate Program, University Counseling Center, Employee Assistance Program, University Health Center*, or University affiliated pastoral counselors.

Confidential disclosure does not generate a Title IX report or criminal report, unless the disclosing party specifically requests that a report be filed. Confidential assistance is available any time regardless of when the incident occurred. Additional resources can be found within the full Policy.

How do I file a report?

Individuals may report information on their own behalf or on behalf of another. A report may be made, verbally or in writing (including online) by bringing the matter to the attention of: Title IX Director; Deputy Title IX Coordinators; FSUPD; or any additional Responsible Employees. There is no time limit for an Affected Party to make a Title IX report, but it may be more difficult to conduct a thorough investigation after an extended period of time.

Can I file a report online?

Yes, on the University's *Title IX Website* or via *EthicsPoint*.

Who MUST report sexual misconduct?

All Responsible Employees, including but not limited to faculty, adjuncts, staff, graduate assistants, and student employees. You must report any student or subordinate disclosure within two business days. You are encouraged to report peer-to-peer (student-to-student or colleague-to-colleague) disclosure, but are not required to do so. When in doubt, report to the Title IX Director; privacy will be maintained within the scope of the law.

What do I do if a student discloses to me?

If you are a Responsible Employee, you must report to the Title IX Director, Deputy Title IX Coordinators, or Title IX Investigators. If not a Responsible Employee, you should encourage the student to seek support services.

What if the student who discloses is a minor (or was a minor when the abuse occurred)?

In addition to reporting to the Title IX Director or designee, any incidents of abuse of a minor must also be reported to the Florida Department of Children and Families (DCF) by every individual who is made aware of the abuse. Under Florida's Protection of Vulnerable Persons Act, all Florida residents must personally report any type of child abuse. For more information, please see *Protection of Vulnerable Persons Act Tips*.

What is the difference between a criminal and FSU/FSUS process?

Individuals have the right to pursue both the criminal and internal University process. They can be pursued independently or simultaneously. We encourage individuals to pursue both. The criminal process is conducted by local law enforcement and the state prosecutor's office. The criminal process can result in incarceration and the evidentiary standard is beyond a reasonable doubt. The internal University investigation is overseen by the University Title IX Director. If appropriate, the University will implement interim measures and University sanctioning; the evidentiary standard is preponderance of the evidence.

What happens after a report is made to the Title IX Office?

The University will take appropriate measures to investigate, eliminate the inappropriate conduct, address its effects, and prevent reoccurrence. Whenever possible the Reporting Party's request to the Title IX Director for confidentiality will be maintained. The request for confidentiality must be made to the Title IX Director or designee. Additional information about what happens after disclosure can be found within the full Policy.

What are the rights of the Reporting Parties and Responding Parties?

The rights of both parties during the investigation and adjudication process include a fair, impartial and prompt investigation and resolution of the allegations. For more information see Reporting Party's / Responding Party's Rights.

What is retaliation?

Retaliation is any creation of a hostile environment or adverse action threatened or taken against an individual because they:

- make a Report pursuant to this Policy;

- assist another person in making a Report;
- participate in the investigation of such a Report;
- or in good faith and in a reasonable manner opposes conduct that they believe constitutes a violation of this Policy.

For examples of retaliation, please see <http://titleix.fsu.edu>.

What do I do if I think someone is retaliating against me?

Report the retaliation immediately to the Title IX Director, a Deputy Title IX Coordinator, a Title IX Investigator and/or the FSUPD.

What could happen if I or someone I know retaliates?

You, or they, could face a charge of retaliation in addition to any charges of sexual misconduct.

What is complicity?

Complicity is any action or behavior done with the intent of aiding, facilitating, promoting or encouraging the commission of an act of Sex Discrimination or Sexual Misconduct. For examples of complicity, please see <http://titleix.fsu.edu>.

HIV/AIDS Policy

Students, employees, and applicants for admission or employment at Florida State University who have or who may become infected with HIV will not be excluded from enrollment or employment or restricted in their normal responsibilities and access to University services or facilities due to their HIV/AIDS status, unless individual medically based judgments establish that exclusion or restriction is necessary for the welfare of the individual or of other members of the University community. That is, the University will not discriminate against otherwise qualified HIV-infected applicants, students, or employees.

The Florida State University Committee on HIV/AIDS is responsible for monitoring developments with regard to HIV/AIDS, acting upon and administering the policies of the Florida Department of Education Division of Colleges and Universities and the University concerning HIV/AIDS and coordinating the University's efforts in educating the University community on the nature and prevention of the disease. In addition, the Florida State University Committee on HIV/AIDS meets as needed to consider special problems related to HIV/AIDS that require University action.

The University will be guided in its implementation of this policy by current authoritative medical information, applicable federal and state law,

Florida Department of Education Division of Colleges and Universities' HIV/AIDS Policy, and the guidelines suggested by the Centers for Disease Control, the Public Health Service, the American College Health Association, and the Florida Department of Health.

Florida State University has designated HIV counselors who are available to the University community. Counselors are located at University Health Services (850) 644-4567; and University Health Services Center for Health Advocacy and Wellness (850) 644-8871. Confidential HIV testing is available for students and staff at University Health Services. Any interested individuals should call (850) 644-8871 to schedule an appointment.

Conflicts of Interest

The following policy concerning conflicts of interest applies to graduate students who are being supervised or evaluated by faculty as well as graduate students who are serving as teaching assistants and thus supervising or evaluating undergraduates.

Sexual relationships between faculty members and students where a direct supervisory or evaluative relationship exists are fraught with the potential for exploitation. The respect and trust accorded a faculty member by a student, as well as the power exercised by the faculty member in a direct supervisory or evaluative role, make voluntary consent by the student suspect. In their relationships with students, faculty members are expected to be aware of their professional responsibilities and to avoid conflict of interest, favoritism, or bias.

1. When any direct supervisory or evaluative role exists, a consensual sexual relationship between a student and a faculty member is a conflict of interest.
2. Any situation of direct supervision or evaluation will be ended immediately when a consensual sexual relationship between a student and a faculty member exists.
3. Any such relationship must be disclosed to the faculty member's supervisor immediately.
4. Direct supervision includes any type of evaluative role. Examples of direct supervision of the student include teaching the student's class, serving as a thesis or dissertation director, instructor of record, member of the student's thesis or dissertation committee, member of the student's comprehensive or doctoral exam committee, member of other committees where the focus is evaluation or supervision of the student's academic competence or the student's assistantship.

Florida State University Statement for Students on the Unlawful Possession, Use, or Distribution of Illicit Drugs and Alcohol

Florida State University Alcohol Policy

Introduction

Florida State University affirms the guiding ethical principle of responsible freedom. Students, staff, and faculty are expected to show respect for order, ethical conduct, and the rights of others, and to model in daily living a high sense of personal honor and integrity. Florida State University neither encourages nor condemns the legal consumption of alcoholic beverages. The University recognizes, however, that the majority of undergraduate students are below the legal drinking age and that there are serious health risks and behavior problems associated with the use of alcohol in the collegiate environment. Consequently, alcohol will be permitted at Florida State University or programs sponsored by Florida State University or its direct support organizations only in those settings which:

1. Comply with federal or state laws, local ordinances, University regulations, foreign country laws (in the case of study abroad programs conducted by Florida State University International Programs, Inc.), Student Conduct Code, and this policy;
2. Present minimal health and safety risks; and
3. In no way inhibit the full participation of those who choose not to drink alcohol.

Events and activities that encourage excessive drinking and/or lead to the endangerment of individuals will not be permitted. Any person or group in violation of federal or state laws, local ordinances, or of this policy will be reported to the proper federal, state, local or university authorities for appropriate action.

- (c) The University maintains the right to forward possible violations of federal or state laws, local ordinances, and University regulations, to the proper authorities through the Florida State University Police Department.

VI. Health Risks.

Alcohol consumption may cause a number of changes in behavior which are related to dose, rate of intake, body size and percentage of body fluid, expectations, social environment, physical conditions (disease or, more commonly, hormonal cycles can be factors), enzyme differences, and concentration of alcohol in a drink. It may increase aggressiveness, lower inhibitions, cloud judgment, reduce resistance, and hamper the ability to make decisions.

Alcohol first affects the area of the brain responsible for higher functions, such as decision-making and social inhibitions, suppressing an individual's self-control. Alcohol in the blood can slow reaction time, reduce muscle coordination and impair eyesight, contributing to deficits in performance, judgment, memory, and motor skills. Even low doses can significantly impair the judgment and coordination required to drive a car safely. Florida State University reiterates that no one should ever drink alcohol and drive. The designated driver should never drink alcohol.

Moderate to high doses of alcohol may cause marked impairments in higher mental functions, altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol may produce the effects just described above.

VII. Educational Resources and Support.

In support of responsible management of alcohol, the University provides numerous resources and support services available to students, faculty, and staff of Florida State University, including alcohol education, counseling, treatment, rehabilitation, re-entry, prevention, and intervention, as well as other educational programs and volunteer opportunities. Below are just a few of these resources and services.

Students may also enroll in the course free of charge if they would simply like to gain more knowledge about alcohol. Florida State University Health Risks of Illicit Drugs

Illicit drugs all have some health-threatening qualities—some more than others. Examples include increased heart rate and lung damage from marijuana; central nervous system disorders from cocaine, heroin, and hallucinogens; and liver, lung and kidney damage from inhalants. HIV infection also is spread widely among intravenous drug users. Even infrequent use of illicit drugs can result in physical afflictions, such as hangovers, cardiovascular damage, digestive problems, tremors, impaired sexual response, and injuries due to lost coordination. Other possible effects include reduced alertness and impaired performance at school or work, interpersonal conflicts, and financial difficulties. Dependence and addiction are constant threats to users of illicit substances. Regular abuse of these substances generally exposes users to criminal elements, which may lead to involvement in further criminal activities.

Florida State University Illicit Drug Penalties

The penalty for possession (second-degree misdemeanor) is sixty days jail and \$500 fine. Penalties for trafficking (first-degree felony) range up to thirty years imprisonment and fines of \$500,000.

Note: These are only for information. State sanctions are subject to change by the Florida Legislature.

Florida State University Standards of Conduct

State of Florida statutes declare that it is unlawful for any person under 21 years of age to consume or possess alcoholic beverages. Consequently, no one under the legal drinking age may consume, distribute, or possess alcohol on University properties or as part of any University activity.

It is unlawful to sell, give, serve, or permit to be served alcoholic beverages to a person under 21 years of age. Furthermore, servers can be held civilly liable for damage caused by underage drinkers to whom they provided alcoholic beverages.

It is unlawful to be under the influence of, to use, possess, distribute, sell, offer, or agree to sell, or represent to sell, narcotics, hallucinogens, dangerous drugs, or controlled substances, except as where permitted by prescription or law.

Florida State University Use of Social Security Numbers

In accordance with *Florida Statute 119.071(5)*, students and employees should be aware that Florida State University collects and uses social security numbers for the purpose of performing certain University duties and responsibilities as follows:

- Certain aspects of employment related to federal tax reporting, generation and reporting of I-9 documents, direct deposit, insurance policies, retirement benefits, state and federal reporting requirements;
- Identification and verification of student records, including admission, registration, financial aid, and academic records, as well as verification of identity in connection with the provision of the University's services;
- State and federal reporting of student data as required by law;
- Release to contracted vendors for the purposes of state and federal reporting or provision of contracted services for the faculty, staff, and students of the University;
- Release to commercial entities engaged in the performance of a commercial activity provided the social security numbers will be used only in the performance of a commercial activity and provided the commercial entities make a written request for the social security numbers conforming to the requirements of *Section 119.071(5)(a)7b. (I)-(IV), Florida Statutes*.
- Release to the Florida Board of Governors as follows:
 - When necessary for the performance of the Board's constitutional duties and responsibilities, including but not limited to:
 - Collection of student and employee data from state universities. [Authorized by *Sections 483 and 484 of the Higher Education Act of 1965, Art. IX, s. 7, Fla. Const., Board Regulation 3.007, Fla. Stat. § 1001.706(5)(d), Fla. Stat. § 1008.31(3), and Fla. Stat. § 119.071(5)(a)6*]
 - In conjunction with tort claims and tort notices of claim against the Board of Governors [Required by *Fla. Stat. § 768.28(6), and Fla. Stat. § 119.071(5)(a)*]
 - When the disclosure of the social security number is expressly required by federal or state law or a court order [Authorized by *Fla. Stat. § 119.071(5)(a)6*]
 - When the individual expressly consents in writing to the disclosure of his or her social security number [Authorized by *Fla. Stat. § 119.071(5)(a)6*]

The University does not use social security numbers for student identification; instead the University creates a unique identifier for each student called the EMPLID.

Notification of Students' Rights under FERPA

The **Family Educational Rights and Privacy Act (FERPA)** affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student's education records within forty-five days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained

by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University's student record policy. You can obtain a copy of the policy from the Office of the University Registrar, *A3900 University Center, Florida State University, Tallahassee, FL 32306-2480*.

Note: Under Federal Statute, the University is authorized to and may release records to other institutions without notification to the student, when the student is applying for admission.

Release of Student Information

The disclosure or publication of student information is governed by the policies of Florida State University and the State of Education within the framework of state and federal laws, including the Family Educational Rights and Privacy Act of 1974.

The written consent of the student is required for the disclosure or publication of any information that is: (1) personally identifiable of the student and (2) a part of the educational record. Certain exceptions to that generality, both in types of information that can be disclosed and in access to that information, are allowed within the regulations of the Family Educational Rights and Privacy Act, as described in the following paragraphs:

- A. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of information in the educational record to (or for):
 1. Officials of the University with a legitimate educational interest. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility;

2. Certain government agencies;
 3. Accrediting organizations;
 4. Certain financial aid matters;
 5. Certain research circumstances;
 6. Health and safety emergencies;
 7. A court pursuant to order or subpoena, so long as the student is notified in advance of the University's compliance; and
 8. As otherwise provided by law.
- B. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of certain types of information for:
1. Portions of the educational record for which the student has signed a waiver;
 2. Portions of the educational record that are exempted by law including records of law enforcement agencies of the University; employment records of the student within the University as long as the student's employment is not predicated upon his or her status as a student; personal records of instructional, supervisory, or administrative personnel; and alumni records related to that student; and
 3. Records transmitted to another school or school system in which the student seeks or intends to enroll, since the University generally forwards these on request.

Note: More specific information regarding such exempted information can be obtained by contacting the Office of the University Registrar, A3900 University Center. For the complete text of the applicable statutes refer to Section 1006.52, Florida Statutes, 20 U.S.C. 1232g, and 34 C.F.R. §99.1, et seq. or write the U.S. Department of Education at 600 Independence Ave., S.W., Washington, D.C. 20202.

- C. **Prior consent of the student is not required** for disclosure of portions of the educational record defined by the institution as "Directory Information," which may be released via official media of the University:
1. Name, date, and place of birth;
 2. Local address;
 3. Permanent address;
 4. Telephone number (if listed);
 5. Classification;
 6. Major field of study;
 7. Participation in official University activities and sports;
 8. Weight and height of members of athletic teams;
 9. Dates of attendance at the University;
 10. Degrees, honors, and awards received;
 11. The most recently attended educational institution; and
 12. Digitized photo (Florida State University Card).

Important: The information above, designated by the University as "Directory Information," may be released or published by the University without prior written consent of the student unless exception is made in writing by the student.

Request to Prevent Publication of Directory Information

Students may inform the University in writing of the student's desire to prevent publication of such "Directory Information" or release of such information except as required by law. Appropriate forms for such action are made available by the Office of the University Registrar.

Caution: Until the University can develop the necessary sophistication in our data systems, a student's request to prevent the release of publication of some of the items of "Directory Information" may result in preventing the publication of all items on that list, including graduation lists, honors, and award lists. The student can help avoid such errors with a gentle reminder to the Office of the University Registrar.

For complete information related to the policies outlined above or concerning the procedures regarding waivers and consent forms, or to challenge the accuracy of the educational record, please contact: *Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.*

Policy for the Use of Photographs and Videos in University Publications

Florida State University randomly and routinely photographs and makes videos on the main campus, branch campuses, and the international and de-

partmental programs for educational and promotional purposes. These photographs and videos appear in official University publications and materials, which include but are not specifically limited to, *General Bulletin* (undergraduate and graduate), *Registration Guide*, Office of Admissions brochures, international program materials, departmental and college brochures, University Web sites, and other University information publications. For further information contact Media Relations at (850) 644-4030.

Illegal Downloading of Copyrighted Songs and Movies

Downloading and distribution of copyrighted music, movie and other entertainment files from online distribution sites that offer these items **free of charge** is illegal, in direct violation of the federal Digital Millennium Copyright Act, the Florida State University Student Conduct Code, and the Florida State University Policy OP-H-6 "Use of University Information Technology Resources."

Illegal downloading and file sharing of copyrighted music, movies or other entertainment files is intellectual property/copyright infringement. Illegal downloading and file sharing activities maliciously expose the University's network, computing systems and personal computers to destructive computer malware (viruses, spyware, worms, trojan horses, rootkits, keystroke loggers, etc.), and denial of service attacks. Illegal downloading activity significantly increases the risk of exposure to personal identity theft and irreparable or costly damage to both University and personally owned computing devices.

The potential consequences of illegal downloading and file sharing are extremely serious. There are both civil and criminal penalties for illegal downloading and file sharing:

- In a civil suit, an infringer may be liable for a copyright owner's actual damages plus any profits made from the infringement. Alternatively, the copyright owner may avoid proving actual damage by electing a statutory damage recovery of up to \$30,000 or, where the court determines that the infringement occurred willfully, up to \$150,000. The actual amount will be based upon what the court in its discretion considers just. See 17 U.S.C. § 504.
- Penalties to be applied in cases of criminal copyright infringement [i.e., violations of 17 U.S.C. § 506(a)], are set forth at 18 U.S.C. § 2319. Congress has increased these penalties substantially in recent years, and has broadened the scope of behaviors to which they can apply. Statutory penalties are found at 18 U.S.C. § 2319. A defendant, convicted for the first time of violating 17 U.S.C. § 506(a) by the unauthorized reproduction or distribution, during any 180-day period, of at least ten copies or phonorecords, or one or more copyrighted works, with a retail value of more than \$2,500 can be imprisoned for up to five years and fined up to \$250,000, or both. 18 U.S.C. §§ 2319(b), 3571(b)(3).
- Defendants who have previously been convicted of criminal copyright infringement under 18 U.S.C. § 2319(b)(1) may be sentenced to a maximum of ten years imprisonment, a \$250,000 fine, or both. Finally, a defendant is guilty of a misdemeanor violation if he violated rights other than those of reproduction or distribution, or has reproduced or distributed less than the requisite number of copies, or if the retail value of the copies reproduced or distributed did not meet the statutory minimum, or if other elements of 17 U.S.C. § 506(a) are not satisfied. Misdemeanants can be sentenced a maximum of one year and can be fined a maximum of \$100,000. See 18 U.S.C. §§ 2319(b)(3), 3571(b)(5).

Law firms representing the entertainment industry aggressively investigate instances of music and movie "pirating", and upon identifying the offenders, are increasingly invoking the applicable laws to reap financial settlements and awards totaling thousands of dollars.

The University is not legally empowered to protect, represent, advise or otherwise assist students who become subject to legal proceedings because of copyright infringement. Students who are sued, offered an out-of-court settlement, or cited for criminal copyright infringement must obtain their own legal representation.

In addition to civil and criminal penalties, violators will be subject to the University's disciplinary proceedings:

- **Student Conduct Code** (<http://dos.fsu.edu/srr/conduct-codes/student-conduct-code>): A student found to be in violation of provision (5)(c)1 is subject to the sanctions defined in Section (9). Examples of sanctions that may be imposed for violations of the Student Conduct Code include reprimand, service hours, probation, suspension, and dismissal.
- **Florida State University Policy OP-H-6 "Use of University Information Technology Resources"** (<http://policies.vpfa.fsu.edu/bmanual/itpolicy.html>): A student found to be in violation of provision C.1.a (11) may lose University computer privileges as defined in paragraph F.2.

General Bulletin Statement of Purpose and Notice

This *General Bulletin* is not a contract, either expressed or implied, between the University and the student, but represents a flexible program of the current curriculum, educational plans, offerings and requirements that may be altered from time to time to carry out the administrative, academic, and procedural purposes and objectives of the University. The University further reserves the right to withdraw a student from the University for cause at any time. Students are on notice that admission to the University or registration for a given semester does not guarantee the availability of a course at any specific time. * Please refer to the College of Engineering (COE) Schedule available in the COE Student Services Office or at http://www.eng.fsu.edu/current/exam_schedule.html. In instances of schedule conflict between the main campus and the engineering campus, the main campus schedule will take precedence. The engineering instructor will accommodate/reschedule to resolve the conflict.

University Final Examination Policy

- Scheduling a final examination or a test in lieu of a final exam at any time other than the regularly scheduled final exam period is a violation of University policy.
- Unless an exam is given during the final examination period, no test may be given during the last week of classes.

Courses meeting every day at the same hour and classes meeting for more than one time period will hold examinations according to the time and day of the first scheduled class meeting of the week. For example, a class meeting for the first period on Tuesday and for the first and second period on Thursday will hold its examination at the time scheduled for the first period on the Tuesday/Thursday class listing.

Exceptions to the Examination Policy for an Individual Undergraduate Student

Approval by the Academic Dean of the college in which the course is taught is required for an individual undergraduate student seeking an exception to the examination policy. The student must first receive written permission from the instructor if he/she is willing to give a rescheduled final exam at a specified time within the exam week. The student must then petition the dean, giving the reason for the requested exception, and supported by the instructor's written permission. The dean will then notify the instructor in writing if the approval is granted.

Rescheduled final examinations are permitted for an undergraduate student when justified by illness, conflicting examinations, three or more examinations within a twenty-four hour period, or certain emergencies. Arrangements should be made prior to the scheduled exam. If a student misses the scheduled final examination and does not have approval in advance for a resched-

Make-Up Examinations:

Friday	5:30 – 7:30 p.m.	8:00 – 10:00 p.m.
--------	------------------	-------------------

* Please refer to the College of Engineering (COE) Schedule available in the COE Student Services Office or at http://www.eng.fsu.edu/current/exam_schedule.html. In instances of schedule conflict between the main campus and the engineering campus, the main campus schedule will take precedence. The engineering instructor will accommodate/reschedule to resolve the conflict.

uled exam within the final exam week, it is up to the instructor to decide if a make-up examination will be allowed. No special dean's office permission is required.

In case of conflicting examinations, block examinations take precedence over examinations scheduled by class meeting time and higher enrollment classes take precedence over lower enrollment classes. In the case of conflicts that cannot be otherwise resolved, the course meeting earlier by day and time takes precedence over a course meeting later.

Note: The possibility of a conflict between final exam times exists, particularly for courses that meet in the evening or only once each week. It is the student's responsibility to identify if a conflict exists and immediately make special arrangements with the instructor to take the exam at an alternate time. Conflicts not resolved at least one month in advance of the scheduled exam must be resolved by using the established make-up time.

Exceptions to the Examination Policy for an Undergraduate Class

Courses that utilize the University Assessment Center for a block exam, or which are otherwise limited to specific days and times because of seating and scheduling constraints, will take precedence in the case of final exam schedule conflicts. It is the student's responsibility to identify such conflicts as early as possible and to notify all instructors in advance so that accommodations may be made.

No instructor of an undergraduate course may give a final examination at a time other than that which appears on the Web site of the Office of the University Registrar unless he or she has obtained prior approval from the Undergraduate Policy Committee. Such approval must be requested, in writing, at least three weeks prior to the scheduled final exam. To reschedule a final examination without such approval places the instructor in jeopardy of administrative reprimand by his/her dean and the Vice-President for Academic Affairs.

Undergraduate Distance Learning Exams

If the instructor of an online course requires a final exam, the instructor shall have the prerogative to set the window during which a final exam is administered provided that the window is within the University's official final exam period. A final exam window must be disclosed in the course syllabus. Rescheduled final examinations are permitted for an undergraduate student when justified by illness, conflicting examinations, three or more examinations in a twenty-four hour period, or for certain emergencies. It is the student's responsibility to identify if a conflict exists and immediately make arrangements with the instructor to take the exam at an alternate time during the University's official final exam period. If a student has such conflicts, the final exams of the student's non-online classes shall have priority and the time of the online exam will be the first exam subject to adjustment. If such agreement cannot be achieved between the student and the instructor, then the academic deans of the units housing the various courses will consult to achieve agreement.

This explanation is intended only to clarify existing University exam policy for online classes and all provisions of University exam policy that do not conflict with what is stated above remain in effect.

International Program (IP) Sessions

International Programs offers an array of courses around the world. Unique sessions are used to designate courses offered through the International Programs Office. Students interested in Study Abroad should contact the International Programs Office. In some cases, these courses are offered in affiliation with international institutions and are subject to unique calendar dates. Unique “IP” sessions have been created so courses align with the institution and program dates. Key dates such as registration, first week of classes, drop/add, seventh week deadlines, etc., will be prorated according to the length of the session. These dates are different than International Program start and end dates. Students participating in the International Programs should check with that office about specific dates, registration appointments and fees, deadlines, or restrictions that might apply. Students must be admitted to an International Program in order to register for IP classes.

Eligibility

Students must complete both a University graduation check with the Office of the University Registrar and a departmental graduation check with the appropriate college prior to reaching one hundred semester hours earned. Registration stops may be placed on students who have exceeded ninety-nine semester hours earned but have not applied for both graduation checks.

Students Accept Both Fee and Grade Liability by Registering for Classes

To cancel registration, a student must drop all of his or her classes via the Web registration site before the first day of classes or must send an e-mail from his or her official myFSU account to registrar@fsu.edu no later than the fourth day of classes. Panama City students should e-mail registrar@pc.fsu.edu.

Students should be dropped from classes for non-attendance of the first class meeting. However, students are responsible for verifying that their schedule is correct by 11:59 p.m. on the fourth day of classes. Students are fee liable for all courses on their schedule after the fourth day. The University may cancel registration for non-payment of fees.

Annual student parking permits are obtained online at <https://transportation.fsu.edu/parking/parking-permits>. The Panama City campus does not require parking permits. However, Panama City students attending classes on the main campus will need to purchase a parking permit from Transportation and Parking Services on the main campus.

For account status and fee payments visit <http://www.fees.fsu.edu>.

- All students are urged to consult their advisor prior to registration, and some academic units mandate advising prior to registration.
- Health compliance requirements are at <http://healthcenter.fsu.edu/forms/forms.html>. The Student Immunization Record is the document that must be turned in. For students enrolling with International Programs, the IP Transient Student Immunization-Insurance record is the immunization record to submit. Students under the age of 18 must have a parent/guardian signature of the Student Immunization Record authorizing care at the Wellness Center before the student can be treated. Health insurance compliance can only be completed online at <http://studentinsurance.fsu.edu/>. Healthcare Compliance instructions give step-by-step instructions for compliance.

Note: First-time students may be required to register for preparatory Math and/or English courses to complete registration.

Undergraduate Academic Advisement

All degree-seeking students are expected to participate in academic advising before registering for classes each semester. Students should check their FSU e-mail regularly as that is the main mode of communication advisors use to contact their students. It is the student's responsibility to ensure that s/he has met prerequisites or corequisites for each course in which s/he enrolled. Further, any changes a student makes to his/her schedule without the advisement of an academic advisor is the responsibility of the student. All permits such as underloads, overloads (see the 'Course Load' section of this chapter), graduate course requests while an undergraduate, DIS, modified credit, and S/U grading should be discussed with an academic advisor. All such permits must then be approved by the student's academic dean. The student is responsible for ensuring that the Office of the University Registrar has copies of these permits on file.

Undergraduate students may find their academic advisor's contact information by going to their Student Center and checking the information provided in the "My Advisor" box or <http://advisor.undergrad.fsu.edu/advisors/advisor-display.php>.

Attendance Policies

First Class Meeting Attendance Policy

Attendance at the first class meeting is mandatory unless properly excused by the class instructor. Students who do not attend the first class meeting of a course for which they are registered are dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. This policy does not apply to any class added after the first official meeting of the course. **It remains the student's responsibility to verify course drops and check that fees are adjusted.**

Required Summer Attendance Policy

As of August 1976, all students entering a state university with fewer than sixty semester credit hours must earn at least nine semester hours prior to graduation by attending one or more Summer terms at one of the state universities. The University President may waive application of this rule in cases of unusual hardship to the student. Students initiate appeal through their academic dean to the Vice President for Faculty Development and Advancement (Board of Governors Rule 6C-6.016). Prior to 2011, students who had earned

nine semester hours of credit through approved acceleration methods (AP, IB, CLEP, and approved dual enrollment courses) were exempt from the Summer residency requirement. Effective 2011, this exemption is no longer available.

Note: Bright Futures scholarships are not awarded for Summer sessions.

FSU Card

FSUCard

The FSUCard is the key to your full Seminole Access! It is your official University ID and also provides access to the libraries, residence halls, buses, on-campus laundry and printing. It can also be used for vending, purchases at the FSU Bookstore and Computer Store, the UPS Store and much more. All students are required to have an FSUCard as their official ID. There is no charge for your initial card. If you should lose or damage the card, the FSUCard Center will replace it for a fee. An FSUCard semi-annual fee of \$5.00 applies to students each Fall and Spring semester. The FSUCard Center is located in the Woodward Avenue Parking Garage with the main entrance through the FSU Bookstore and is open from 8:00 a.m. to 5:00 p.m., Monday through Friday; (850) 644-7777; or e-mail fsucard@fsu.edu.

FSUCash

FSUCash is for on-campus purchases only and can be used at the following locations: Seminole Dining locations, the FSU Bookstore, the UPS Store, and more! FSUCash and Smartchip accounts with no activity for twelve consecutive months are assessed a \$5.00 monthly "inactivity" fee. This monthly fee is deducted from the FSUCash account until the account becomes active again by using it or the balance reaches zero. At no time will the inactivity fee cause the FSUCash account to go into a negative balance. Notification e-mails will be sent to affected card holders prior to assessing the fee, and current FSUCash balances can be checked using my.fsu.edu or by downloading the eAccounts mobile app for Android or iOS. For more information, please contact the FSUCard Center (located in the Woodward Avenue Parking Garage), 8:00 a.m. to 5:00 p.m., Monday through Friday; phone: (850) 644-7777; or e-mail: fsucard@fsu.edu.

Library Cards

Your FSUCard is also your library card. All library card users are subject to the regulations concerning library usage, the check-out of books and materials, and fines. **Note:** Students sixty years of age and older registered for tuition-free courses at Florida State University may obtain a library card by presenting proof of enrollment and identification to the staff at Strozier Library.

Florida State University EEMPLID

To better protect the identity of individuals within our campus community, Florida State University creates a unique nine-digit number identifier for each student and employee called the EEMPLID. This identifier system replaced the FSUSN system. To find your EEMPLID, follow the steps below:

- Login at <https://my.fsu.edu> and enter the Student Center.
- Click the Demographic Data link.
- Your EEMPLID is displayed under the heading *ID*.

Health Requirements

Immunization Requirements

The State Board of Education requires all entering students born on or after 1/1/1957 to complete Florida State University's Student Immunization Record and show documented proof of immunization against measles (rubella), German measles (rubella), and mumps prior to registration. College-age individuals living in residence halls, shared apartments, and other group housing are at an increased risk for developing meningococcal meningitis and hepatitis B—serious infections that can have devastating consequences. State of Florida law mandates that all University students be informed of the risks of infection. Students currently enrolled must either be vaccinated against meningococcal meningitis and hepatitis B or sign a waiver stating that they have declined to receive the vaccine. All students are required to show proof of two MMR's, meningococcal meningitis, and hepatitis B vaccinations before they are permitted to register for classes. Information about these vaccinations may be obtained at University Health Services or online at <http://healthcenter.fsu.edu/forms/forms.html> at **Vaccine Information**.

All students are required to complete and submit the Student Immunization Record to University Health Services before registration. Students born before 1/1/1957 must complete the form and decline the meningococcal meningitis

and hepatitis B vaccines. The form with its specific instructions is available at <http://studentinsurance.fsu.edu>. Click on the Immunizations Information tab. Please call (850) 644-3608 if you need assistance.

Health-Insurance Requirement

All new full-time students at Florida State University must show proof of health insurance coverage before being permitted to register for classes. Additionally, all non-United States citizens in F or J status, regardless of their credit load, are required to show proof of health insurance as a condition of their admission to the University.

To purchase the FSU-sponsored health insurance:

- Go to the student insurance Web site: <http://studentinsurance.fsu.edu/>.
- Click on the flashing red and black link on the top right-hand side of the page: **Purchase Insurance Click Here**.
- Log in. You will need your FSUID and password to log in. There are prompts on the screen if you need to activate your FSUID.
- Select the Purchase FSU Insurance button. Follow the prompts. Do not purchase the student health insurance just to be able to register for classes. The insurance purchase will clear the student for the length of coverage purchased. Insurance can be purchased for annual coverage, for Fall semester only or for Spring/Summer. No Spring only option is offered. Summer only is offered for students beginning at FSU during the Summer term.

To Waive the purchase of the FSU-sponsored health insurance:

- Go to the student insurance Web site at <http://studentinsurance.fsu.edu/>.
- Click on the flashing red and black link on the top left-hand side of the page, **Waive Insurance Click Here**.
- Log in. You will need your FSUID and password to log in. There are prompts on the screen if you need to activate your FSUID.
- Click on My Policies. Click on New. Complete the information. Click Submit.

If you added a new policy, either click on the blue link at the top of the page: **I Have Health Insurance**, or close the screen and then select the I Have Health Insurance button. Select the term and year for which you wish to register. Follow the prompts.

The insurance waiver, when successfully completed, should clear the student for three terms.

If you will not be enrolling as a full-time domestic student, request a credit hour underload each semester by either calling the Health Compliance Office at (850) 644-3608 or sending an e-mail to healthcompliance@fsu.edu.

Students seeking degrees in majors where they are exposed to particular hazards associated with the major are required to carry health and accident insurance prior to registration every Fall. The Film School, College of Medicine, and College of Nursing have additional health insurance requirements for their students. Check with your department for any additional insurance requirements associated with your major.

Health Insurance Questions

Questions about basic health insurance coverage or purchasing school sponsored health insurance can be addressed to the Health Compliance Office at (850) 644-3608. Questions about specific benefits included in the school sponsored health insurance should be addressed directly to United HealthCare Student Resources, the University's Health Insurance carrier, at (800) 767-0700. Billing questions for services rendered at University Health Services should be addressed to the billing office at (850) 644-1640. Students insured by other carriers should contact their carriers for policy limitations and special requirements. The plan brochures and summaries of coverage and benefits for the Student health plans are posted on the United HealthCare Web site (<http://uhcsr.com/fsu>). The student health plan does not cover participation in inter-collegiate athletics. Contact Nick Pappas at (850) 645-2700 for more information for insurance for athletes. The student health plan does cover cheerleaders and members of the Golden Girls as sports club members.

Official myFSU E-mail Accounts for All Students at Florida State University

The official method of communication at Florida State University is your myFSU e-mail account. In order to stay informed and aware, you are required to set up and maintain your account and check it three times per week. If you choose to have your myFSU official account forwarded to another e-mail account, you are still held responsible for all information distributed by the University to your myFSU account. To activate your myFSU e-mail account, visit <http://my.fsu.edu> and click the link "Activate your FSUID."

Personal Identification Numbers (PIN) Codes

FSUCard/SunTrust Banking PIN

This PIN is used for ATM withdrawals and deposits for SunTrust, PLUS Network, and POS purchases through the Interlink System. The PIN can be changed to a number(s) that each student may be reminded of either by contacting customer service or by visiting the appropriate campus office. Florida State University recommends that students do not keep this PIN written in their wallets.

The Registration Process

Step 1: Obtain the Florida State University FSUCard

- See the "FSUCard" section of this chapter and activate your FSUID, if you have not already done so.

Step 2: Prepare for Registration

- Be careful to select courses that have sufficient time between the start and end that you can get from one course to another.
- Consult the *General Bulletin* or *Graduate Bulletin* to check if a course requires a laboratory or has pre- or corequisites that must be completed prior to enrolling in the class. Students are responsible checking for these requirements as the system does not.
- Search for classes through the "Search for Classes" button on your Student Central Student Center main page accessed through the myFSU portal. Helpful information on using the Class Search as well as step-by-step instructions are located at <http://sc.my.fsu.edu/Students/How-to>.
- Search for alternate courses as well.
- Consider using the Schedule Assistant tool in the portal and on your Student Center page to find, view, and select from a number of different schedule options that may work for you. This tool allows you to build in breaks and lock in specific classes or instructors as needed.
- Make certain you have met your immunization and health insurance compliance requirements.

Step 3: Register through the myFSU portal at <http://my.fsu.edu>

- You can use the myFSU portal to register or perform drop/add any time during the enrollment appointment assigned to you by the number of credit hours you have earned toward graduation. You cannot register after the ending date of your assigned enrollment appointment.

Note: Be prepared to request non prime-time course sections to complete your schedule. Be persistent; the effort you spend during registration will save you a great deal of time and effort during the drop/add period.

- Step-by-step instructions on how to complete the registration process are located at <http://sc.my.fsu.edu/Students/How-to>.
- The system does not allow you to register for more than eighteen semester hours. Your academic dean can provide overload authorization. To register for overload hours, you must go to the Office of the University Registrar. See the "Course Load" section of this chapter.
- The system allows you to register for an underload, but you still must obtain authorization from your academic dean. Remember, if you register for an underload as a domestic student, you may request exemption from the health insurance requirement from the Health Compliance Office. Students enrolling for at least three credit hours may purchase the student health insurance on a voluntary basis.

Step 4: Pay Tuition

- Tuition must be paid by the posted deadline at <http://studentbusiness.fsu.edu>. Visit <http://my.fsu.edu> for account status and fee-payment options.

Course Load

For Summer semester, the following course loads apply:

Session	A	B	C	F
Maximum	15	9	9	14
Minimum	9	6	6	9

For any combination of sessions, the maximum is fifteen and the minimum is nine hours.

For Fall semester, undergraduate students in good standing may register for as many as eighteen semester hours in one semester and as few as twelve semester hours in one semester. Full-time course load is twelve semester hours or more in the Fall.

Should a student wish to register for fewer or more than the allowed hours, “Overload/Underload” approval must be obtained from the appropriate academic dean. All students receiving approval for “Overload/Underload” from their academic dean must submit the approval to the Office of the University Registrar. No student may register for more than twenty-one hours per semester. Full-time undergraduate students should take an academic load that will enable them to graduate within four years, typically fourteen to fifteen hours per semester. Students should take into account the requirement to take nine hours of credit in the Summer.

International undergraduate students must enroll in at least twelve semester hours during each of the Fall and Spring semesters to maintain legal immigration status. International graduate students must enroll in at least nine semester hours, except in some specific cases. An international student advisor may authorize a reduced course load for a few specific reasons. International students who wish to enroll in a reduced course load for a given semester must submit a request for authorization to an advisor at the Center for Global Engagement before the end of the drop/add period for that semester. An unauthorized reduction in course load may result in serious immigration consequences. For a complete definition of full course of study for immigration purposes, to access the reduced course load information and request forms, please refer to <http://www.cge.fsu.edu>.

For graduate students, the minimum number of hours allowed is twelve per semester and the maximum is fifteen.

Drop/Add or Changes of Schedule

During the first four days of classes, individual courses may be added, dropped, or sections of a course changed through the myFSU portal from the My Courses portlet on the Student Home page; visit <http://sc.my.fsu.edu/Students/How-To/Drop-a-Class-from-an-Open-Enrollment-Term-Current-or-Future> for step-by-step instructions. **Students are financially liable for all courses appearing on their schedule after the fourth day of classes.** Courses may be dropped after the drop/add period and through the seventh week of classes with the exception of mandated college preparatory courses, freshman English composition courses, certain liberal studies courses, and courses involved in allegations of academic dishonesty; however, tuition charges remain. Approval by the student’s academic dean is required to reduce the academic load below twelve semester hours or increase an academic load above eighteen semester hours (to a maximum of twenty-one semester hours). Courses dropped during this period do not appear on the student’s transcript. To add courses after the first four days of classes requires the academic dean’s approval.

A cumulative maximum of two courses may be dropped **between the eighth and twelfth week** of classes during the semesters in which the undergraduate student has earned fewer than sixty hours of college credit; tuition charges will remain. An undergraduate student may only drop one course after earning sixty hours of college credit and until graduation; tuition charges remain. Approval by the student’s academic dean is required. Courses dropped during this period appear on the student’s transcript with the notation “W”. See the “Academic Calendar” in the *Registration Guide* for semester-specific deadlines.

Except in cases where a student is petitioning to use one of the three drops allowed under the policy above, any course drop petition after the seventh week of classes (with dates prorated for individual Summer sessions), will be considered only in documented exceptional circumstances that are beyond the student’s control, as determined by the student’s academic dean. Academic deans exercise their administrative and academic judgment in making final determinations about drop eligibility. Such courses appear on the student’s transcript with the notation “WD.” Students who register for courses but who do not attend the classes receive grades of “F” if the courses are not officially dropped. Students changing from a previous bulletin year should consult their academic dean regarding limitations concerning the policy described above.

Course drops are never approved when there are unresolved allegations of academic dishonesty in a course or when a course grade reflects an Academic Honor Policy penalty.

Registration by Student Categories

Non-Degree Seeking Students

All new non-degree seeking students on the main campus will be assessed a non-refundable application fee of \$30.00, paid at the time of application. For specific policies concerning the registration and status of non-degree seeking students, consult the General Bulletin. For additional information, contact the Office of Admissions, *University Center Building A2500*, (850) 644-6200. Procedures and residency requirements for non-degree seeking student registration are the same as for regularly enrolled degree-seeking students as described on the preceding pages.

State Employees

Full-time state employees may use the State Employee Tuition Waiver to register for Florida State University classes. Individuals using the State Employee Tuition Waiver must be fully admitted degree-seeking or non-degree seeking students. Registration in classes using the State Employee Tuition Waiver is limited to a space-available basis and takes place during the regular registration appointment assigned to each student. Florida State University does not consider the following as space-available courses: approved undergraduate limited access programs; dissertation, thesis, and directed individual study (DIS) courses; internship courses; audited courses; non-state funded courses (including some distance learning courses that are funded solely by student tuition and fees); Center for Administrative and Professional Development (CAPD) courses; College of Medicine courses; College of Law courses; and other one-to-one instruction courses. Accordingly, State Employee Tuition Waivers may not be used for these courses.

Florida State University accepts only the official State Employee Tuition Waiver Form available online at http://registrar.fsu.edu/records/waivers/state_employee. Agencies may require additional paperwork or forms that will not be accepted unless accompanied by the State Employee Tuition Waiver Form.

State employees using a tuition waiver must obtain supervisor signatures and academic departmental approval on the tuition form and then scan and e-mail the signed and completed tuition waiver form to CTL-StateEmployee@fsu.edu by the tuition payment deadline.

Additional restrictions and deadlines apply. For additional information, including the link to download the State Employee Tuition Waiver Form, see the Office of the University Registrar’s Web site at <http://registrar.fsu.edu/records/services>.

FSU Employees

Employees of Florida State University intending to take Florida State University classes may do so through the FSU Employee Scholarship program. See the Human Resources web site at http://www.hr.fsu.edu/index.cfm?page=benefits/benefits_perks/benefits_perks_employee_scholarship for details, restrictions, and deadlines.

FAMU—FSU Students

Consult the “Academic Calendar” in this *Registration Guide* for registration dates. Under a cooperative arrangement with Florida A&M University, Florida State University students may take courses at FAMU that will count as credit earned at Florida State University. Courses offered at Florida State University may not be taken at FAMU. Exceptions may be granted by your academic dean, whose office also determines eligibility based on courses already completed at Florida State University. Students taking courses at the host university on a satisfactory/unsatisfactory (S/U) basis will be held to the home institution policies regarding the total number of courses allowed on S/U basis or in a specific degree or major. Students are encouraged to consult their academic advisor about any limitations prior to registration. For additional information, as well as forms to be completed, please see http://registrar.fsu.edu/records/services/co_op.

Floridians over Sixty Years of Age

All fees are waived for persons sixty years of age or older who are Florida residents and who attend credit classes.

Under this tuition-free option, registration is allowed on a space-available, audit-basis only (see below) and does not include thesis, dissertation, applied music courses, or other courses requiring individual instruction.

No credit will be given and no permanent record will be maintained.

Audit forms are available online or from the Office of the University Registrar. Proof of age and Florida residency must be presented to the Office of the University Registrar to validate audit waiver eligibility.

Student Cancellation of Schedule

Note: Undergraduate and non-degree seeking students who cancel their registration and were not enrolled for the preceding two semesters (non-enrollment for three consecutive terms) must apply for readmission. All graduate, law, and medicine students who cancel their registration and were not enrolled for the preceding semester (non-enrollment for two consecutive terms) must apply for readmission.

Prior to the first day of classes, a student may cancel his/her registration by dropping all courses using the myFSU portal registration system.

Prior to and during the first four days of a semester or Summer session, a student may cancel registration online through the myFSU portal registration system or by submitting a written request to:

Office of the University Registrar
 Florida State University
 Room A3900 UCA
 282 Champions Way
 P.O. Box 3062480
 Tallahassee, FL 32306-2480

registrar@fsu.edu (or registrar@pc.fsu.edu for Panama City Campus students); e-mail must originate from the student's fsu.edu account.

Students who cancel registration within this time frame are not liable for tuition; if tuition has been paid, students should request a refund from the Office of Student Business Services.

Beyond the fourth class day students cannot cancel registration, but must officially withdraw from the University through Withdrawal Services, at *A4300 University Center, Tallahassee, FL 32306; (850) 644-1741*. Panama City students should contact Student Affairs, *Barron Building, Panama City, FL 32405; (850) 770-2172*.

The University may automatically drop students for non-payment of tuition. See, 'Cancellation of Student Schedules for Non-payment of Tuition and Fees' for more information.

International students who wish to cancel their registration must request and receive prior authorization from a Center for Global Engagement advisor. In addition, international students should submit the SEVIS Update Form available at <https://cge.fsu.edu/>.

Students who have selected the student health insurance and cancel their schedules must notify the Health Compliance Office at healthcompliance@fsu.edu. Insurance charges are NOT automatically removed from the student's account when their schedules change.

Auditing Courses

Seating privileges will be afforded to currently enrolled students and non-students on a space-available basis after registration. Admission to Florida State University is not required; no credit will be given and no permanent record will be maintained for audited courses. Standard tuition costs do apply.

Procedures

During the first week of classes, obtain the audit approval form online at http://registrar.fsu.edu/forms/audit_registration.pdf or you may pick up an audit approval form from the Office of the University Registrar.

Fill out the form and obtain both the instructor's approval and clearance from University Health Services.

Return the approved form to the Office of the University Registrar for final approval and class registration. Registration must be completed to attend a course.

Pay fees during fee payment at *A1500 University Center*. No waivers or deferments may be used, except for those age sixty or over.

Present the form to your instructor at the next class meeting.

Note: If you have already registered for the course you wish to audit, you must drop it within the first week of class, before the audit request can be processed.

For the policy for audited-course refunds please refer to the "Financial Information" page of this publication.

Withdrawal

All students (degree-seeking and non-degree) who wish to leave the University after the fourth day of a term must officially withdraw from the University no later than seven days prior to the last day of the semester or term. See the "Academic Calendar" for the specific deadline date. For more information, contact Withdrawal Services at *(850) 644-1741*. Students who withdraw within the first seven weeks of a term (to be adjusted accordingly for Summer term and session) have no liability for grades. Under documented exceptional circumstances (beyond the student's control), as determined by the appropriate academic dean, a student withdrawing from the University may receive "WD" grades in all courses taken that term. Students who do not officially withdraw will be assigned a grade of "F" for each course for which they are registered but fail to attend. These grading policies also apply to courses taken S/U.

International students who wish to withdraw must request and receive prior authorization from a Center for Global Engagement advisor. In addition, international students should submit the SEVIS Update Form, available at <http://cge.fsu.edu/>.

For additional information regarding withdrawals, including fee liability, please refer to the "Withdrawals and Return of Financial Aid" section of this *Registration Guide*.

Students who have selected to purchase the student health insurance must notify the Health Compliance Office in writing at healthcompliance@fsu.edu.

edu of withdrawal from the University. Students withdrawing before the 31st calendar day of the term for which the insurance was purchased will receive a full premium refund less any claims paid. Students withdrawing after the 31st calendar day of the term for which insurance was purchased can only request cancellation of the insurance if they are leaving the University to join the military. Otherwise, they have met the attendance requirement to keep the coverage and the charges on their account will be due as posted at Student Business Services.

Exam Schedule

For the current exam schedule, please visit the Office of the University Registrar's Web site at <http://registrar.fsu.edu>.

Grade Reports

Semester grades are reported via the myFSU portal at <https://my.fsu.edu> through the My Courses portlet. Grade changes processed after the initial grade posting will not display and may be viewed on the unofficial transcript.

Enrollment Verification

All student enrollment and degree verifications will be by official request only. Students who need enrollment verification should submit a request online at <https://my.fsu.edu>. Go to the Student Center and select "Enrollment Verification" under the Academics section. If the student requests the institution to mail their verification letter, their letter will be processed the following business day. When submitting requests to be mailed, students must make sure they complete all mailing address information. Written requests may be submitted to:

Office of the University Registrar
 Florida State University
 Room A3900 UCA
 282 Champions Way
 P.O. Box 3062480
 Tallahassee, FL 32306-2480

Former students or outside agencies may request an enrollment verification or degree verification online from the National Student Clearinghouse at <http://www.degreeverify.org>.

Privacy of Student Records

Parental or Third Party Access to Records

Students may give a designated parent(s) authority to review their University financial status by logging onto <https://my.fsu.edu> and clicking the "Share My Information" button in the Student Center. Granting access to a parent or third party to view information in this manner also authorizes University personnel to discuss those records with the designated parent or third party.

Phone Monitoring

Students should be aware that phone calls placed to Florida State University's interactive telephone network may be periodically monitored to ensure that the appropriate quality control is maintained.

To Prevent Publication of Directory Information

The educational record designated as Directory Information may be released or published by the University without prior written consent of the student, unless exception is made in writing by the student. Appropriate forms are available in the Office of the University Registrar. Such written exception must be received prior to the first class day of the academic year. Once received, that request will remain in effect until notification to the contrary is received by the Office of the University Registrar. Directory Information includes:

1. Name
2. Date and place of birth
3. Local address
4. Permanent address
5. Telephone number (if listed)
6. Classification
7. Major
8. Participation in official University activities and sports
9. Weight and height of athletic team members
10. Dates of attendance
11. Degrees, honors and awards received

12. Most recently attended educational institution
13. Digitized FSUCard photo

Note: By submitting a request to prevent the publication or release of directory information you may be blocking the verification or publication of directory information, including but not limited to, the following: academic certification requests by or for employers, insurance companies, etc.; requests for information by or for parents, spouses, or other family members; publication in the Seminole Guide book, commencement program, or other media acknowledging a relationship between you and the University.

Notification of Student Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights are:

- The right to inspect and review the student's educational record within forty-five days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's educational record that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's educational record, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University's student record policy. You can obtain a copy of the policy from the *Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.*

Community Service

The Center for Leadership & Social Change

The Center's mission, to transform lives through leadership education, identity development, and community engagement, is a thread that is woven throughout our work. We encourage students to learn, serve, and transform through programming that encompasses diversity, leadership, and service. The Center provides education and learning programs for students of all lev-

els along with professional development opportunities for faculty, staff, and community members. Some of these classes, seminars, retreats, and hands-on learning experiences include Service Learning, Leadership LOGIC, and Social Justice Ally Training. The Center serves as an outlet to engage in community action through initiatives such as CommUNITY Dialogue Series, Community Outreach Programs, and Partnered Student Organizations. With more than forty programs, the Center provides opportunities for any schedule, ranging from low commitment (one to a few hours) to high commitment (a semester, year, or four years). There is something for everyone!

Students are welcome to schedule a meeting with an advisor. To schedule an appointment, go to the "Get Involved" section of the Web site at <http://thecenter.fsu.edu> or visit the Center. The Center also offers the ServScript Program which allows Florida State University students to enhance their official academic transcript by documenting their service hours online.

For more information, contact the *Center for Leadership & Social Change, Division of Student Affairs, Dunlap Student Success Center, 100 S. Woodward Avenue, Tallahassee, FL 32306; (850) 644-3342; Fax: (850) 644-3362; Web site: <http://www.thecenter.fsu.edu>; e-mail: thecenter@fsu.edu.*

ServScript Program

The purpose of the ServScript Program is to formally recognize students' demonstrated commitment to community service. This commitment is documented through the description of students' community service hours on their official FSU academic transcript. Transcripts are student records of scholarly achievement; as such, the ServScript program has created guidelines to clarify and recognize community service of consistent quality. To qualify for the ServScript Program, service hours cannot be court ordered or sanctioned, must be unpaid, and must benefit or contribute to the solution of a community need. They also must be completed and submitted within the same semester, no later than the deadline for each semester.

The ServScript Program is designed to encourage students to contribute their skills and resources to serve others. Through informed service, students gain compassion for others and the challenges they face. Recognizing these challenges, and the power of individual action to effect change, students may develop a commitment to practice social responsibility throughout their lives.

To participate in the ServScript Program, students need to print a ServScript Program form and keep track of their service hours on that form. Those hours must also be signed and verified by a supervisor. Students then log on to <http://my.fsu.edu> and select the ServScript Program Application from the Student Services section. Here, students can transfer information from their ServScript Program form to the online system. Service hours are only accepted for the current semester, and must be entered online by the deadline, which is the last day of the semester. The ServScript form and additional information about the program are available online at <http://thecenter.fsu.edu>.

Graduation

Undergraduate students should request a graduation check from the Office of the University Registrar two terms prior to their anticipated graduation date, or at the time they have earned ninety hours of credit. A second check should be completed in the office of their Academic Dean one term prior to their anticipated graduation. Registration stops will be placed on students who have earned one hundred semester hours, including current term registration, but have not completed the graduation check. Graduate students should check with their department regarding degree requirements. Application for graduation must be made by the published deadline; students can apply online through the myFSU portal; refer to <http://sc.my.fsu.edu/Students/How-to/Apply-to-Graduate> for step-by-step instructions. Students who graduate in Summer 2017 must apply for and be readmitted to register for Fall 2017 or any subsequent term. Likewise, students who graduate in Fall 2017 must apply for and be readmitted to register for Spring 2018 or any subsequent term.

Reminder e-mails are sent for insurance compliance. The system presumes everyone will be enrolling as a full-time student for ensuing terms. If you are graduating, the registration hold for the following term will not stop your graduation, delivery of your diploma or a request for transcripts.

Facilities and Equipment Fees

Florida State University assesses fees for temporary use of equipment that is essential to the core curriculum of select classes and majors. These fees are assessed by major or class enrollment, as described below, regardless of whether students elect to use this equipment.

Payments can be made at Student Business Services, *A1500 University Center*. Payment is due concurrent with tuition and fees for each term. Full or partial refunds may be granted pursuant to the University's tuition and refund policy.

A "stop" will be placed on the registration of all students who have not paid the fee or have been granted a waiver. In such case, students will not be able to register for classes, receive transcripts, or receive a diploma.

Fees will be placed in an auxiliary account for the purchase, repair, and maintenance of the equipment. Students will be responsible for the damage or loss of equipment. The college will assess the student for damage and loss charges and will submit the charges to Student Business Services for collection.

The areas are listed below:

Late Registration & Fee Payment Waivers

Requests for waiver of the \$100.00 Late Registration and/or Late Payment Fee may be submitted in person to the Office of Student Business Services, *A1500 University Center, Tallahassee, FL 32306-2394*. Waiver forms are available online at <http://controller.vpfa.fsu.edu/Student-Business-Services/Student-Business-for-Students/Forms>.

Waivers may be granted in situations involving administrative error or unusual circumstances beyond the control of the student. Students will be required to present written documentation of the circumstances involved.

Note: Lack of awareness of the deadlines or lack of funds are not valid reasons to waive the late payment fee or late registration fee.

Refund of Fees

Students who drop a course without fee liability after their tuition and fees are paid, due to documented extenuating circumstance or administrative error, may be eligible for a tuition refund. Any amount paid in excess of the amount owed to the University during the semester/term will be carried forward and may be applied against subsequent University charges or may be refunded upon request. Any outstanding charges owed to the University will be deducted, and the balance will be issued as a refund. Refunds requested during the fiscal year close-out, during the last two weeks of June, will not be processed until the first week of July. The refund will be processed as a credit to the student's bank account for currently enrolled students. However, payments made by credit card will always be refunded to the credit card.

Students who withdraw after the fourth day of the semester/term, but prior to the end of the fourth week of the semester (or for Summer sessions, by the first twenty-five percent of the term) are eligible for a twenty-five percent refund of tuition and fees. After this period, students who withdraw are held fully liable for fees. Students who withdraw and have received federal financial aid (Title IV programs) or state aid may be required to repay to the aid source the amount of unearned financial-aid funds disbursed to them as of their withdrawal date as described in the section below on "Withdrawals and Return of Financial Aid." In the case where a withdrawal petition is approved, a refund can be provided only if the refund withdrawal request is submitted within six months after the end of the semester in which the withdrawal occurred.

Note: The following fees are non-refundable: Web payment credit-card processing fees, admission deposit, admission application fee, FSUCard, and other fees as specified by certain schools or departments.

Financial Aid

Fees and Financial Aid Students

The University distributes aid in two ways for all registered financial aid students whose funds are available to the Office of Student Business Services on the distribution dates as published. For the most current information, go to <http://studentbusiness.fsu.edu>. Students must complete the Student Permissions. Students may complete the Permissions through the Student Center at <https://my.fsu.edu>. Choose one of the following two ways to receive financial aid:

- By Electronic Funds Transfer (EFT) to your FSUCard Account at Sun Trust. Approximately ninety percent of the student body receiving financial aid at Florida State University have chosen to process their aid electronically and take advantage of the fastest and most reliable method of receiving their financial aid; or

- By Electronic Funds Transfer (EFT) to any bank account. Students must provide the bank's routing number and account number if this method is chosen.

Students must check their status at <https://my.fsu.edu>. In order to receive your aid, you must comply with Financial Aid terms and conditions located at <http://financialaid.fsu.edu/Resources/Terms-and-Conditions>. Students must confirm that their financial aid file is complete prior to disbursement by going to <https://my.fsu.edu>.

If you have any questions, please call (850) 644-9452 at the Office of Student Business Services. For information about your FSUCard account at SunTrust, call 1 (800) 786-8787. For financial aid questions, please contact (850) 644-0539.

Deadline: If the financial aid is not sufficient to cover all charges, the student is responsible for paying the balance by the tuition payment deadline, (see the "Academic Calendar" in this *Registration Guide*). After this date, a \$100.00 late payment fee is assessed and grades will be held at the end of the semester until fees are paid in full.

Note: Financial Aid students who are having their tuition paid by an agency, department billing, or Florida Prepaid College Program should submit the required documents no later than the third day of the semester (see the "Academic Calendar" in this *Registration Guide*). The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted payment due date.

Deferments: Financial aid deferments may be granted to students whose aid is not available by the published tuition deadline. Not having applied for financial aid is not a valid reason for applying for a deferment. The deadline to request a deferment is the tuition payment deadline. When deferments expire, students must pay their unpaid tuition balance in full or receive a late fee after the deadline. If tuition is not paid, students will not be able to register for future classes, receive a delayed delivery loan, grades, or transcripts. Students must confirm that their financial aid has arrived and that all requirements have been met by the deferment expiration date. Go to <http://my.fsu.edu> (from *Student Account Quicklinks*, click *Account Statement*) you then will see your courses and fees detailed. With your temporary deferment, your total balance due may show "\$zero" for the "Current Term Tuition." When your financial aid arrives, the screen will show how much has been paid toward your tuition. You must ensure your financial aid pays your tuition by the deferment deadline, or you may be assessed a late payment fee of \$100.00. You may check your financial aid status at <http://www.financialaid.fsu.edu>. For questions, please contact the Office of Financial Aid at ofacs@fsu.edu or (850) 644-0539.

Withdrawals and Return of Financial Aid

Per federal regulation (34 CFR 668.22), students who withdraw and have received financial aid will be required to repay to the program sources the amount of unearned financial aid funds disbursed to them as of their withdrawal date. The unearned amount of program funds are calculated based on the last date of academic activity which indicates the percentage of the semester completed.

Both the University and students receiving financial aid are required to return unearned financial aid to the aid source. Title IV aid programs are repaid in the following order: Unsubsidized Federal Stafford/Direct Loans, Subsidized Federal Stafford/Direct Loans, Federal Perkins Loans, Federal PLUS/Direct PLUS Loans, Federal Pell Grants, FSEOG Program Aid, and Teach Grants.

The University is required to return the unearned portion of the financial aid funds it received from withdrawing students that was used to pay institutional charges such as tuition, fees, housing, and other education-related expenses assessed by the institution. The funds returned to the aid source by the University will be credited against the students' total liability of unearned funds. However, students will owe the University the amount returned to the aid source for institutional charges. In addition, any student who receives Title IV funds, who stops attending classes during the semester, and does not officially withdraw from the University, is considered an unofficial withdrawal according to Title IV federal regulations. The University is required to return unearned financial aid to the federal government for all unofficial withdrawals in the same manner as students who withdraw officially.

Students who owe grant and/or loan overpayments remain eligible for Title IV program funds for forty-five days, if, during those forty-five days the student: 1) repays the overpayment in full to the University; 2) enters into a repayment agreement with the University; or 3) enters into a repayment agreement with the Department of Education. Entering into a repayment agreement does not mean the student is eligible to register for additional classes, receive a transcript, diploma, etc. Students can lose financial aid eligibility if they do not comply with the options above and should consider their repayment responsibilities for these programs as part of any withdrawal decision. Please contact the Office of Financial Aid for the most current restrictions on eligibility.

Bright Future Repayment Requirement

Florida Statute requires that students who drop or withdraw from any course(s) must repay any Florida Bright Futures Scholarship disbursed for the course(s). *Section 1009.53, Florida Statute* states that funds for any scholarship within the Florida Bright Futures Scholarship Program may not be used to pay for courses dropped by a student or courses from which a student has withdrawn after the end of the drop and add period. However, a student who receives an award under this program and subsequently drops one or more courses or withdraws from all courses after the end of the drop and add period due to a verifiable illness or other documented emergency may be granted an exception pursuant to s. 1009.40(1)(b)4 **unless the institution's policy is to refund the cost of the courses.**

Loan Exit Interviews

Federal and University regulations require that all recipients of federal loans participate in an exit interview counseling session upon graduation, withdrawal from the University, or dropping below six credit hours. These loans include: Perkins (NDSL), Subsidized Stafford (GSL), and Unsubsidized Stafford (UGSL) loans. Counseling sessions can be completed online at <http://studentloans.gov>. For more information, contact the Office of Financial Aid at ofacs@fsu.edu or (850) 644-0539.

Policy on Refunds for Audited Courses

Refunds may be granted for courses in which a student has requested permission to audit and subsequently rescinds this request before the fourth day of class. Verification that the audit request has been discontinued must be received in writing by the University Registrar before the fourth day of class. After this period, no refunds will be authorized unless exceptional circumstances are documented in writing and approved by the University Refund Committee.

Note: The refund request form or withdrawal form must be submitted to the Office of Student Business Services within six months from the end of the term from which the student withdrew.

Delinquent Accounts

All delinquent University accounts must be paid before students may complete registration. Payment should be made by cash, money order or cashier's check. Financial aid granted for use in an upcoming semester may not be used to pay current debt. Outstanding debt, including delinquent current semester tuition, will prevent you from registering until all delinquent fees are paid. Diplomas and official transcripts will not be issued when any amount is owed the University. Delinquent accounts are referred to a collection agency if fees are not paid in full. Collection costs are added to your outstanding balance. Delinquent accounts should be paid by cash, money order, or cashier's check.

Dishonored Checks or Electronic Payments

Return Check Charge/Stop Payment Charge: \$25.00 or five percent of the amount of the check, whichever is greater (subject to change) will be assessed to the student's account. A returned check/stop payment charge is assessed against a student's account who has a check or electronic authorization for payment returned by the bank to Florida State University. Florida State University automatically submits all personal checks twice for payment if the check was returned once for non-sufficient or uncollected funds. This is an automated process and the second submission cannot be stopped; there is no charge, however, assessed by Florida State University for this second submission. Repayment of returned checks must be made with cash, FSUCard, money order, or cashier's check.

Returned check charges are assessed for all personal checks written and electronic payments authorized for tuition, fees, or any services provided by the University that are returned to Florida State University for non-sufficient funds, uncollected funds, closed accounts, stop payments, etc., placed on checks. In addition to the returned check charge, if the initial payment is for tuition and redemption of the returned check is not made prior to the tuition payment deadline, a \$100.00 late payment fee is assessed to tuition. Florida State University places a hold on accepting any personal checks or electronic payment authorizations on the student's account for ninety days after redemption for any services, tuition, or fees that are owed to the University if a personal check or electronic payment authorization is returned. If a second check or electronic payment is returned, or if a stop payment is placed on it, the student will be permanently listed on all departments' ACCEPT CASH ONLY list and no personal checks or electronic payment will be accepted from anyone on the student's account from that day forward.

Notification will be given to the student by mail to the address on the check or to the last maintained address in Florida State University's records. After notification that a check has been returned, redemption (including the

service charge) must be made within fifteen days. Florida State University forwards all returned payments to the State Attorney's Office for redemption and prosecution after collection efforts are exhausted. After a returned payment is forwarded to the State Attorney's Office, restitution of the check will not prevent prosecution. Cancellation of Student Schedules for Non-Payment of Tuition and Fees

Students are expected to pay all tuition and fees by the published deadline for each semester they enroll. In accordance with *FSU Regulation-5.081 Tuition, Fees, Payment*, students who do not pay tuition and fees or make arrangements to pay tuition and fees by the end of the established fee payment deadline may have their schedules cancelled and academic progress discontinued for the semester. Students who are cancelled for non-payment of tuition and fees will lose access to Blackboard for their courses and not be permitted to attend classes or receive grades after the cancellation takes place. For more information, please reference <http://regulations.fsu.edu/content/download/21865/140868/file/Chapter5code.revised.11.2014-linked.pdf>.

It is important that all students ensure they have an active FSU e-mail account. The FSU e-mail account is the official method by which the University will communicate with students concerning any outstanding financial obligations, including outstanding tuition and fees. Students will receive an official e-mail communication from the Office of Student Business Services at the end of the second week of the semester alerting them to the possibility of the cancellation of their current term's schedule. Students will then have the opportunity to pay tuition and fees or make arrangements to pay tuition and fees to avoid being cancelled.

Students who fail to pay tuition and fees or make formal arrangements to pay tuition and fees by the end of the third week of the semester will receive an e-mail notification from the Office of Student Business Services. This notification will inform the student that his or her schedule has been cancelled and explain appeal process for the reinstatement of their schedule.

Students may check their account status online at any time at <http://my.fsu.edu> (from *Student Account Quicklinks*, click *Account Statement*) to determine any amounts owed to the University and to verify that payments have been made.

Reinstatement of Student Schedules Cancelled for Non-Payment of Tuition and Fees

Students whose schedules are cancelled for non-payment of tuition and fees may appeal to the University Registrar for the reinstatement of their schedule. The appeal must be made in writing and must be submitted to the University Registrar (*A3900 University Center*) no later than the end of the seventh week of the semester. The appeal will be reviewed and acted upon in a timely manner. Approval of the reinstatement of a student's schedule is contingent upon verification from the Office of Student Business Services that tuition and fees have been paid or that formal arrangements have been made for tuition and fee payment. Reinstatement of schedules will also include a \$100.00 late registration fee and a \$100.00 late payment fee. Checks or credit card payments that are returned or refused will negate any tuition and fee payment arrangement for the reinstatement of a student's schedule. The University reserves the right to deny reinstatement when a student has demonstrated a pattern of tuition delinquencies over a period of two or more semesters. Reinstatements for a given term must be submitted by the deadline. Reinstatement petitions received after the term is over will not be considered.
