Equal Employment Opportunity and Non-Discrimination Statement. The Florida State University is committed to a policy of non-discrimination for any member of the University community on the basis of race, creed, color, sex, religion, national origin, age, disability, veteran’s or marital status, or any other protected group status. This policy applies to faculty, staff, students, visitors and contractors in a manner consistent with applicable federal, state and University laws, regulations, orders and rules. The University’s standards of civility and collegiality recognize the dignity and value that each person contributes. In pursuing its mission of excellence as a comprehensive, graduate-research university with a liberal arts base, it is the policy of The Florida State University to create and maintain a harmonious, high performing work and educational environment. It is management’s intent for the work environment to be conducive to the betterment of the University. The Florida State University realizes that there is an advantage in incorporating diversity from all realms: cultural, positional and social, among others. Further, it is the aim of the University in all lawful ways to carry forward its stance by: ensuring accessibility of programs, services and activities to all users; implementing policies and procedures that ensure opportunities are available equitably to all; building multidimensional, diversified workforce reflective of their availability; fostering leadership and direction that guarantees an accountable, highly participatory, effective institution of higher learning at all levels; and communicating the same to all in various formats as applicable. To facilitate or otherwise ensure University-wide access and compliance in the areas of equal opportunity, equity and affirmative action, the University President has appointed a Director of Diversity Enhancement and Compliance, Cheryl Seals-Gonzalez, within Human Resources. This person shall foster diversity and inclusion of University-wide education programs and employment activities through collaboration with the Office of Dean of the Faculties and all other divisions and departments. Further, Human Resources and the Office of Dean of the Faculties serve the University in helping to create an ideal educational environment that encompasses fairness, respect and trust that is free from mistreatment, discrimination and harassment. Questions, complaints, issues and concerns regarding the above may be directed to your manager or supervisor, or Cheryl Seals-Gonzalez, Director, Office of Diversity Enhancement and Compliance at (850) 644-8082.

Persons with Disabilities. The Florida State University adheres to Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA) in prohibiting discrimination against any qualified person with a disability. Any student with a disability may voluntarily self-report the nature of the disability and identify needed accommodations to the Student Disability Resource Center, 108 Student Services Building. For employment matters, contact Human Resources. For faculty matters and reasonable accommodations, the Florida State University’s ADA Coordinator may be contacted as follows: Mr. Robert Pullen, Human Resources/Office of Disability Enhancement and Compliance, University Center, Bldg. A, Suite 6200. The Transition Plan, related updates, and self-evaluation reports are available for review in Human Resources/Office of Diversity Enhancement and Compliance. HIV/AIDS Policy. Students, employees, and applicants for admission or employment at The Florida State University who have or who may become infected with the HIV virus will not be excluded from enrollment or employment or restricted in their normal responsibilities and access to University services or facilities due to their HIV/AIDS status, unless individual medically-based judgments establish that exclusion or restriction is necessary for the welfare of the individual or of other members of the University community. That is, the University will not discriminate against otherwise qualified HIV-infected applicants, students, or employees. The Florida State University Committee on HIV/AIDS is responsible for monitoring developments with regard to HIV/AIDS, acting upon and administering the policies of the State of Florida, Division of Colleges and Universities and the University concerning HIV/AIDS and coordinating the University’s efforts in educating the University community on the nature and prevention of the disease. In addition, The Florida State University Committee on HIV/AIDS meets as needed to consider special problems related to HIV/AIDS which require University action. The University will be guided in its implementation of this policy by current authoritative medical information, applicable federal and state law, the State of Florida, Division of Colleges and Universities’ HIV/AIDS Policy, and the guidelines suggested by the Centers for Disease Control, the Public Health Service, the American College Health Association, and the Florida Department of Health. The Florida State University has designated HIV/AIDS counselors who are available to the University community. These counselors are: Celeste Paquette, M.D., Medical Director, Thagard Student Health Center, (850) 644-2026; and James Hennessey, Ph.D., Student Counseling, 644-2003. Required First Day Attendance Policy
University-wide policy requires all students to attend the first day of class meeting of all classes for which they are registered. Students who do not attend the first class meeting of a course for which they are registered will be dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. It remains the student’s responsibility to verify course drops and check that fees are adjusted.

Notification of Student Rights Under FERPA
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605. Students have the right to obtain a copy of The Florida State University’s student record policy. You can obtain a copy of the policy from the Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, Florida 32306-2480.

Sexual Harassment Policy
All students are responsible for knowing and adhering to the Florida State University Sexual Harassment Policy. This policy is available in the General Bulletin and the Graduate Bulletin and may also be found online at http://www.auditse rvices.fsu.edu/sh/index.html. Students who have questions, or who believe they may have been subjected to sexual harassment, should contact the Office of Audit Services Sexual Harassment Hotline at (850) 644-9013, or the Dean of Students Department at 644-9013.

Repeat Course Surcharge
Section 1009.285, Florida Statutes, mandates that each student attempting the same non-repeatable undergraduate course more than twice shall be assessed an additional per credit hour surcharge beginning with the third attempt. Attempted hours include those hours dropped, withdrawn, and repeated under FSU forgiveness which are fee liable. Undergraduate level courses are numbered 1000 to 4000.

Effective Fall Semester 2004, the repeat course surcharge was $169.12 per credit hour. Rate subject to change in Fall 2005.

For a list of exceptions to this policy, please consult the “Financial Information” chapter of the General Bulletin.

Drug and Alcohol Policy
All students are responsible for knowing and adhering to The Florida State University Statement for Students on the Unlawful Possession, Use or Distribution of Illicit Drugs and Alcohol. This policy is available in the General Bulletin and the Graduate Bulletin and may also be found online at http://registrar.fsu.edu/bulletin/undergrad/info/drugs.htm.

REGISTRATION INFORMATION

Garnet E-mail Accounts for All Students at The Florida State University

The official method of communication at The Florida State University is your ACNS Garnet e-mail account. In order to stay informed and aware, you are required to set up and maintain your account, and check it three times per week. If you choose to have your Garnet account forwarded to another e-mail account, you will still be held responsible for all information distributed by the University to your Garnet account. For more information (including how to set up your account) log on to http://student.access.fsu.edu or call the Office of Technology Integration Help Desk at (850) 644-8502, extension 1.

FSUCard

Your FSUCard is your key to university life while attending The Florida State University. Besides serving as a picture I.D., the FSUCard offers many important features. It is your library card, long-distance calling card, bank card, snack card, and copy card; you will need the card both to obtain Internet service and to gain entry into campus computer labs. Therefore, all students are required to have a photo FSUCard. There is a charge for the first card, which you will pay with your tuition. If you should lose or damage the card, the FSUCard Center (located in the Parking Garage) will replace it for a fee. The FSUCard Center is open from 8:00 a.m. to 5:00 p.m., Monday through Friday; (850) 644-7777.

Library Cards

Your FSUCard is your library card. Students sixty (60) years of age and older registered for tuition–free courses at The Florida State University may obtain a library card by presenting proof of enrollment and identification to the staff at Strozier Library. All library card users are subject to the regulations concerning library usage, the check-out of books and materials, and fines.

First Class Meeting Attendance Policy

Attendance at the first class meeting is mandatory unless properly excused by the class instructor. Students who do not attend the first class meeting of a course for which they are registered will be dropped from the course by the end of the first class meeting of that course. An instructor is entitled to assume that an absence is excused only if the student has notified the instructor in advance or can prove that the absence was beyond the student’s control. Students who do not attend the first meeting of a course for which they are registered will be dropped from the course by the end of the first class meeting of that course. A list of alternate courses will be made available to the student who fails to attend the first class meeting of a course for which they are registered.

Immunization Requirements

The State Board of Education requires all entering students born in or after 1957 to present documented proof of immunity against measles (Rubella and Rubeola) prior to registration. Failure to comply will result in a stop being placed on your registration. Call the Thagard Student Health Center Immunization Office (850) 644-6573, or 644-6587 for more information.

Immunization laws enacted by the State of Florida mandate that all university students must be informed of the risks of meningitis and hepatitis B. Log on to http://www.tshc.fsu.edu for more information.

Academic Advisement

The Florida State University is committed to a strong program of effective academic advising. Each degree-seeking student is assigned an academic adviser based on identified major, and should meet with that adviser at least once each semester to review academic progress and plan for future enrollments. To assure proper advising, the student must notify the appropriate dean of any intended major change. It is the student’s responsibility to ensure that he/she has met all course prerequisites and corequisites at the time of enrollment. Further, it is the student’s responsibility to submit all required forms and permits on time, correctly completed, and to the appropriate office. A student who chooses to register or make schedule changes without consulting an adviser accepts full responsibility for that schedule. Any student whose FSU overall GPA falls below a 2.0 should meet with an adviser before the end of drop/add. Problems with advising should reported to the student’s academic dean.

Personal Identification Numbers (PIN Codes)

Your birth month and year have been assigned to you automatically as your registration PIN code. When accessing your grades via the website, you will be required to change your registration PIN code from the birth month/year default to a unique four-digit code. You may also change your registration PIN code by calling (850) 644-8888 and selecting option “3” from the Student Access System or in person, with photo ID, at the Student Information Counter, Office of the University Registrar, A3900 University Center. Your registration PIN code may be changed as often as desired and should be regarded as confidential and under your control. Please memorize your new registration PIN code. You will need it to register for classes, to check your grades and to retrieve your financial aid distribution messages.

In order to provide security for a student’s confidential registration PIN, a lockout will occur after ten (10) consecutive access denials for attempting to access a student’s confidential records. This security lockout will prevent further access. Please call (850) 644-3403 to request reinstatement and be prepared to provide proper identification.

At The Florida State University students use multiple four-digit PINs to access personal services and accounts. Each of these PINs can be changed to (a) number(s) that each student can remember either by contacting customer service or by visiting the appropriate campus office. The Florida State University recommends that students do not keep these PINs written in their wallets and that they change their registration PIN.

The following list describes the various PIN types, their individual functions, and the services to which each provides access:

The Florida State University Communications PIN. Use when placing long distance calls which are billed to your current address and for The Florida State University’s “Seminole Circuit” customer service.

The Florida State University Registration PIN. Register for classes via the Web or telephone; Use self-inquiry kiosks to look up grades, review class schedule and university accounts receivable, and change your address; Financial Aid’s E’T system to check the status of financial aid applications. Make payments via http://www.fees.fsu.edu or at kiosks.

FSUCard/SunTrust Banking PIN. ATM withdrawals and deposits for SunTrust, Honor, and Cirrus; and POS purchases through the Honor System.

Prior to Registration

1. Contact your departmental office for any clearances or course authorizations you may need and resolve academic or administrative holds on your registration.

2. Undergraduate Studies students and transfer students must see their academic adviser prior to registration. All students are urged to consult their adviser prior to registration.

Note: first time students may be required to register for preparatory Math and/or English courses to complete registration.

3. Check your account status at http://www.fees.fsu.edu two weeks prior to your registration window. Tuition and fees owed to the University will prohibit registration.

The Registration Process

Step 1: Complete the Registration Worksheet

1. Be careful not to select courses that meet at the same time. The system will not check for time conflicts.

2. Consult the General Bulletin or Graduate Bulletin to check if a course requires a laboratory.

3. Double check the five digit reference number that appears in the Course Look Up (http://Registrar.fsu.edu).

4. List alternate courses.

Step 2: Register by Touchtone Telephone or via FSU Website at http://student.access.fsu.edu

If registering by telephone, do not use an automatic redial button. If you get a busy signal, the system is working but all lines are busy. Try again later.

1. You can call or use the web site to register any time during the “window” assigned to you by the number of credit hours you have earned toward graduation. You can also call back or use the website to Drop Add during that time.
You cannot register after the ending date of your assigned registration window.

2. Follow the steps on the “Telephone Registration Worksheet” when using the telephone.
   
   **Note:** Be prepared to request non prime-time course sections to complete your schedule. Be persistent; the effort you spend during registration will save you a great deal of time and effort during the Drop/Add period.

3. The registration system will not allow you to register for more than eighteen (18) semester hours. Your academic dean can provide overload authorization. To then register for overload hours you must go to the Office of the University Registrar. See the ‘Course Load’ section of this chapter.

4. The system will allow you to register for an underload, but you still must obtain authorization from your academic dean.

**Step 3: Obtain The Florida State University Card**

See the ‘FSUCard’ section of this chapter.

**Step 4: Pay Tuition**

Tuition must be paid by the date posted at http://www.fees.fsu.edu by selecting the “Student Financial Services” option in the “Money Matters” section. Visit http://www.fees.fsu.edu for account status and fee payment options.

**Late Registration**

Accomplished by telephone or website. A $100.00 fee will be assessed for students who register after late registration begins (see the “Academic Calendar” for session dates).

**Drop/Add Regulations**

1. Effective the first day of classes, a student cannot drop his/her last or only course (see ‘Student Cancellation of Schedule’ below).

2. After the last day of Drop/Add, students may only add courses with the approval of their academic dean.

3. Undergraduates who wish to drop chemistry laboratory courses at any point during the semester must obtain a signature from the Department of Chemistry and Biochemistry before returning the Drop/Add form to the University Registrar.

4. Students who do not maintain attendance and who do not officially drop a course will receive an “F,” and may be subject to federal financial aid refund regulations.

**Change of Schedule After Drop/Add**

A Drop/Add form must be completed and returned to the Office of the University Registrar. Certain deadlines apply when dropping a course, and the student should consult the Academic Calendar for specific dates. When adding a course, the student must pay for additional course hours within five (5) calendar days to avoid the late payment fee. Students should retain the student copy of the Drop/Add form for their records.

**Required Summer Attendance**

All students entering a state university as of August 1976, with fewer than sixty (60) semester credit hours must earn at least nine (9) semester hours prior to graduation by attending one or more summer terms at one of the state universities. The University President may waive application of this rule in cases of unusual hardship to the student. Students initiate appeal through their academic dean to the Dean of the Faculties (Board of Governors Rule 6C-6.016). Students entering The Florida State University beginning with Summer C 2002 will be exempt from the summer term requirement if they have earned nine (9) hours of credit through approved acceleration mechanisms as identified in Florida Statutes (AP, IB, CLEP, approved dual enrollment courses).

**Note:** Bright Futures scholarships are not awarded for Summer sessions.

**Withdrawal**

All students—degree seeking and special—who wish to leave the University after the fifth day of a term must officially withdraw from the University no later than seven weeks prior to the last day of the semester or term. See the “Academic Calendar” for the specific deadline date. Contact the Office of the Dean of Students, 644-1741. Students who withdraw within the first seven weeks of a term (to be adjusted accordingly for summer sessions) have no liability for grades; afterward, they will be assigned a grade of “W” or “F” at the discretion of their instructor. Students who do not officially withdraw will be assigned a grade of “F” for each course for which they are registered but fail to attend. These grading policies also apply to courses taken S/U.

**Enrollment Certification**

All student certifications will be by official request only. Students who need enrollment certification should make a written request directly to: Certification Section of the Office of the University Registrar, A3900 University Center, Tallahassee, FL 32306-2480 or go to http://www.studentsfirst.fsu.edu. Select “fill out a certification request.” Follow the instructions on the screen in order to obtain your certification letter. Your letter will be processed the following business day.

**Graduation**

Undergraduate students should request a graduation check in the Office of the University Registrar two terms prior to their anticipated graduation date or at the time they have earned ninety (90) hours of credit. A second check should be completed in the office of their academic dean one term prior to their anticipated graduation. Registration stops will be placed on students who have earned one-hundred ten (110) semester hours but have not completed the graduation check. Graduate students should
check with their department regarding degree requirements. Application for graduation must be made in the Office of the University Registrar by the published deadline. Students who graduate in the Spring of 2005 must apply for and be readmitted to register for Summer 2005 or any subsequent term.

Fee Payment Regulations

Students who enroll must pay fees and tuition in full by the tuition and fees payment deadline. Students who fail to pay tuition in full by the fee payment deadline will be assessed a late payment fee of $100.00. All waivers, vouchers, Intern Participation Certificates, agency billings, and department billings for all students. See http://www.fees.fsu.edu. Requests for waiver of the $100.00 Late Registration Fee may be submitted in writing to Current Records, Office of the University Registrar. Requests for waiver of the $100.00 Late Payment Fee may be submitted to the Office of Student Financial Services. Forms are available on the web at http://www.vpfa.fsu.edu/student/latefee.html. Waivers may be granted in situations involving administrative error or unusual circumstances beyond the control of the student. Students will be required to present written documentation of the circumstances involved.

Refund of Fees

Students who drop a course without fee liability after their tuition fees are paid may be eligible for a tuition refund. Any amount paid in excess of the amount owed (assessed fee and outstanding University charges) during the term will be carried forward and may be applied against subsequent University charges incurred by the student, subject to the student request. The refund will be processed as a credit to the student’s FSUCard account for currently enrolled students unless a check is requested on the refund form. Checks will be mailed to those students who are no longer enrolled.* Any outstanding charges owed to the University will be deducted from the balance of the refund. Students who withdraw after the fifth day of the semester, but prior to the end of the first four weeks of the term, (or for summer sessions, by the first twenty-five percent [25%] of the session) are eligible for a twenty-five percent (25%) refund of tuition and fees. After the first twenty-five percent (25%) of the session, students who withdraw are held fully liable for fees. Refunds will not be processed during the fiscal year close-out (last two weeks of June.) Students must submit a refund request form to Student Financial Services, A1500 University Center.

Note: in the case where a withdrawal petition is approved, a refund can only be provided if the refund or withdrawal request is submitted within six months after the end of the semester in which the withdrawal occurred. If financial aid is received by the student during the term in which the refund is granted, federal regulations may require that the refund be returned to the aid source.

*Accounts paid by credit card will be refunded to the credit card.

Fees and Financial Aid Students

Students who are attending class for three (3) semester hours in A, B, or F Sessions and three (3) semester hours in C, D or E Session (i.e. only six[6] hours) will not be eligible to receive financial aid until distribution for C, D or E Session. Please note that E Session is not being offered for Summer 2005.

The University distributes aid in two ways for all registered financial aid students whose funds are available to the Office of Student Financial Services on the date the aid is disbursed as published. For the most current information go to http://www.sfs.fsu.edu. Students must complete a Disbursement Authorization Statement (DAS) choosing one of the following two ways to receive financial aid:

1. By Electronic Funds Transfer (EFT) to your FSU Card Account at SunTrust. Approximately 80% of the student body receiving financial aid at FSU have chosen to process their aid electronically and take advantage of the fastest and most reliable method of receiving their financial aid; or

2. By a check mailed to your local address.

3. Exceptions:

a. Students must check their status at http://www.ais.fsu.edu/finaid or at http://www.fees.fsu.edu. You may pick up your check on the published date after the hold has been resolved. You must present a picture ID to either pick-up your financial aid or receive a short term loan. In order to receive your aid, you must be enrolled for the required number of hours (a minimum of six [6] semester hours for part-time students and twelve [12] semester hours for full-time); and

b. Students whose financial aid has not arrived by the beginning of the semester should receive a tuition deferment if application was made by the financial aid deadline. After the distribution dates at the beginning of the semester, additional funds that become available will be disbursed daily and mailed or sent to the FSUCard account in accordance with the selection made on the student’s Disbursement Authorization Statement (DAS). Students must confirm their application is complete by the first

Changes to Disbursement for Federal Stafford Loans and Federal Parent Loans for Undergraduate Student (PLUS)

All Federal Stafford and Federal Parent loans certified on or after October 1, 2002, are subject to the multiple disbursement requirements. The first disbursement each semester is restricted to half of the loan funds scheduled to be received for that respective semester. The balance of the loan funds for the semester cannot be disbursed until after the midpoint of the semester.

Federal regulations requiring delays in disbursements of loans. Students who take out a loan for the first time at The Florida State University may not receive their disbursement until 30 days after the beginning of the semester. Students who take out a loan for one semester (i.e. only Fall or only Spring) will receive one-half of their loan at the regular disbursement period and the second half at the mid-point of the semester. This split disbursement rule also applies to all Summer semester students in Sessions A, B, and F.

First-Time Borrowers: Students enrolled in the first year of an undergraduate program of study, including students that have not previously received a Stafford, Direct Subsidized, or Direct Unsubsidized loan are not eligible for disbursement of Title IV funds 30 days after the first day of the student’s program of study.

All financial aid students must check their financial aid status by visiting http://www.fees.fsu.edu or calling (850) 644-0539 on the scheduled call-in date.

Your administrative messages will not appear in your voice mail until the call-in date. After dialing (850) 644-0539 and entering your social security number and your registration PIN, select the optional features menu according to the voice instructions.

The message for those students who have chosen to have their financial aid processed using EFT and their FSUCard account will provide a detailed description of each debit and credit transaction.

You will use your registration personal identification number (PIN) to gain access to your administrative messages using this voice mail system.

If you have any questions, please call (850) 644-1264 at the Office of Student Financial Services. Call 1-800-786-8787 for information about your FSUCard account at SunTrust.

Deadline: if the financial aid is not sufficient to cover all charges, the student is responsible for paying the balance by the tuition payment deadline (see the “Academic Calendar” in this Registration Guide) for this date or a $100.00 late payment fee is assessed and grades will be held at the end of the semester until fees are paid in full. Some students may be eligible for a short-term loan against their financial aid. These funds are made available upon the published date during the second week of the semester. Students must contact the Financial Aid Office to determine if their financial aid has arrived and all requirements have been met by the deferment expiration date. Go to http://www.fees.fsu.edu

and log in; you then will see your courses and fees detailed. To view your deferment amount and deadline, click on the “Details” button next to “Arrangements.” With your temporary deferment, your total balance due may show “$zero” for the “Current Term Tuition.” When your financial aid arrives, the screen will show how much has been paid toward your tuition. You must ensure your financial aid pays your tuition by the deferment deadline. If you have questions, contact us at sfs@admin.fsu.edu or (850)644-9452. Also, check your financial aid status at http://www.fees.fsu.edu.

Note: Financial Aid students who are having their tuition paid by an agency, department billing, or Florida Prepaid College Program should submit the required documents no later than the fifth day of the session (see the “Academic Calendar” of this Registration Guide). The basic requirements A, B, and F Sessions will not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted payment due date.

Withdrawals and Return of Financial Aid

Students who withdraw, officially or unofficially, and have received federal financial aid (Title IV programs) will be required to repay to the federal program the amount of unearned financial aid funds disbursed to them as of their withdrawal date. Title IV programs includes Pell Grants, Perkins Loans, Supplemental Educational Opportunity Grants (FSEOG), Stafford Loans (subsidized and unsubsidized), and Parent Loans (the Federal PLUS Program). The unearned amount of federal program funds is calculated based on the percentage of the semester completed before the date of withdrawal. Both the University and students receiving federal financial aid are required to return unearned financial aid to the federal government.

The University is required to return the unearned portion of the Title IV funds it received from withdrawing students that was used to pay institutional charges such as tuition, fees, housing and other educationally-related expenses assessed by the institution. The funds returned to the federal government by the University will reduce the student’s total liability of unearned funds. However, students will owe the University the amount returned to the federal government for institutional charges.

Students must repay the unearned Title IV funds to any Title IV loan program in accordance with the terms of the loan. For Title IV loan programs, unearned grant program funds are considered overpayments and students are required to return fifty percent (50%) of the grant. Students who owe grant overpayments remain eligible for Title IV program funds for 45 days if during those 45 days the student: 1) repays the overpayment in full to the University, or 2) enters into a repayment agreement with the University.

However, entering into a repayment agreement does not mean the student is eligible to register for additional classes, receive a transcript, diploma, or graduate. Students can lose Title IV eligibility if they do not comply with the options above. These are federal requirements for Title IV financial aid programs and students should consider their repayment responsibilities for these programs as part of any withdrawal decision.

Important Information about the Summer 2005 Financial Aid Distribution Schedule

All Sessions:

Students are required to apply for Summer financial aid separately from the Fall/Spring applications. Students are required to be attending a minimum of six (6) semester hours to receive financial aid. If a student is attending three (3) semester hours in A, B, F Sessions and three (3) credit hours in C Session, the student will not be eligible to receive his financial aid until the distribution for C Session is received.

All Loans for A, B, F Sessions:

Students receiving loans for the first time at The Florida State University and attending A, B, F Sessions will receive one-half of their loan 30 days after the beginning of the session, after June 7, as posted. The second half of their loan will be disbursed after June 27, as posted.

Students who have received loans at the University previously and are attending A, B, F Sessions will receive one-half of their loan during the second week of the session, as posted and the second half of their loan after June 27, as posted.

Loans for D Sessions:

Students receiving loans in D Session will receive their entire summer loan during the second week of the session, as posted.

Loans for C Sessions:

Students receiving loans in C Session will receive their entire summer loan during the second week of the session, as posted.

Exit Interviews

Federal and University regulations require that all recipients of federal loans participate in an exit interview counseling session upon graduating, withdrawing, or dropping below six (6) semester hours. These loans include Perkins (NDSL), Subsidized Stafford (GSL), Unsubsidized Stafford (UGSL) and Federal Parent Loans (the Federal PLUS program). Failure to complete the procedure will result in the withholding of diploma and/or official transcripts. Graduating students planning to continue their academic studies at The Florida State University should contact the Office of Student Financial Services to ensure that their exit interview stop is removed. Students should go to the “Money Matters” section of http://www.studentsfirst.fsu.edu and click on the “Exit Interview for Financial Aid” link.

Delinquent Accounts

All delinquent university accounts must be paid before students may complete registration. Payment should be made by cash, money order or cashier’s check. Outstanding accounts, including delinquent current semester tuition, will prevent you from registering until all delinquent fees are paid. Diplomas and official transcripts will not be issued when any amount is owed the University. Delinquent accounts are referred to a collection agency if fees are not paid in full. Collection costs are added to your outstanding balance. Delinquent accounts should be paid by cash, money order or cashier’s check.
Dishonored Checks or Electronic Payments

Return Check Charge/Stop Payment Charge: $25.00 or five percent (5%) of the amount of the check, whichever is greater (fee subject to change). A returned check/stop payment charge is assessed against a student’s account who has a check or electronic authorization for payment returned by the bank to The Florida State University. The Florida State University automatically submits all personal checks twice for payment if the check was returned once for nonsufficient or uncollected funds. This is an automated process and the second submission cannot be stopped; there is no charge, however, assessed by The Florida State University for this second submission.

Returned check charges are assessed for all personal checks written and electronic payments authorized for tuition, fees, or any services provided by the University which are returned to The Florida State University for nonsufficient funds, uncollected funds, closed accounts, stop payments, etc., placed on checks. In addition to the returned check charge, if the initial payment is for tuition and redemption of the returned check is not made prior to the tuition payment deadline, a $100.00 late payment fee will be assessed. If a second check or electronic payment is returned or a stop payment is placed on it, the student will be permanently listed on all departments’ ACCEPT CASH ONLY list, and no personal checks or electronic payment will be accepted from anyone on the student’s account from that day forward. Repayment of a returned check or electronic payment must be made with cash, FSUCard, money order or cashier’s check.

Notification will be given to the student via mail to the address on the check or to the last maintained address in The Florida State University’s records. A copy of the notification letter will also be sent to the maker of the check, and the address on the check if the student is not the person on whose account the funds are drawn. After notification that a check has been returned, redemption including the service charge must be made within seven (7) working days. The Florida State University forwards all returned payments to the State Attorney’s Office for redemption and prosecution after collection efforts are exhausted. After a returned payment is forwarded to the State Attorney’s Office, redemption of the check will not prevent prosecution.

Parental Access to Financial Records

Students may give a designated parent(s) authority to review their University financial status by completing and returning a Release of Financial Records form found at http://www.vpfa.fsu.edu/control/forms or by going to the Office of Student Financial Services at A1500 University Center. Students may grant designated parent(s) access to their account via the Internet at http://www.fees.fsu.edu.

Special Student Information

All new special students on the main campus will be assessed a non-refundable fee of $30.00 paid at the time of application. For specific policies concerning the registration and status of special students, consult the 2004–2005 edition of the General Bulletin or 2003–2005 edition of the Graduate Bulletin. For additional information, contact the Office of Admissions, University Center Building A2500, (850) 644-6200. Procedures and residency requirements for special student registration are the same as for regularly enrolled degree seeking students as described on the preceding pages.

State Employee Registration

State employees may use the state employee tuition waiver to register for Florida State University classes. Registration in classes using the state employee tuition waiver is limited to a space-available basis. Individuals using the state tuition waiver must be fully admitted degree-seeking or non-degree seeking students. The Florida State University does not consider the following as space-available courses: limited access programs; remedial courses; dissertation, thesis, and directed individual study (DIS) courses; internship courses; distance learning courses; Center for Professional Development (CPD) courses; College of Medicine courses; College of Law courses; all graduate program courses in the College of Business; and other one-to-one instruction courses. Accordingly, state employee tuition waivers may not be used for these courses.

The Florida State University accepts only the official FSU State Employee Tuition Waiver Form. Agencies may require additional paperwork or forms that will not be accepted unless accompanied by the FSU State Employee Tuition Waiver Form.

State employees using a tuition waiver must complete the registration process and submit the tuition waiver to the Office of the University Registrar on the fifth day of classes only. State employee tuition waivers may not be used for any course that is registered for prior to this space-available registration window. Thus, for any class obtained prior to the fifth day of classes, the student assumes personal financial liability for tuition.

Additional restrictions and deadlines apply. See the Office of the University Registrar’s website at http://registrar.fsu.edu/services/emp_tuit_waive/ for additional information including the link to download the State Employee Tuition Waiver Form.

FSU Employee Tuition Scholarship

Employees of The Florida State University intending to take FSU classes may do so through the FSU Employee Scholarship program. See the Human Resources website at http://hr.fsu.edu/Scholar.html for details, restrictions, and deadlines.

Registration for FAMU—FSU Cooperative Program

Consult the “Academic Calendar” in this Registration Guide for registration dates. Under a cooperative arrangement with Florida A&M University, Florida State University students may take courses at FAMU that will count as credit earned at The Florida State University. Such courses normally will be taken on an S/U basis. Courses offered at The Florida State University may not be taken at FAMU. Exceptions may be granted by your academic dean, whose office also determines eligibility based on courses already completed at The Florida State University. After receiving the approval of the academic dean, contact the FSU—FAMU Cooperative Coordinator in the Office of the University Registrar.

Auditing Courses

Seating privileges will be afforded to currently enrolled students and non-students, after registration, on a space available basis. Admission to The Florida State University is not required; no credit will be given and no permanent record will be maintained for audited courses.

Procedures

1. Pick up an “Audit Approval Form” from the Office of the University Registrar during the first week of classes.
2. Fill out the form and obtain both the instructor’s approval and clearance from the University Student Health Center.
3. Return the approved form to the Office of the University Registrar for final approval and class registration.
4. Pay fees during fee payment in the cash line at the designated fee payment location. No waivers or deferments may be used, except for those age sixty (60) or over.
5. Present the form to your instructor at the next class meeting.

Policy on Refunds for Audited Courses

Refunds may be granted for courses in which a student has requested permission to audit and subsequently rescinds this request before the fifth day of class. Verification that the audit request has been discontinued must be received in writing by the University Registrar before the fifth day of class. After this period, no refunds will be authorized unless exceptional circumstances are documented in writing and approved by the University Refund Committee.

Note: The request refund form or withdrawal form must be submitted to the Office of Student Financial Services within six months from the end of the term from which the student withdrew.

Installment Contracts Are Not Available for Summer Sessions
Tuition–free Courses for Those Sixty Years of Age and Older

All fees are waived for persons sixty (60) years of age or older who are Florida residents and who attend credit classes.

1. Under this tuition-free option, registration is allowed on a space available audit basis only (see above) and does not include thesis, dissertation, applied music courses or other courses requiring individual instruction.
2. No credit will be given and no permanent record will be maintained.
3. Audit forms are available from the Office of the University Registrar. Proof of age and Florida residency must be presented to the Office of Student Financial Service before returning completed audit forms to the University Registrar.

Grade Reports

Semester grades are reported via The Florida State University Interactive Voice Response (IVR) System and by The Florida State University homepage on the Web.

Using the IVR, students may obtain grades by dialing (850) 644-8888 and selecting option number “2” and following the voice response prompts. A unique registration PIN may be required if a student has not previously done so.

Consult the Academic Calendar for the dates grades will be available.

Semester grades are also available via the FSU homepage on the Web on the same dates as above. Students may obtain their grades at http://www.fsu.edu/students. To access grades using the website, students will be required to change their registration PIN from the birth month/year default to a unique numeric four-digit code. The registration PIN may be changed as often as desired and should be regarded as confidential. Please remember your new registration pin. You will need it to register for classes.

Phone Monitoring

Students should be aware that phone calls placed to The Florida State University’s interactive telephone network for course registration, CLAST registration, financial aid, or admissions services may be periodically monitored to ensure that the appropriate quality control is maintained.

To Prevent Publication of Directory Information

The educational record designated as Directory Information may be released or published by the University without prior written consent of the student unless exception is made in writing by the student. Appropriate forms are available in the Office of the University Registrar. Such written exception must be received prior to the first class day of the academic year. Once received, that request will remain in effect until notification to the contrary is received by the Office of the University Registrar. Directory Information includes:

1. Name.
2. Date and place of birth.
3. Local address.
4. Permanent address.
5. Telephone number (if listed).
6. Classification.
7. Major.
8. Participation in official University activities and sports.
9. Weight and height of athletic team members.
10. Dates of attendance.
11. Degrees, honors and awards received.
12. Most recently attended educational institution.

Center for Civic Education and Service

Working closely with the faculty at The Florida State University, the Center for Civic Education and Service has helped to identify a list of courses as service-learning courses currently offered. This list is not intended to be exhaustive, as the process of discovering classes that combine service with learning is ongoing. Students should be aware that only selected sections of each course are service-learning, and therefore they should ask the proper academic department which sections have been designated service-learning.

A commonly accepted definition views service-learning as a teaching/learning methodology: 1) in which students learn and develop through active participation in thoughtfully organized service experiences that meet actual community needs coordinated in collaboration with the school and the community; 2) that is integrated into the student’s academic curriculum or provides structured time for a student to think, talk, or write about what the student did and saw during the actual service activity; 3) that provides students with opportunities to use newly acquired skills and knowledge in real-life situations in their own communities; and 4) that enhances what is taught in school by extending student learning beyond the classroom and into the community and helps to foster the development of a sense of caring for others.

Please contact staff at the center, located at 930 W. Park Ave or call (850) 644-3342 if you would like to discuss any ideas or suggestions about service-learning at The Florida State University. Visit our website at http://www.fsu.edu/service.

Facilities and Equipment Fees

The Florida State University assesses fees in four areas where equipment is provided, used, and returned to the University. The use of this equipment is essential to the core of the curriculum in each area below. Students elect to use this equipment.

Payments can be made at Student Financial Service, A1500 University Center. Payment is due concurrent with tuition and fees for each term. Waivers for the Facilities and Equipment Fee may be granted by a committee appointed by the Dean of the appropriate college or school. Full or partial refunds may be granted pursuant to the university’s tuition and refund policy.

A “stop” will be placed on the registration of all students who have not paid the fee or have been granted a waiver. In such case, students will not be able to register for classes, receive transcripts, or receive a diploma.

Fees will be placed in an auxiliary account for the purchase, repair, and maintenance of the equipment. Students will be responsible for the damage or loss of equipment. The school or college will assess the student for damage and loss charges and will submit the charges to Student Financial Services for collection.

The four areas are listed below:

**Medicine**

Students in the College of Medicine will be charged a fee of $250.00 per semester for the use of laptop computers, PDAs, software, and other shared resources. Equipment fees for the College of Medicine will not be charged for the Summer session.

**Music**

Students majoring in music will be charged an instrument/equipment use fee in the amount of $90.00 per semester.

**Nursing**

Students majoring in nursing will be charged an equipment fee in the amount of $10.00 per semester.

**Underwater Crime Scene Investigation**

Students enrolled in the certificate program in Underwater Crime Scene Investigation will be charged an equipment fee of $90.00 for each of the following lab courses: CJE 3761L, 4762L, 4763L, 4764L, 4765L, 5766L, 5767L, 5768L, and 5769L.

**Fees for Cooperative Education**

Students enrolled in a cooperative education course with zero (0) semester hours will be charged for one (1) semester hour of Florida Resident undergraduate work, unless also enrolled in other credit courses at The Florida State University during the same academic term.

**Fees for Graduate Examinations**

Students registering for zero (0) semester hours for master’s comprehensive examination, master’s thesis defense, or dissertation defense, will be charged for one (1) Florida Resident graduate semester hour, unless also enrolled in other credit courses at The Florida State University during the same academic term.

**Fees for Graduate–level Zero (0) Semester Hour Courses**

Students registered for zero (0) semester hour graduate level courses and additional courses will not be charged for the zero semester hour course. When registering for a zero semester hour course only, the student will be charged for one (1) Florida Resident tuition semester hour at the rate of the course level.

**Health Insurance**

Students seeking degrees in certain majors, including film, assume any exposure to particular hazards associated with that major. As protection for our students, the Film School requires that majors present proof of health and accident insurance (copy of policy showing the student as covered) prior to registration in the Fall Semester each year. Students are expected to maintain this insurance throughout their enrollment in the Film School. Registration will be administratively canceled at the end of the second week of classes for any students failing to provide proof of insurance.

Through the ServScript program at Florida State University, you can record your hours in service to the community on your official FSU transcript. Your transcript is a permanent record of your academic achievements and a direct reflection of your college career to potential employers and graduate and professional schools.

ServScript Guidelines

- In order to participate in the ServScript program, you must register your volunteer profile at the Center for Civic Education and Service or online at www.fsu.edu/~service.
- A minimum of 20 hours of service per semester must be completed to qualify for the ServScript program.
- Service tasks performed must meet the program criteria as determined by the Center for Civic Education and Service (see criteria). All activities are subject to review by a Peer Review Committee.
- Please contact the Center for Civic Education and Service for approval if you are unsure if your service will meet the criteria.
- Service must be completed at an agency or organization whose mission involves meeting the needs of the community.
- All forms must contain the agency, organization, or project supervisor’s signature for each activity completed.
- Correction fluid should not be used. If a mistake is made, please cross out the entire line.
- Service hours from a previous semester will not be accepted.
- All forms must be mailed, faxed, or turned in to the Center for Civic Education and Service no later than the Wednesday before final exam week of the current term. The due date will be the last day to complete hours for that semester (please see other side for deadlines).
- If service is completed at the same agency over a period of time within a given semester, a range of dates may be used to record that service. See example on reverse side.

Examples of Community Need Areas

Examples: Cook/serve/deliver food for the homebound or homeless • Staff a health clinic • Teach English as a second language • Tutor, mentor, or coach youth • Visit with the elderly • Volunteer in a shelter for the homeless.

- RESEARCH SERVICE involves students in collecting information for the public interest or welfare. Examples: Work in a laboratory that meets a community need • Conduct energy audits in public buildings • Test water to assist with restoration efforts • Conduct research to protect endangered species.

Examples: Conduct information campaigns • Draft legislation that helps or protects the community • Lobby on behalf of a community issue • Conduct nonpartisan voter registration drives • Organize a nonpartisan letter writing campaign for a social issue.

I have read and understand the ServScript guidelines and criteria. I certify that I have completed all the hours recorded on this form.
