President’s Statement on Equal Opportunity and Non-Discrimination

Florida State University is an equal opportunity employer and educational provider committed to a policy of non-discrimination for any member of the University’s community on the basis of race, creed, color, sex, religion, national origin, age, disability, veterans’ or marital status, sexual orientation, gender identity, gender expression, or any other protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable federal and state laws, regulations, ordinances, orders and rules, and University policies, procedures, and processes.

In pursuing its mission of excellence as a comprehensive, graduate-research university with a liberal arts base, the University strives to create and maintain a harmonious, high performance work and educational environment.

It is my expectation that all members of our community are provided equitable opportunities to succeed and enrich the strength, skill, and character of the University. It is also expected that all members of our community will help create a work and educational environment that promotes fairness, respect, and trust, free from discrimination or harassment. Behavior that may be considered offensive, demeaning, or degrading to persons or groups will not be tolerated.

The University will continue to reinforce its commitment of non-discrimination to all groups protected by state and federal law. We will continue to monitor our methods of recruitment, retention, and advancement of qualified faculty, staff, and students and annually examine our affirmative action plan, as prescribed by federal guidelines, to measure how our campus is reflective of the community we serve.

The University further recognizes that forms of discriminatory or harassing behavior may create an unwelcomed or hostile environment and lead to an uncomfortable situation. As a result, the University has established internal complaint procedures available to all who believe their experience on any of our campuses has been less than appropriate.

To facilitate or otherwise strive to ensure university-wide compliance, I have appointed Renisha Gibbs, Director, Human Resources/Office of Equal Opportunity and Compliance and University Title IX Coordinator, to develop, administer, and coordinate university-wide initiatives and complaint investigations. This will be accomplished through collaboration with the Dean of Students Department, the Athletics Department, the Office of Faculty Development and Advancement, and all University divisions, colleges, and departments.

Questions regarding the above may be directed to your supervisor or Renisha Gibbs at (850) 644-8082 or rjgibbs@admin.fsu.edu.

Individuals with Disabilities

Florida State University adheres to Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), as amended by the Americans with Disabilities Amendments Act of 2008, in prohibiting discrimination against any qualified individual with a disability. Any student with a disability may voluntarily self-report the nature of the disability and identify needed accommodations to the Student Disability Resource Center, 108 Student Services Building. To request reasonable accommodations for employment or visitors, please contact the Florida State University Human Resources/Office of Equal Opportunity and Compliance, located at University Center, Bldg. A, Suite 6200, or call (850) 645-6519.

HIV/AIDS Policy

Students, employees, and applicants for admission or employment at Florida State University who have or who may become infected with HIV will not be excluded from enrollment or employment or restricted in their normal responsibilities and access to University services or facilities due to their HIV/AIDS status, unless individual medically based judgments establish that exclusion or restriction is necessary for the welfare of the individual or of other members of the University community. That is, the University will not discriminate against otherwise qualified HIV-infected applicants, students, or employees.

The Florida State University Committee on HIV/AIDS is responsible for monitoring developments with regard to HIV/AIDS, acting upon and administering the policies of the Florida Department of Education Division of Colleges and Universities and the University concerning HIV/AIDS and coordinating the University’s efforts in educating the University community on the nature and prevention of the disease. In addition, the Florida State University Committee on HIV/AIDS meets as needed to consider special problems related to HIV/AIDS that require University action.

The University will be guided in its implementation of this policy by current authoritative medical information, applicable federal and state law, Florida Department of Education Division of Colleges and Universities’ HIV/AIDS Policy, and the guidelines suggested by the Centers for Disease Control, the Public Health Service, the American College Health Association, and the Florida Department of Health.

Florida State University has designated HIV/AIDS counselors who are available to the University community. Counselors are located at University Health Services (850) 644-8869; University Student Counseling, (850) 644-2003; or University Health Services Health Promotion Department (850) 644-8877. Confidential HIV testing is available for students and staff at University Health Services. Any interested individuals should call (850) 644-8871 to schedule an appointment.

Sexual Harassment Policy

1. Policy Statement: Sexual harassment is a form of discrimination based on a person’s gender. Sexual harassment is contrary to the University’s values and moral standards, which recognize the dignity and worth of each person, as well as a violation of federal and state laws and University rules and policies. Sexual harassment cannot and will not be tolerated by Florida State University, whether by faculty, students, or staff or by others while on property owned by or under the control of the University.

2. Office of Equal Opportunity and Compliance: The Office of Equal Opportunity and Compliance (EOC) is charged with receiving and investigating sexual harassment complaints as set forth in this policy and shall maintain the records pertaining thereto.

3. Definition: Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature directed at an employee or student by another when:

   a. Submission to such conduct is made either explicitly or implicitly a term or condition of employment, academic status, receipt of University services, participation in University activities and programs, or affects the measure of a student’s academic performance; or
   b. Submission to or rejection of such conduct is used as the basis for a decision affecting employment, academic status, receipt of services, participation in University activities and programs, or the measure of a student’s academic performance; or
   c. Such conduct has the purpose or effect of unreasonably interfering with employment opportunities, work or academic performance or creating an intimidating, hostile, or offensive work or educational environment.

4. Examples of Sexual Harassment: Incidents of sexual harassment may involve persons of different or the same gender. They may involve persons having equal or unequal power, authority or influence. Though romantic and sexual relationships between persons of unequal power do not necessarily constitute sexual harassment, there is an inherent conflict of interest between making sexual overtures and exercising supervisory, educational, or other institutional authority. Decisions affecting an employee’s job responsibilities, promotion, pay, benefits, or other terms or conditions of employment, or a student’s grades, academic progress, evaluation, student status, recommendations, references, referrals, and opportunities for further study, employment or career advancement, must be made solely on the basis of merit.

   Examples of sexual harassment include, but are not limited to, the following, when they occur within the circumstances described in Section (3) above:

   a. Use of gender-based verbal or written language, including electronic communications offensive or degrading to a person of that gender, whether or not the content is sexual;
   b. Inappropriate display of gender-based pictorial images offensive or degrading to a person of that gender, including but not limited to sexual posters, photographs, cartoons, drawings, or other displays of sexually suggestive objects or pictures;
   c. Use of inappropriate gestures or body language of a sexual nature, including leering or staring at another;
   d. Unwelcome requests or demands for sexual favors or unwelcome sexual advances;
c. Inappropriate nonconsensual touching of another’s body, including but not limited to kissing, pinching, groping, fondling, or blocking normal movement;

f. Sexual battery. **Note:** Some acts of sexual harassment may also constitute violations of criminal law, e.g., sexual battery, indecent exposure, sexual abuse, etc. In such instances, please refer to the FSU Sexual Battery Policy.

5. **Disciplinary and Other Actions:** Sexual harassment is prohibited by Florida State University. The University will take appropriate action against any person found to be in violation of this policy.

**Note:** A person who has sexually harassed another or retaliated against another may also be subject to civil or criminal liability under state or federal law.

a. **Disciplinary Actions.** Any employee who has sexually harassed another employee or a student, retaliated against such person for bringing a complaint of sexual harassment, or otherwise violated this policy shall be guilty of misconduct and subject to disciplinary action up to and including dismissal, in accordance with applicable law, rules, policies, and/or collective bargaining agreements. In addition, any student who has sexually harassed another student or an employee, retaliated against such person for bringing a complaint of sexual harassment, or otherwise violated this policy may be subject to disciplinary action up to and including expulsion, pursuant to the Student Code of Conduct. The term “employee” includes all persons employed by the University including faculty and graduate teaching assistants.

b. **Other Actions.** The University will take such corrective action against any non-students or non-employees found to have violated this policy, as may be appropriate under the circumstances.

6. **Retaliation:** Retaliation against one who in good faith brings a complaint of sexual harassment or who in good faith participates in the investigation of a sexual harassment complaint is prohibited and shall be a violation of this policy and shall constitute misconduct subject to disciplinary or other action as described in Section (5) above.

7. **Filing of False Sexual Harassment Complaint:** Knowingly filing a false sexual harassment complaint is prohibited and shall be a violation of this policy and shall constitute misconduct subject to disciplinary action as described in Section (5) above. A complaint that is investigated and deemed unsubstantiated is not necessarily a false complaint.

8. **Reporting Required:** Any student or employee who has witnessed what is perceived to be a violation of this policy should promptly report that conduct to the EOC, who then will proceed as appropriate. Any supervisor who has witnessed or becomes aware of the alleged occurrence of sexual harassment by, or who receives a complaint of sexual harassment involving a person within that supervisor’s purview is required to take prompt corrective action as appropriate, and to report the matter, if possible, within two work days to the EOC. Failure of the supervisor to take appropriate corrective action or to report the incident shall be a violation of this policy and shall constitute misconduct subject to disciplinary action as described in Section (5) above.

**Note:** For the purposes of this policy, the term “supervisor” shall be deemed to include vice presidents, deans, directors, department chairs, unit heads, supervisors, principal investigators, etc.; faculty when acting in a supervisory capacity or within the faculty-student role; and graduate research assistants, teaching assistants, lab technicians, residence hall coordinators, etc.

9. **Complaint Procedure:**

a. **Filing of Complaint.** Any student or employee who believes that he or she is a victim of sexual harassment in violation of this policy is encouraged to promptly notify the alleged perpetrator (the “respondent”) verbally or in writing that his or her conduct is unwelcome. Such action may cause the unwelcome conduct to cease as well as help to maintain an environment free from sexual harassment. Assistance and support is available from the Office of Faculty Development and Advancement (for faculty), the Dean of Students Department (for students), or the Office of Human Resources. Regardless of having given notice to the respondent, the student or employee (the “complainant”) may initiate a complaint under this policy by promptly bringing the matter to the attention, preferably in writing by completing the complaint form, of any of the following:

• The Office of Equal Opportunity and Compliance
• The Office of Faculty Development and Advancement
• The Dean of Students Department
• The Office of Human Resources
• A student’s school or college dean
• An employee’s immediate or next immediate supervisor

All complaints should be filed in a timely manner. Complaints filed for acts that occurred more than one year from the filing date of the complaint will generally not be investigated unless appropriate in the judgment of the EOC.

b. **Preparing a Complaint:** The complainant should provide the following information to facilitate a prompt and thorough investigation:

• The names, addresses, telephone numbers, administrative unit, and position or status of the complainant and the respondent, if known;
• Specific acts alleged, including dates, times, and locations;
• Names, addresses, and phone numbers of potential witnesses;
• The effect the alleged acts have had on the complainant;
• Actions the complainant may have taken to attempt to stop the harassment;
• Complainant’s suggestion of proposed action to address or resolve the harassment;
• Other information the complainant believes is relevant.

c. **Transmitting a Complaint to the EOC:** The complainant shall immediately be favored to the EOC. If the complaint is verbal, the person receiving the complaint shall make a written summary thereof on the complaint form and request the complainant to sign it.

d. **Reviewing a Complaint.** The EOC will make an initial determination whether the alleged perpetrator is a student or employee. If the alleged perpetrator is identified as one who is not a student or employee, then the EOC will refer the matter to the Office of the General Counsel for appropriate action. If the EOC determines that the alleged perpetrator is a student or employee, the EOC will review the complaint to determine whether the acts complained of, as stated by the complainant, constitute a violation of this policy, and if not, the complainant will be so informed. If the EOC determines the alleged acts may constitute a violation of this policy, investigation will proceed as set forth in Section (10) below, unless the matter is satisfactorily resolved as in the following paragraph (e).

e. **Notifying the Respondent and Supervisor; Informally Resolving a Complaint; Withdrawing a Complaint:** The EOC will notify the respondent and his or her appropriate supervisor of the allegations contained in the complaint. In an effort to informally resolve the complaint, the EOC will elicit from the complainant, proposed actions the complainant believes are necessary to address or resolve the alleged harassment. The EOC will discuss these proposed actions with the respondent and with appropriate levels of management. The respective parties will also have the opportunity to propose other means of resolution. Thus, if the matter can be resolved informally, or if the complainant chooses to withdraw the complaint, the complainant will sign a statement outlining the informal resolution and releasing the University from taking any further action. If the matter is not resolved at this stage, the complaint will be investigated as set forth in Section (10) below.

10. **Investigation:** The following procedures will govern all investigations of complaints alleging violations of this policy:

a. The EOC will thoroughly investigate complaints alleging violations of this policy with the assistance, as needed, of the following: the Office of Faculty Development and Advancement, the Office of Human Resources, and/or the respondent’s supervisor(s), except in cases where the respondent is a student. If the respondent is a student, the EOC will forward a copy of the complaint and any associated materials to the Dean of Students Department, which will, if appropriate, adjudicate the matter under the Code of Student Conduct. The Dean of Students shall notify the EOC of the outcome.

b. The investigation should include interviewing the complainant and witnesses suggested by the complainant who may have knowledge of the offending behavior. Employees and students shall fully cooperate in the investigation.

c. The respondent will be given an opportunity to respond to the complaint verbally and in writing and may suggest additional witnesses.

d. The investigation should also include interviewing such other witnesses as are deemed appropriate under the circumstances.
Florida State University Statement for Students on the Unlawful Possession, Use, or Distribution of Illicit Drugs and Alcohol

The Florida State University Alcohol Policy

Introduction

Florida State University affirms the guiding ethical principle of responsible freedom. Students, staff and faculty are expected to show respect for order, ethical conduct, and the rights of others, and to model in daily living a high sense of personal honor and integrity. Florida State University neither encourages nor condemns the legal consumption of alcoholic beverages. The university recognizes, however, that the majority of undergraduate students are below the legal drinking age and that there are serious health risks and behavior problems associated with the use of alcohol in the collegiate environment. Consequently, alcohol will be permitted at Florida State University or programs sponsored by Florida State University or its direct support organizations only in those settings which:

1. Comply with federal or state laws, local ordinances, University regulations, foreign country laws (in the case of study abroad programs conducted by Florida State University International Programs, Inc.), Student Conduct Code, and this policy;
2. Present minimal health and safety risks; and
3. In no way inhibit the full participation of those who choose not to drink alcohol.

Events and activities that encourage excessive drinking and/or lead to the endangerment of individuals will not be permitted. Any person or group in violation of federal or state laws, local ordinances, or of this policy will be reported to the proper federal, state, local or university authorities for appropriate action.

(a) Florida State University does not support or condemn the consumption of alcohol by individuals 21 years of age or older at tailgate events.

(b) Florida State University does not condone any act related to excessive consumption of alcohol that impairs, interferes, or endangers the safety or enjoyment of anyone attending these events, including the individual who chooses to consume alcohol.

(c) The University maintains the right to forward possible violations of federal or state laws, local ordinances, and University regulations, to the proper authorities through the Florida State University Police Department.

VI. Health Risks

Alcohol consumption may cause a number of changes in behavior which are related to dose, rate of intake, body size and percentage of body fluid, expectations, social environment, physical conditions (disease or, more commonly, hormonal cycles can be factors), enzyme differences, and concentration of alcohol in a drink. It may increase aggressiveness, lower inhibitions, cloud judgment, reduce resistance, and hamper the ability to make decisions.

Alcohol first affects the area of the brain responsible for higher functions, such as decision-making and social inhibitions, suppressing an individual’s self-control. Alcohol in the blood can slow reaction time, reduce coordination and impair eyesight, contributing to deficits in performance, judgment, memory, and motor skills. Even low doses can significantly impair the judgment and coordination required to drive a car safely. Florida State University reiterates that no one should ever drink alcohol and drive. The designated driver should never drink alcohol.

Moderate to high doses of alcohol may cause marked impairments in higher mental functions, altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol may produce the effects just described above.

VII. Educational Resources and Support

In support of responsible management of alcohol, the University provides numerous resources and support services available to students, faculty, and staff of Florida State University, including alcohol education, counseling, treatment, rehabilitation, re-entry, prevention, and intervention, as well as other educational programs and volunteer opportunities. Below are just a few of these resources and services.

(a) Health Promotion at University Health Services [644-8871; Web site is http://www.uhs.fsu.edu/hp/]

(b) Office of Residence Life [644-2860; Web site is http://housing.fsu.edu/index.html]

(c) FSU Police Department [644-1234; Web site is http://www.police.fsu.edu/]

(d) Volunteer opportunities for students seeking to work toward greater alcohol responsibility are available through Healthy Noles, which is an organization directed by Health Promotion at University Health Services. The Healthy Noles advocate for wellness on campus and alcohol responsibility is a significant component. For more information, contact Health Promotion [644-8871; or access the application at http://healthpromotion.fsu.edu/]

(e) The Learning Resources Center of the College of Nursing has books, slides and videotapes on alcohol and other substances which are available to instructors in the College of Nursing. All other staff or faculty would need approval from the Dean of the College of Nursing to access these resources [644-1291]. More information is available at http://nursing.fsu.edu/.

(f) The Digital Media Center provides media resources, which include listings on alcohol topics, to all campus approved departments and organizations. There is no charge for this service when it is used for regularly scheduled classes [644-5924].

(g) SMART (Students Making Alcohol and Other Drug Responsibility Theirs) Choices consists of two, two-hour class sessions and an interactive online program at University Health Services that presents the legal and personal consequences of substance abuse. Students who are sanctioned by the Office of Student Rights and Responsibilities [644-2428, Dean of Students Department] or University Housing [644-2860] for on or off-campus violations of the University’s alcohol and drug policy must complete the course. Students may also enroll in the course free of charge if they would simply like to gain more knowledge about alcohol. Students may contact Health Promotion [644-8871] to sign up. The purpose of the course is to introduce the student to a process of self-examination that may lead to improved decision making and behavior change.

(h) The University Counseling Center (UCC) provides a structured two-session Alcohol and Other Drug (AOD) Evaluation for students who are sanctioned by the University for violations of the University’s alcohol and drug policy. In addition to mandated AOD sessions, AOD Evaluations are available on a voluntary basis to all FSU students. Following the AOD Evaluation sessions, a recommendation is made to the student regarding need for counseling treatment. Counseling treatment is provided to students on a voluntary basis only. Any fee-paying student currently enrolled at Florida State University is eligible for services at the UCC. Please contact the University Counseling Center for a current fee schedule [644-2003; Web site is http://www.counseling.fsu.edu/]

(i) The Employee Assistance Program (EAP) at Florida State University was established to assist employees with behavioral, medical and substance abuse problems affecting employment. Employees can enter the program through a self-referral or supervisory referral. The EAP functions as a coordinator of counseling and other appropriate services available both within the university and the community [644-2288; Web site is http://www.eap.fsu.edu/]

(j) Counseling services are also provided for students, staff, faculty, and the community by the Marriage and Family Therapy clinic, which presents the legal and personal consequences of substance abuse. State sanctions are subject to change by the Florida Legislature.

Note: These are only for information. State sanctions are subject to change by the Florida Legislature.

The Florida State University Health Risks of Illicit Drugs

Illicit drugs all have some health-threatening qualities—some more than others. Examples include increased heart rate and lung damage from marijuana; central nervous system disorders from cocaine, heroin, and hallucinogens; and liver, lung and kidney damage from inhalants. HIV infection also is spread widely among intravenous drug users. Even infrequent use of illicit drugs can result in physical afflictions, such as hangovers, cardiovascular damage, digestive problems, tremors, impaired sexual response, and injuries due to lost coordination. Other possible effects include reduced alertness and impaired performance at school or work, interpersonal conflicts, and financial

Florida State University Use of Social Security Numbers

In accordance with Florida Statute 119.071(5), students and employees should be aware that Florida State University collects and uses social security numbers for the purpose of performing certain University duties and responsibilities, such as:

• Certain aspects of employment related to federal tax reporting, generation and reporting of I-9 documents, direct deposit, insurance policies, retirement benefits, state and federal reporting requirements;
• Identification and verification of student records, including admission, registration, financial aid, and academic records, as well as verification of identity in connection with the provision of the University’s services;
• State and federal reporting of student data as required by law;
• Release to contractors/vendors for the purposes of state and federal reporting or provision of contracted services for the faculty, staff, and students of the University;
• Release to the Florida Board of Governors as follows:
  • When necessary for the performance of the Board’s constitutional duties and responsibilities, including but not limited to:
  • In conjunction with tort claims and tort notices of claim against the Board of Governors [Required by Fla. Stat. § 768.28(6), and Fla. Stat. § 119.0715(5)(a)];
  • When the disclosure of the social security number is expressly required by federal or state law or a court order [Authorized by Fla. Stat. § 119.0715(5)(a)6];
  • When the individual expressly consents in writing to the disclosure of his or her social security number [Authorized by Fla. Stat. § 119.0715(5)(a)6];

The University does not use social security numbers for student identification; instead, the University creates a unique identifier for each student called the EMPID.

Notification of Students’ Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit their requests to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Students may request the amendment of the records by writing to the University official responsible for the records to be changed. If the University official does not change the record as requested by the student, the University will inform the student of the right to a hearing. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, S.W.
   Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University’s student record policy. You can obtain a copy of the policy from the Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, Florida 32306-2480.

Note: Under Federal Statute, the University is authorized to and may release records to other institutions without notification to the student, when the student is applying for admission.

Release of Student Information

The disclosure or publication of student information is governed by the policies of Florida State University and the State of Education within the framework of state and federal laws, including the Family Educational Rights and Privacy Act of 1974. The written consent of the student is required for the disclosure or publication of any information that is:

1. Personally identifiable of the student and
2. A part of the educational record. Certain exceptions to that generality, both in types of information that can be disclosed and in access to that information, are allowed within the regulations of the Family Educational Rights and Privacy Act, as described in the following paragraphs:

A. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of information in the educational record to (or for):

1. Officials of the University with a legitimate educational interest. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee;
such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility;
2. Certain government agencies;
3. Accrediting organizations;
4. Certain financial aid matters;
5. Certain research circumstances;
6. Health and safety emergencies;
7. A court pursuant to order or subpoena, so long as the student is notified in advance of the University’s compliance; and
8. As otherwise provided by law.

B. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of certain types of information for:
1. Portions of the educational record for which the student has signed a waiver;
2. Portions of the educational record that are exempted by law including records of law enforcement agencies of the University; employment records of the student within the University as long as the student’s employment is predicated upon his or her status as a student; personal records of instructional, supervisory, or administrative personnel; and alumni records related to that student; and
3. Records transmitted to another school or school system in which the student seeks or intends to enroll, since the University generally forwards these on request.

Note: More specific information regarding such exempted information can be obtained by contacting the Office of the University Registrar, A3900 University Center. For the complete text of the applicable statutes refer to Section 1066.52, Florida Statutes, 20 U.S.C. 1232g, and 34 C.F.R. §99.1, et seq. or write the U.S. Department of Education at 600 Independence Ave., S.W., Washington, D.C. 20202.

C. Prior consent of the student is not required for disclosure of portions of the educational record defined by the institution as “Directory Information,” which may be released via official media of the University:
1. Name, date, and place of birth;
2. Local address;
3. Permanent address;
4. Telephone number (if listed);
5. Classification;
6. Major field of study;
7. Participation in official University activities and sports;
8. Weight and height of members of athletic teams;
9. Dates of attendance at the University;
10. Degrees, honors, and awards received;
11. The most recently attended educational institution; and,
12. Digitized photo (Florida State University Card).

Important: The information above, designated by the University as “Directory Information,” may be released or published by the University without prior written consent of the student unless exception is made in writing by the student.

Request to Prevent Publication of Directory Information

Students may inform the University in writing of the student’s desire to prevent publication of such “Directory Information” or release of such information except as required by law. Appropriate forms for such action are made available by the Office of the University Registrar.

Caution: Until the University can develop the necessary sophistication in our data systems, a student’s request to prevent the release of publication of some of the items of “Directory Information” may result in preventing the publication of all items on that list, including graduation lists, honors, and award lists. The student can help avoid such errors with a gentle reminder to the Office of the University Registrar.

For complete information related to the policies outlined above or concerning the procedures regarding waivers and consent forms, or to challenge the accuracy of the educational record, please contact: Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.

Policy for the Use of Photographs and Videos in University Publications

Florida State University randomly and routinely photographs and makes videos on the main campus, branch campuses, and the international and departmental programs for educational and promotional purposes. These photographs and videos appear in official University publications and materials, which include but are not specifically limited to, General Bulletin (undergraduate and graduate), Registration Guide, Office of Admissions brochures, international program materials, departmental and college brochures, University Web sites, and other University information publications. For further information contact Media Relations at (850) 644-4030.

Illegal Downloading of Copyrighted Songs and Movies

Download and distribution of copyrighted music, movie and other entertainment files from online distribution sites that offer these items free of charge is illegal, in direct violation of the federal Digital Millennium Copyright Act, the Florida State University Student Conduct Code, and the Florida State University Policy OP-H-6 “Use of University Information Technology Resources.”

Illegal downloading and file sharing of copyrighted music, movies or other entertainment files is intellectual property/copyright infringement. Illegal downloading and file sharing activities maliciously expose the University’s network, computing systems and personal computers to destructive computer malware (viruses, spyware, worms, trojan horses, rootkits, keystroke loggers, etc.), and denial of service attacks. Illegal downloading activity significantly increases the risk of exposure to personal identity theft and irreparable or costly damage to both university and personally owned computing devices.

The potential consequences of illegal downloading and file sharing are extremely serious. There are both civil and criminal penalties for illegal downloading and file sharing:

- In a civil suit, an infringer may be liable for a copyright owner’s actual damages plus any profits made from the infringement. Alternatively, the copyright owner may avoid proving actual damage by electing a statutory damage recovery of up to $30,000 or, where the court determines that the infringement occurred willfully, up to $150,000. The actual amount will be based upon what the court in its discretion considers just. See 17 U.S.C. § 504.
- Penalties to be applied in cases of criminal copyright infringement [i.e., violations of 17 U.S.C. § 506(a)], are set forth at 18 U.S.C. § 2319. Congress has increased these penalties substantially in recent years, and has broadened the scope of behaviors to which they can apply. Statutory penalties are found at 18 U.S.C. § 2319. A defendant, convicted for the first time of violating 17 U.S.C. § 506(a) by the unauthorized reproduction or distribution, during any 180-day period, of at least 10 copies or phonorecords, or 1 or more copyrighted works, with a retail value of more than $2,500 can be imprisoned for up to 5 years and fined up to $250,000, or both. 18 U.S.C. §§ 2319(b), 3571(b)(3).
- Defendants who have previously been convicted of criminal copyright infringement under 18 U.S.C. § 2319(b)(1) may be sentenced to a maximum of 10 years imprisonment, a $250,000 fine, or both. Finally, a defendant is guilty of a misdemeanor violation if he violated rights other than those of reproduction or distribution, or has reproduced or distributed less than the requisite number of copies, or if the retail value of the copies reproduced or distributed did not meet the statutory minimum, or if other elements of 17 U.S.C. § 506(a) are not satisfied. Misdemeanants can be sentenced a maximum of one year and can be fined a maximum of $100,000. See 18 U.S.C. §§ 2319(b)(3), 3571(b)(5).

Law firms representing the entertainment industry aggressively investigate instances of music and movie “pirating”, and upon identifying the offenders, are increasingly invoking the applicable laws to reap financial settlements and awards totaling thousands of dollars.

The University is not legally empowered to protect, represent, advise or otherwise assist students who become subject to legal proceedings because of copyright infringement. Students who are sued, offered an out-of-court settlement, or cited for criminal copyright infringement must obtain their own legal representation.

In addition to civil and criminal penalties, violators will be subject to the University’s disciplinary proceedings:

- Student Conduct Code (http://srffsu.edu/conduct_code.html): A student found to be in violation of provision (5)(e)(1) is subject to the
sanctions defined in Section (9). Examples of sanctions that may be imposed for violations of the Student Conduct Code include reprimand, service hours, probation, suspension, and dismissal.

- **Florida State University Policy OP-H-6 “Use of University Information Technology Resources”** (http://policies.vpfa.fsu.edu/bmanual/itpolicy.html): A student found to be in violation of provision C.1.a (11) may lose University computer privileges as defined in paragraph F.2.

**Notification to All Applicants for Admission and Students Attending Florida State University**

This General Bulletin is not a contract, either expressed or implied, between the University and the student, but represents a flexible program of the current curriculum, educational plans, offerings and requirements that may be altered from time to time to carry out the administrative, academic, and procedural purposes and objectives of the University. The University specifically reserves the right to change, delete or add to any provision, offering, academic curriculum, program, or requirement at any time within the student’s period of study at the University. The University further reserves the right to withdraw a student from the University for cause at any time. Students are on notice that admission to the University or registration for a given semester does not guarantee the availability of a course at any specific time. Likewise, admission to the University or registration for a given program of study within the University, or a department or college of the University, is not a guarantee of a degree or of certification in a program.

* Please refer to the College of Engineering (COE) Schedule available in the COE Student Services Office or at [http://www.eng.fsu.edu/current/exam_schedule.html](http://www.eng.fsu.edu/current/exam_schedule.html). In instances of schedule conflict between the main campus and the engineering campus, the main campus schedule will take precedence. The engineering instructor will accommodate/reschedule to resolve the conflict.
University Final Examination Policy

- Final examinations in all undergraduate courses are discretionary within any given department. If a department chooses to give a final exam, the exam schedule must be followed as published.
- All students enrolled in a course having a final examination, including graduating seniors and graduate students, are required to take the exam at the time scheduled.
- Scheduling a final examination or a test in lieu of a final exam at any time other than the regularly scheduled final exam period is a violation of University policy.
- Unless an exam is given during the final examination period, no test may be given during the last week of classes.

Courses meeting every day at the same hour and classes meeting for more than one time period will hold examinations according to the time and day of the first scheduled class meeting of the week. For example, a class meeting for the first period on Tuesday and for the first and second period on Thursday will hold its examination at the time scheduled for the first period on the Tuesday, Thursday class listing.

Exceptions to the Examination Policy for an Individual Undergraduate Student

Approval by the appropriate academic dean is required for an individual undergraduate student seeking an exception to the examination policy. The student must first receive written permission from the instructor if he/she is willing to give a make-up exam at a specified time within the exam week. The student must then petition the dean, giving the reason for the requested exception, and supported by the instructor’s written permission. The dean will then notify the instructor in writing if the approval is granted.

Make-up examinations are permitted for an undergraduate student when justified by illness, conflicting examinations, four or more examinations in a 24-hour period, or for certain emergencies. It is the student’s responsibility to identify if a conflict exists and immediately make arrangements with the instructor to take the exam at an alternate time during the University’s official final exam period. If a student has such conflicts, the final exams of the student’s non-online classes shall have priority and the time of the online exam will be the first exam subject to adjustment. If such agreement cannot be achieved between the student and the instructor, then the academic deans of the units housing the various courses will consult to achieve agreement.

This explanation is intended only to clarify existing University exam policy for online classes and all provisions of University exam policy that do not conflict with what is stated above remain in effect.
International Program (IP) Sessions

International Programs offers an array of courses around the world. Unique Summer sessions are used to designate courses offered through the International Programs Office. Students interested in Study Abroad should contact the International Programs Office. In some cases, these courses are offered in affiliation with international institutions and are subject to unique calendar dates. Unique “IP” sessions have been created so courses align with the institution and program dates. Key dates such as registration, first week of classes, drop/add, seventh week deadlines, etc., will be prorated according to the length of the session. These dates are different than International Program start and end dates. Students participating in the International Programs should check with that office about specific dates, registration appointments and fees, deadlines, or restrictions that might apply. Students must be admitted to an International Program in order to register for IP classes.

Eligibility

Students must complete both a University graduation check with the Office of the University Registrar and a departmental graduation check with the appropriate college prior to reaching one hundred semester hours earned. Registration stops may be placed on students who have exceeded ninety-nine semester hours earned but have not applied for both graduation checks.

Students Accept Both Fee and Grade Liability by Registering for Classes

To cancel registration, a student must drop all of his or her classes via the Web registration site before the first day of classes or must send an e-mail from his or her official myFSU account to registrar@admin.fsu.edu no later than the fourth day of classes.

Students should be dropped from classes for non-attendance of the first class meeting. However, students are responsible for verifying that their schedule is correct by 11:59 p.m. on the fourth day of classes. Students are fee liable for all courses on their schedule after the fourth day. The University may cancel registration for non-payment of fees.

Annual student parking permits are obtained online at https://transportation.fsu.edu/parking/parking-permits. For account status and fee payments visit http://www.fees.fsu.edu.

Admission/Readmission Dates

For admission or readmission dates, please refer to the “University Calendar” chapter in the General Bulletin.

Law School/Medical School Dates

For College of Law dates, please contact the College of Law at (850) 644-3400 or visit http://www.law.fsu.edu.

Student Business Hours

The following offices are available for lobby hours and by phone from 8:00 a.m. to 5:00 p.m., Monday through Friday:
- Registrar
- Financial Aid
- Student Financial Services (Cashingier hours are 8:30 a.m. until 4:30 p.m.)
- Undergraduate Studies

Prior to Registration

- Log into http://my.fsu.edu to check for checklists, stops or holds. Be sure to click through the details of each hold to review the contact information and instructions provided there. Contact your departmental office for any clearances or course authorizations you may need.
- All students are urged to consult their adviser prior to registration, and some academic units mandate advising prior to registration.

Note: First-time students may be required to register for preparatory Math and/ or English courses to complete registration.

Academic Advisement

All degree-seeking students are expected to participate in academic advising before registering for classes each semester. Students should check their FSU e-mail regularly as that is the main mode of communication advisers use to contact their students. It is the student’s responsibility to ensure that s/he has met prerequisites or corequisites for each course in which s/he enrolled. Further, any changes a student makes to his/her schedule without the advice of an academic adviser is the responsibility of the student. All permits such as underloads, overloads (see the ‘Course Load’ section of this chapter), graduate course requests while an undergraduate, DIS, modified credit, and S/U grading should be discussed with an academic adviser. All such permits must then be approved by the student’s academic dean. The student is responsible for ensuring that the Office of the University Registrar has copies of these permits on file.

You may find your academic adviser’s contact information by going to your Student Center and checking the information provided in the “My Adviser” box.

Attendance Policies

First Class Meeting Attendance Policy

Attendance at the first class meeting is mandatory unless properly excused by the class instructor. Students who do not attend the first class meeting of a course for which they are registered are dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. This policy does not apply to any class added after the first official meeting of the course. It remains the student’s responsibility to verify course drops and check that fees are adjusted.

Required Summer Attendance Policy

As of August 1976, all students entering a state university with fewer than sixty semester credit hours must earn at least nine semester hours prior to graduation by attending one or more Summer terms at one of the state universities. The University President may waive application of this rule in cases of unusual hardship to the student. Students initiate appeal through their academic dean to the Vice President for Faculty Development and Advancement (Board of Governors Rule 6C-6.016). Prior to 2011, students who had earned nine semester hours of credit through approved acceleration methods (AP, IB, CLEP, and approved dual enrollment courses) were exempt from the Summer residency requirement. Effective 2011, this exemption is no longer available.

Note: Bright Futures scholarships are not awarded for Summer sessions.

FSU Cards

FSUCard

The FSUCard is the key to your full Seminole Access! It is your official university ID and also provides access to the libraries, Residence Halls, buses, on-campus laundry, and printing. It can also be used for vending, purchases at the FSUBookstore and Computer Store and much more! All students are required to have an FSUCard with photo as their official ID. There is a $10 charge for the first card which can be paid with your tuition. If you should lose or damage the card, the FSUCard Center (located in the Woodward Ave Parking Garage) will replace it for a fee. An FSUCard semi-annual fee of $5.00 applies to all main-campus students each Fall and Spring semester. The FSUCard Center is open from 8:00 a.m. to 5:00 p.m., Monday through Friday; (850) 644-7777.

Library Cards

Your FSUCard is your library card. Students sixty years of age and older registered for tuition–free courses at Florida State University may obtain a library card by presenting proof of enrollment and identification to the staff at Strozier Library. All library card users are subject to the regulations concerning library usage, the check-out of books and materials, and fines.

Florida State University EMPLID

To better protect the identity of individuals within our campus community, Florida State University creates a unique nine-digit number identifier for each student and employee called the EMPLID. This identifier system replaces the FSUSN system. To find your EMPLID, follow the steps below:
- Login at https://campus.fsu.edu and click Secure Apps.
- Click the FSUID Identity Management link.
- Your EMPLID is displayed on the upper right side of the page.

Health Requirements

Immunization Requirements

The State Board of Education requires all entering students born on or after 1/1/1957 to complete Florida State University’s Required Student Health History Form and show documented proof of immunization against measles (rubeola), German measles (rubella), and mumps prior to registration. College-age individuals living in residence halls, shared apartments, and other group housing are at an increased risk for developing meningococcal meningitis and hepatitis B—serious infections that can have devastating consequences. State of Florida law mandates that all university students be informed of the risks of infection. Students currently enrolled must either be vaccinated against meningococcal meningitis and hepatitis B or sign a waiver stating that they have declined to receive the vaccine. All students are required to show proof of two MMR’s, meningococcal meningitis, and hepatitis B vaccinations before they are permitted to register for classes. Information about these vaccinations may be obtained at University Health Services or online at http://www.uhs.fsu.edu.

All students are required to complete and submit the student healthcare compliance form to University Health Services before registration. Students born before 1/1/1957 must complete the form and decline the meningococcal meningitis and hepatitis B vaccines. The form with its specific instructions is available at http://www.uhs.fsu.edu. For questions, please call (850) 644-3608.

Health-Insurance Requirement

All new full-time students at Florida State University must show proof of health insurance coverage before being permitted to register for classes. Additionally, all non-United States citizens in F or J status, regardless of their credit load, are required to show proof of health insurance as a condition of their admission to the University.

To purchase the FSU-sponsored health insurance or to waive enrollment in the FSU sponsored plan:
- Go to the student insurance Web site: www.studentinsurance.fsu.edu
- Click on the flashing red and black link above the black backpack: WAIVE/Purchase Insurance Click Here
- Log in. You will need your FSUID and password to log in. There are prompts on the screen if you need to activate your FSUID.
- Select either the Insurance Waiver button or the Purchase FSU Insurance button.
- Follow the prompts.
- The insurance waiver, when successfully completed, will clear the student for three terms.
- The insurance purchase will clear the student for the length of coverage purchased. Insurance can be purchased for annual coverage, for Fall semester only or for Spring/Summer. No Spring only option is offered. Summer only is offered for students beginning at FSU during the Summer term.

Students seeking degrees in majors where they are exposed to particular hazards associated with the major are required to carry health and accident insurance prior to registration every Fall. The Film School, College of Medicine,
and College of Nursing have additional health insurance requirements for their students. Check with your department for any additional insurance requirements associated with your major.

**Health Insurance Questions**

Questions about basic health insurance coverage or purchasing school-sponsored health insurance can be addressed to Collegiate Risk Management, the University’s insurance broker, at (800) 922-3420 or (850) 644-4250. Questions about specific benefits or authorizations for procedures that are not covered by Florida Blue, the University’s insurance carrier, at (850) 967-8938. Billing questions for services rendered at University Health Services should be addressed to the billing office at (850) 644-5453. Students insured by other carriers should contact their carriers for policy limitations and special requirements.

**Official myFSU E-mail Accounts for All Students at Florida State University**

The official method of communication at Florida State University is your myFSU e-mail account. In order to stay informed and aware, you are required to set up and maintain your account and check it three times per week. If you choose to have your myFSU official account forwarded to another e-mail account, you are still held responsible for all information distributed through the University to your myFSU account. To obtain your myFSU e-mail account, visit http://fsu.edu/myfsu.

**Personal Identification Numbers (PIN) Codes**

At Florida State University, students use multiple four-digit PINs to access personal services and accounts. Each of these PINs can be changed to a number(s) that each student may be reminded of either by contacting customer service or by visiting the appropriate campus office. Florida State University recommends that students do not keep these PINs written in their wallets and that they change their registration PIN.

**FACTS PIN**

Your birth month and year (mmyy) has been assigned to you automatically as your FACTS PIN code. You must change your FACTS PIN code from the birth month/year default to a unique four-digit code. You may change your FACTS PIN code by logging on to https://campus.fsu.edu and clicking on the Secure Apps tab. From there, click the FACTS PIN link to change the PIN. Your FACTS PIN code may be changed as often as desired and should be regarded as confidential and under your control. Please memorize your new FACTS PIN code. You must have it to access your information through the FLVC.org Website.

In order to provide security for a student’s confidential FACTS PIN by preventing further access, a lockout occurs after ten consecutive access denials for attempting to access a student’s confidential records. Should you get locked out, please call (850) 644-1050 to request reinstatement, and be prepared to provide proper identification.

**FSUCard/SunTrust Banking PIN**

This PIN is used for ATM withdrawals and deposits for SunTrust, PLUS Network, and POS purchases through the Interlink System.

**The Registration Process**

**Step 1: Obtain the Florida State University FSUCard**

See the “FSUCard” section of this chapter and activate your FSUID, if you have not already done so.

**Step 2: Prepare for Registration**

- Be careful not to select courses that meet at the same time. The system does not check for time conflicts.
- Consult the General Bulletin or Graduate Bulletin to check if a course requires a laboratory or has prerequisites that must be completed prior to enrolling in the class.
- Search for classes through the “Search for Classes” button on your Student Central Student Center main page accessed through the myFSU portal. Helpful information on using the Class Search as well as step-by-step instructions are located at http://sc.my.fsu.edu/Students/How-to.
- Search for alternate courses as well.

**Step 3: Register through the myFSU portal at http://my.fsu.edu**

- You can use the myFSU portal to register or perform drop/add any time during the enrollment appointment assigned to you by the number of credit hours you have earned toward graduation. You cannot register after the ending date of your assigned enrollment appointment.

**Note:** Be prepared to request non prime-time course sections to complete your schedule. Be persistent; the effort you spend during registration will save you a great deal of time and effort during the drop/add period.

- Step-by-step instructions on how to complete the registration process are located at http://sc.my.fsu.edu/Students/How-to.
- The system does not allow you to register for more than eighteen semester hours. Your academic dean can provide overload authorization. To register for overload hours, you must go to the Office of the University Registrar. See the ‘Course Load’ section of this chapter.
- The system allows you to register for an underload, but you still must obtain authorization from your academic dean.

**Step 4: Pay Tuition**

Tuition must be paid by the posted deadline at http://www.sfs.fsu.edu. Visit http://my.fsu.edu for account status and fee-payment options.

**Course Load**

For Summer semester, the following course loads apply:

<table>
<thead>
<tr>
<th>Session</th>
<th>A</th>
<th>B</th>
<th>C</th>
<th>F</th>
</tr>
</thead>
<tbody>
<tr>
<td>Maximum</td>
<td>15</td>
<td>9</td>
<td>9</td>
<td>14</td>
</tr>
<tr>
<td>Minimum</td>
<td>9</td>
<td>6</td>
<td>6</td>
<td>9</td>
</tr>
</tbody>
</table>

For any combination of sessions, the maximum is fifteen and the minimum is nine hours.

For Fall semester, undergraduate students in good standing may register for as many as eighteen semester hours in one semester and as few as twelve semester hours in one semester. Full-time course load is twelve semester hours or more in the Fall.

Should a student wish to register for fewer or more than the allowed hours, “Overload/Underload” approval must be obtained from the appropriate academic dean. All students receiving approval for “Overload/Underload” from their academic dean must submit the approval to the Office of the University Registrar. No student may register for more than twenty-one hours per semester. Full-time undergraduate students should take an academic load that will enable them to graduate within four years. Students should take into account the requirement to take nine hours of credit in the Summer.

International undergraduate students must enroll in at least twelve semester hours during each of the Fall and Spring semesters to maintain legal immigration status. International graduate students must enroll in at least nine semester hours, except in some specific cases. An international student adviser may authorize a reduced course load for a few specific reasons. International students who wish to enroll in a reduced course load for a given semester must submit a request for authorization to an adviser at the Center for Global Engagement before the end of the drop/add period for that semester. An unauthorized reduction in course load may result in serious immigration consequences. For a complete definition of full course of study for immigration purposes, to access the reduced course load information and request forms, please refer to http://www.cge.fsu.edu.

For graduate students, the minimum number of hours allowed is twelve per semester and the maximum is fifteen.

**Drop/Add or Changes of Schedule**

During the first four days of classes, individual courses may be added, dropped, or sections of a course changed through the portal at my.fsu.edu, from the My Courses portlet on the Student Home page; visit http://sc.my.fsu.edu/Student/How-To/Drop-a-Class-from-an-Open-Enrollment-Term-Current-or-Future for step-by-step instructions. Students are financially liable for all courses appearing on their schedule after the fourth day of classes.

Courses may be dropped after the drop/add period and through the seventh week of classes with the exception of mandated college preparatory courses, freshman composition, and courses involved in allegations of academic dishonesty; however, tuition charges remain. Approval by the student’s academic dean is required to reduce the academic load below twelve semester hours or increase an academic load above eighteen semester hours (to a maximum of twenty-one semester hours). Additionally, some colleges may require the student to use one of his/her “late drops” if the drop takes the student below...
twelve credit hours. Courses dropped during this period do not appear on the student’s transcript. To add courses after the first four days of classes requires the academic dean’s approval.

A cumulative maximum of two courses may be dropped between the eighth and twelfth week of classes during the semesters in which the student has earned fewer than sixty hours of college credit; tuition charges will remain. A student may only drop one course after earning sixty hours of college credit and until graduation; tuition charges remain. Approval by the student’s academic dean is required. Courses dropped during this period appear on the student’s transcript with the notation “W.” See the “Academic Calendar” in the Registration Guide for semester-specific deadlines.

Except in cases where a student is petitioning to use one of the three drops allowed under the policy above, any course drop petition after the seventh week of classes (with dates prorated for individual Summer sessions), will be considered only in documented exceptional circumstances that are beyond the student’s control, as determined by the student’s academic dean. Academic deans exercise their administrative and academic judgment in making final determinations about drop eligibility. Course drops are never approved when there are unresolved allegations of academic dishonesty in a course or when a course grade reflects an Academic Honor Policy penalty.

Such courses appear on the student’s transcript with the notation “WD.” Students who register for courses but who do not attend the classes receive grades of “F” if the courses are not officially dropped. Students changing from a previous bulletin year should consult their academic dean regarding limitations concerning the policy described above.

Registration by Student Categories

Non-Degree Seeking Students

All new non-degree seeking students on the main campus will be assessed a non-refundable application fee of $30.00, paid at the time of application. For specific policies concerning the registration and status of non-degree seeking students, consult the General Bulletin. For additional information, contact the Office of Admissions, University Center Building A2500, (850) 644-6200. Procedures and residency requirements for non-degree seeking student registration are the same as for regularly enrolled degree-seeking students as described on the preceding pages.

State Employees

Full-time state employees may use the State Employee Tuition Waiver to register for Florida State University classes. Individuals using the State Employee Tuition Waiver must be fully admitted degree-seeking or non-degree seeking students. Registration in classes using the State Employee Tuition Waiver is limited to a space-available basis. Florida State University does not consider the following as space-available courses: approved undergraduate limited access programs; remedial courses; dissertation, thesis, and directed individual study (DIS) courses; internship courses; all non-state funded courses (including some distance learning courses that are funded solely by student tuition and fees); Center for Administrative and Professional Development (CAPD) courses; College of Medicine courses; College of Law courses; and other one-to-one instruction courses. Accordingly, State Employee Tuition Waivers may not be used for these courses.

Florida State University accepts only the official State Employee Tuition Waiver Form, available online at http://registrar.fsu.edu/services/emp tua waiver/. Agencies may require additional paperwork or forms that will not be accepted unless accompanied by the State Employee Tuition Waiver Form.

State employees using a tuition waiver must obtain supervisor signatures and academic departmental approval on the tuition form and then submit the signed and completed tuition waiver to the Office of the University Registrar on the fifth day of classes only. State Employee Tuition Waivers may not be used for any course that is registered for prior to this space-available enrollment appointment. Thus, for any class obtained prior to the fifth day of classes, the student assumes personal financial liability for tuition.

Additional restrictions and deadlines apply. For additional information, including the link to download the State Employee Tuition Waiver Form, see the Office of the University Registrar’s Web site at http://registrar.fsu.edu/services/.

FSU Employees

Employees of Florida State University intending to take Florida State University classes may do so through the FSU Employee Scholarship program. Students taking courses at the host university on a satisfactory/unsatisfactory (S/U) basis will be held to the home institution policies regarding the total number of courses allowed on S/U basis or in a specific degree or major. Students are encouraged to consult their academic adviser about any limitations prior to registration. Community Service

The Center for Leadership & Social Change

At Florida State University, leadership, community involvement, and interculturalism are integral elements of a liberal arts education. With a mission to transform lives through leadership education, identity development, and community engagement, The Center for Leadership & Social Change (The Center) works towards the following vision:

• Students and alumni are responsible citizens and effective leaders. They are aware of and engaged in the world around them and use their talents and means to create a more just and humane society.

• Students are aware of their values and multiple identities, including the ability, age, class, ethnicity, faith structure, gender identity expression, nationality, race, sex, sexual orientation, and socioeconomic status. They recognize the intersection of these identities and acknowledge that multiculturalism enhances the quality of life. From this understanding, students belong to and create intercultural communities that benefit from the value of difference.

• Students and alumni are known and respected for their leadership acumen and public service tradition. In their personal, professional, and creative communities, they readily seek and accept opportunities for life-long learning, meaningful influence, and positions of trust.

The Center offers forty programs that students can choose from which include: service opportunities, leadership development, and intercultural education.

Students are welcome to schedule a meeting with an adviser. To schedule an appointment, go to the “Get Involved” section of the Web site at http://thecenter.fsu.edu or visit the Center. The Center also offers the ServScript Program which allows Florida State University students to enhance their official academic transcript by documenting their service hours online.

For more information, contact The Center for Leadership & Social Change, Division of Student Affairs, Dunlap Student Success Center, 100 S. Woodward Avenue, Tallahassee, FL 32306; (850) 644-3342; Fax (850) 644-3362; Web site: http://www.thecenter.fsu.edu; e-mail: thecenter@admin.fsu.edu.

ServScript Program

The purpose of the ServScript Program is to formally recognize students’ demonstrated commitment to community service. This commitment is documented through the description of students’ community service hours on their official FSU academic transcript. Transcripts are student records of scholarly achievement; as such, the ServScript program has created guidelines to clarify contained in the student’s educational record, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.

• The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

  Family Policy Compliance Office
  U.S. Department of Education
  400 Maryland Avenue, S.W.
  Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University’s student record policy. You can obtain a copy of the policy from the Office of the University Registrar; A3900 University Center; Florida State University; Tallahassee, Florida 32306-2480.

Graduation

Undergraduate students should request a graduation check from the Office of the University Registrar two terms prior to their anticipated graduation date, or at the time they have earned ninety hours of credit. A second check should be completed in the office of their Academic Dean one term prior to their anticipated graduation. Registration stops will be placed on students who have earned one hundred semester hours, including current term registration, but have not completed the graduation check. Graduate students should check with their department regarding degree requirements. Application for graduation must be made by the published deadline; students can apply online through the myFSU portal; refer to http://sc.my.fsu.edu/Students/How-to/Apply-to-Graduate for step-by-step instructions. Students who graduate in Summer 2014 must apply for and be readmitted to register for Fall 2014 or any subsequent term. Likewise, students who graduate in Fall 2014 must apply for and be readmitted to register for Spring 2015 or any subsequent term.

and recognize community service of consistent quality. To qualify for the ServScript Program, service hours cannot be court ordered or sanctioned, must be unpaid, and must benefit or contribute to the solution of a community need. They also must be completed and submitted within the same semester, no later than the deadline for each semester.

The ServScript Program is designed to encourage students to contribute their skills and resources to serve others. Through informed service, students gain compassion for others and the challenges they face. Recognizing these challenges, and the power of individual action to effect change, students may develop a commitment to practice social responsibility throughout their lives.

To participate in the ServScript Program, students need to print a ServScript Program form and keep track of their service hours on that form. Those hours must also be signed and verified by a supervisor. Students then log on to http://my.fsu.edu and select the ServScript Program Application from the Student Services section. Here, students can transfer information from their ServScript Program form to the online system. Service hours are only accepted for the current semester, and must be entered online by the deadline, which is the last day of the semester. The ServScript form and additional information about the program are available online at http://www.thecenter.fsu.edu/ServScript-Program.

Facilities and Equipment Fees

Florida State University assesses fees in seven areas where equipment is provided, used, and returned to the University. The use of this equipment is essential to the core of the curriculum in each area below. Students elect to use this equipment.

Payments can be made at Student Financial Service, A1500 University Center. Payment is due concurrent with tuition and fees for each term. Waivers for the Facilities and Equipment Fee may be granted by a committee appointed by the Dean of the appropriate college. A “stop” will be placed on the registration of all students who have not paid the fee or have been granted a waiver. In such case, students will not be able to register for classes, receive transcripts, or receive a diploma.

Fees will be placed in an auxiliary account for the purchase, repair, and maintenance of the equipment. Students will be responsible for the damage or loss of equipment. Refund of Fees
Students who drop a course without fee liability after their tuition and fees are paid, due to documented extenuating circumstance or administrative error, may be eligible for a tuition refund. Any amount paid in excess of the amount owed to the University during the semester/term will be carried forward and may be applied against subsequent University charges or may be refunded upon request. Any outstanding charges owed to the University will be deducted, and the balance will be issued as a refund. At the beginning of a semester, refunds will not be processed until the end of the third week of class to ensure that all checks have cleared the bank. Refunds requested during the fiscal year close-out, during the last two weeks of June, will not be processed until the first week of July. The refund will be processed as a credit to the student’s FSUCard account for currently enrolled students. The University will issue a check to the student’s address on file. Checks will be mailed to those students who are no longer enrolled. However, payments made by credit card will always be refunded to the credit card. Summer session refunds will start processing two weeks after the beginning of session C.

After this period, students who withdraw are held fully liable for fees. Students who withdraw and have received federal financial aid (Title IV programs) or state aid may be required to repay the aid source the amount of unearned financial-aid funds disbursed to them as of their withdrawal date as described in the section below on “Withdrawals and Return of...
Financial Aid.

In the case where a withdrawal petition is approved, a refund can be provided only if the refund withdrawal request is submitted within six months after the end of the semester in which the withdrawal occurred.

Note: The following fees are non-refundable: Web payment credit-card processing fees, admission deposit, admission application fee, FSUCard, and other fees as specified by certain schools or departments.

Deadline: If the financial aid is not sufficient to cover all charges, the student is responsible for paying the balance by the tuition payment deadline, (see the “Academic Calendar” in this Registration Guide.) After this date, a $100.00 late payment fee is assessed and grades will be held at the end of the semester until fees are paid in full.

Note: Financial Aid students who are having their tuition paid by an agency, department billing, or Florida Prepaid College Program must submit the required documents no later than the third day of the semester (see the “Academic Calendar” in this Registration Guide.) The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted payment due date.

Deferments: Financial aid deferments may be granted to students whose aid has not arrived by the published distribution date. Not having applied for financial aid is not a valid reason for applying for a deferment. The deadline to request a deferment is the tuition payment deadline. When deferments expire, students must pay their unpaid tuition balance in full or receive a late fee after the deadline. If tuition is not paid, students will not be able to register for future classes, receive a delayed delivery loan, grades, or transcripts. Students must confirm that their financial aid has arrived and that all requirements have been met by the deferment expiration date. Go to http://my.fsu.edu (from Secure Apps, click My Account Statement) you then will see your courses and fees detailed. With your temporary deferment, your total balance due may show “Zero” for the “Current Term Tuition.” When your financial aid arrives, the screen will show how much has been paid toward your tuition. You must ensure your financial aid pays your tuition by the deferment deadline, or you may be assessed a late payment fee of $100.00. You may check your financial aid status at http://www.financialaid.fsu.edu. For questions, please contact the Office of Financial Aid at ofacs@admin.fsu.edu or (850) 644-0539.

Withdrawals and Return of Financial Aid

Effective Fall 2000, students who withdraw and have received financial aid will be required to repay to the program source the amount of unearned financial-aid funds disbursed to them as of their withdrawal date. Programs include Pell Grants, Perkins Loans, Supplemental Educational Opportunity Grants (FSEOG), Stafford Loans (subsidized and unsubsidized), and Parent Loans (the Federal PLUS program), and other awards. The unearned amount of program funds is calculated based on the percentage of the semester completed before the date of withdrawal. The University and students receiving financial aid are required to return unearned financial aid to the aid source. The University is required to return the unearned portion of the financial aid funds received from withdrawing students that was used to pay institutional charges such as tuition, fees, housing, and other education-related expenses assessed by the institution. The funds returned to the aid source by the University will be credited against the students’ total liability of unearned funds. However, students will owe the University the amount returned to the aid source for institutional charges. In addition, any student who receives Title IV funds, stops attending classes during the semester, and does not officially withdraw from the University is considered an unofficial withdrawal, according to Title IV federal regulations. The University is required to return unearned financial aid to the federal government for all unofficial withdrawals in the same manner as students who withdraw officially.

Students must repay the unearned Title IV funds to any Title IV loan program in accordance with the terms of the loan. For Title IV loan programs, unearned federal loan funds are considered overpayments, and students are required to return fifty percent of the grant. Students who owe grant overpayments remain eligible for Title IV program funds for forty-five days if during those forty-five days the student: 1) repays the overpayment in full to the University; or, 2) enters into a repayment agreement with the University. However, entering into a repayment agreement does not mean the student is eligible to register for additional classes, receive a transcript, diploma, etc. Students can lose financial aid eligibility if they do not comply with the options above. Students should consider their repayment responsibilities for these programs as part of any withdrawal decision. Please contact the Office of Financial Aid for the most current restrictions on eligibility.

Bright Future Repayment Requirement

Section 1009.53, Florida Statutes states that Bright Future scholarship funds may not be used to pay for courses dropped by a student after the end of the drop/add period. This includes all courses dropped as part of the official withdrawal process. Students will be required to reimburse the University for the appropriate Bright Future portion disbursed based on the enrollment. A waiver of repayment requirement may be granted in the event of a documented illness or emergency. Appeals to waive the repayment requirement can be made to the Office of Financial Aid.

Exit Interviews

Federal and University regulations require that all recipients of federal loans participate in an exit-interview counseling session upon graduating, withdrawing from the University, or dropping below six credit hours. These loans include Perkins (NDSL), Subsidized Stafford (GSL), Unsubsidized Stafford (UGSL) and SLS loans. Failure to complete this procedure will result in the withholding of diploma and/or official transcripts. Counseling sessions can be completed by going to the Financial Aid Exit Interview link located under Secure Apps at https://my.fsu.edu.

Policy on Refunds for Audited Courses

Refunds may be granted for courses in which a student has requested permission to audit and subsequently rescinds this request before the fourth day of class. Verification that the audit request has been discontinued must be received in writing by the University Registrar before the fourth day of class. After this period, no refunds will be authorized unless exceptional circumstances are documented in writing and approved by the University Refund Committee.

Note: The refund request form or withdrawal form must be submitted to the Office of Student Financial Services within six months from the end of the term from which the student withdrew.

Delinquent Accounts

All delinquent University accounts must be paid before students may complete registration. Payment should be made by cash, money order or cashier’s check. Financial aid granted for use in an upcoming semester may not be used to pay current debt. Outstanding debt, including delinquent current semester tuition, will prevent you from registering until all delinquent fees are paid. Diplomas and official transcripts will not be issued when any amount is owed.
the University. Delinquent accounts are referred to a collection agency if fees are not paid in full. Collection costs are added to your outstanding balance. Delinquent accounts should be paid by cash, money order, or cashier’s check.

**Dishonored Checks or Electronic Payments**

Return Check Charge/Stop Payment Charge: $25.00 or five percent of the amount of the check, whichever is greater (subject to change) will be assessed to the student’s account. A returned check/stop payment charge is assessed against a student’s account who has a check or electronic authorization for payment returned by the bank to Florida State University. Florida State University automatically submits all personal checks twice for payment if the check was returned once for non-sufficient or uncollected funds. This is an automated process and the second submission cannot be stopped; there is no charge, however, assessed by Florida State University for this second submission. Repayment of returned checks must be made with cash, FSUCard, money order, or cashier’s check.

 Returned check charges are assessed for all personal checks written and electronic payments authorized for tuition, fees, or any services provided by the University that are returned to Florida State University for non-sufficient funds, uncollected funds, closed accounts, stop payments, etc., placed on checks. In addition to the returned check charge, if the initial payment is for tuition and redemption of the returned check is not made prior to the tuition payment deadline, a $100.00 late payment fee is assessed to tuition. Florida State University places a hold on accepting any personal checks or electronic payment authorizations on the student’s account for ninety days after redemption for any services, tuition, or fees that are owed to the University if a personal check or electronic payment authorization is returned. If a second check or electronic payment is returned, or if a stop payment is placed on it, the student will be permanently listed on all departments’ ACCEPT CASH ONLY list and no personal checks or electronic payment will be accepted from anyone on the student’s account from that day forward.

Notification will be given to the student by mail to the address on the check or to the last maintained address in Florida State University’s records. After notification that a check has been returned, redemption (including the service charge) must be made within fifteen days. Florida State University forwards all returned payments to the State Attorney’s Office for redemption and prosecution after collection efforts are exhausted. After a returned payment is forwarded to the State Attorney’s Office, restitution of the check will not prevent prosecution. **Cancellation of Student Schedules for Non-Payment of Tuition and Fees**

Students are expected to pay all tuition and fees by the published deadline for each semester they enroll. In accordance with Rule 6C-7.002(6), F.A.C., students who do not pay tuition and fees or make arrangements to pay tuition and fees by the end of the established fee payment deadline may have their schedules cancelled and academic progress discontinued for the semester. Students who are cancelled for non-payment of tuition and fees will not be permitted to attend classes or receive grades after the cancellation takes place.

It is important that all students ensure they have an active FSU e-mail account. The FSU e-mail account is the official method by which the University will communicate with students concerning any outstanding financial obligations, including outstanding tuition and fees. Students will receive an official e-mail communication from the Office of Student Financial Services at the end of the second week of the semester alerting them to the possibility of the cancellation of their current term’s schedule. Students will then have the opportunity to pay tuition and fees or make arrangements to pay tuition and fees to avoid being cancelled.

Students who fail to pay tuition and fees or make formal arrangements to pay tuition and fees by the end of the third week of the semester will receive an e-mail notification from the Office of the University Registrar. This notification will inform the student that his or her schedule has been cancelled and explain appeal process for the reinstatement of their schedule.

Students may check their account status online at any time at [http://my.fsu.edu](http://my.fsu.edu) (from Secure Apps, click My Account Statement) to determine any amounts owed to the university and to verify that payments have been made.

**Reinstatement of Student Schedules Cancelled for Non-Payment of Tuition and Fees**

Students whose schedules are cancelled for non-payment of tuition and fees may appeal to the University Registrar for the reinstatement of their schedule. The appeal must be made in writing and must be submitted to the University Registrar (A3900 University Center) no later than the end of the seventh week on the Fall or Spring semester. Consult the Summer edition of the Registration Guide for Summer term deadlines. The appeal will be reviewed and acted upon in a timely manner. Approval of the reinstatement of a student’s schedule is contingent upon verification from the Office of Student Financial Services that tuition and fees have been paid or that formal arrangements have been made for tuition and fee payment. Reinstatement of schedules will also include a $100.00 late registration fee and a $100.00 late payment fee. Checks or credit card payments that are returned or refused will negate any tuition and fee payment arrangements for the reinstatement of a student’s schedule. Also, the University reserves the right to deny reinstatement when a student has demonstrated a pattern of tuition delinquencies over a period of two or more semesters.
