## Statement of Publication

*The Florida State University Registration Guide* Spring Edition of the *General Bulletin* is published annually in September by Florida State University, Office of the University Registrar, Tallahassee, FL.
President’s Statement on Equal Opportunity and Non-Discrimination

Florida State University is an equal opportunity employer and educational provider committed to a policy of non-discrimination for any member of the University’s community on the basis of race, creed, color, sex, religion, national origin, age, disability, genetic information, veterans’ status, marital status, sexual orientation, gender identity, gender expression, or any other legally protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable laws, regulations, ordinances, orders, and University policies, procedures, and processes.

In pursuing its mission of excellence as a comprehensive, research university with a liberal arts base, the University strives to create and maintain a harmonious, high performance work and educational environment.

It is my expectation that all members of our community are provided equitable opportunities to succeed and enrich the strength, skill, and character of the University. It is also expected that all members of our community will help create a work and educational environment that promotes fairness, respect, and trust, free from discrimination, harassment, or retaliation. Behavior that may be considered offensive, demeaning, or degrading to persons or groups will not be tolerated.

The University will continue to reinforce its commitment of non-discrimination to all groups protected by local, state, and federal law. We will continue to monitor our methods of recruitment, retention, and advancement of qualified faculty, staff, and students and annually examine our affirmative action plan, as prescribed by federal guidelines, to measure whether our campus is reflective of the community we serve.

The University further recognizes that forms of discriminatory or harassing behavior may create an intimidating or hostile environment that interferes with the University’s mission. As a result, the University has established internal complaint procedures available to all who believe their experience on any of our campuses has been less than appropriate.

To facilitate University-wide compliance, I have appointed Renisha Gibbs, Associate Vice President for Human Resources, Finance and Administration Chief of Staff, to develop, administer, and coordinate University-wide initiatives and complaint investigations. This will be accomplished through collaboration with the Title IX Director; Dean of Students Department; the Office of Faculty Development and Advancement; the Athletics Department; and all University divisions, colleges, and departments.

Questions regarding the above may be directed to your supervisor or Renisha Gibbs at (850) 644-8082 or rgibbs@fsu.edu. To view the University’s Equal Opportunity, Non-Discrimination, and Non-Retaliation Policy in its entirety, go to http://policies.vpfa.fsu.edu/policies-and-procedures/faculty-staff/equal-opportunity-and-compliance-eoc#I3.

President’s Statement on Title IX

“No person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX).

Florida State University does not discriminate on the basis of sex/gender in education programs and activities, and, as a recipient of Federal financial assistance for education activities, is required by Title IX to ensure that all of its education programs and activities do not discriminate in such a manner. Sexual harassment, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. Additionally, the Florida Educational Equity Act prohibits discrimination in schools based on race, ethnicity, national origin, gender, disability, or marital status. Fla. Stat. § 1000.05 (2012). Furthermore, this commitment is reaffirmed in FSU’s Sex Discrimination and Sexual Misconduct Policy, which is applicable to all faculty, staff, students, visitors, applicants, and contractors.

The University’s Title IX Director is responsible for overseeing the development of sexual misconduct policies, ensuring compliance with Title IX and relevant federal and state regulations, and investigating Title IX complaints alleging student sexual misconduct. The Human Resources Deputy Coordinator will oversee investigations of sexual misconduct by employees and third parties. The Athletics Deputy Coordinator will accept Title IX incident reports to forward to the Title IX Director, and will ensure athletics equity compliance. The FSUS Deputy Coordinator will oversee investigations of sexual misconduct by K-12 students. Questions regarding Title IX, as well as concerns about and complaints of non-compliance (including complaints of sexual harassment, sexual assault, sexual violence, or other sexual misconduct), should be directed to the Title IX Director or a Title IX Deputy Coordinator.

of sexual misconduct may also constitute violations of criminal law and require mandatory reporting to the FSU Police Department, e.g., sexual battery, indecent exposure, sexual abuse, etc. In such instances, refer to the University’s Sex Discrimination and Sexual Misconduct Policy and contact the FSU Police Department at (850) 644-1234. Questions about the application of Title IX may also be directed to the Office for Civil Rights, US Department of Education.

**Title IX Frequently Asked Questions:** For an expanded explanation of each answer, please follow the link.

What is Sexual Misconduct?

An umbrella term used to refer to a broad range of sexually inappropriate behaviors prohibited by Florida State University Policy. Sexual Misconduct includes all forms of non-consensual sexual activity and unwelcome sexual conduct including: sexual violence (rape/sexual battery/sexual assault); relationship violence (domestic violence and dating violence); stalking; sex- and gender-based discrimination (including gender identity, gender expression, and sexual orientation); sexual harassment; and other forms of sexually exploitative behavior. For definitions of sexual misconduct, please see Appendix D of the full Policy.

Is discrimination based on pregnancy or parental status a type of sex discrimination?

Yes. Additionally, reasonable pregnancy and parental accommodations may be available, upon request. For information contact the Office of Equal Opportunity and Compliance.

Who is protected from sexual misconduct under Title IX?

All University students, employees, and visitors are protected. This protection is regardless of gender, sexual orientation, sexual identity, race, religion, national origin, and any other protected group status. Students from elementary to graduate school are protected, regardless of full- or part-time or online status.

What is Consent?

Consent is active and ongoing, it is not passive or static! (See Appendix D of the Policy for the full definition) Consent includes:

- Asking the question of a capable person with adequate disclosure and without coercion.
- A capable person is someone who is not incapacitated. An individual can be incapacitated by drugs, alcohol, illness, or mental impairment/disability. People who are asleep or unconscious are always incapacitated.
- Consent can be withdrawn at any time.
- Prior consent does not mean future consent.

How do I get confidential support?

You can seek confidential support from the University’s Victim Advocate Program, University Counseling Center, Employee Assistance Program, University Health Center, or University affiliated pastoral counselors.

Confidential disclosure does not generate a Title IX report, unless the disclosing party specifically requests that a report be filed. Confidential assistance is available anytime regardless of when the incident occurred. Additional resources can be found within the full Policy.

How do I file a report?

Individuals may report information on their own behalf or on behalf of another. A report may be made, verbally or in writing (including online) by bringing the matter to the attention of: Title IX Director; Deputy Title IX Coordinator; FSUPD; or any additional Responsible Employees. There is no time limit for an Affected Party to make a Title IX report, but it may be more difficult to conduct a thorough investigation after an extended period of time. See Section IX of the full Policy.

Can I file a report online?

Who MUST report sexual misconduct?

All Responsible Employees, including but not limited to faculty, adjuncts, staff, graduate assistants, and student employees. As a responsible employee, you must report any student or subordinate disclosure within two business days. When in doubt, report to the Title IX Director; privacy will be maintained within the scope of the law. Note: Employees and students are encouraged to report peer-to-peer (colleague-to-colleague or student-to-student) disclosure, but are not required to do so.

What do I do if a student discloses to me?

If you are a Responsible Employee, you must report to the Title IX Director, Deputy Title IX Coordinators, or Title IX Investigators. If not a Responsible Employee, you should encourage the student to seek support services. See Appendix E of the full Policy.

What if the student who discloses is a minor (or was a minor when the abuse occurred)?

In addition to reporting to the Title IX Director or designee, any incidents of abuse of a minor must also be reported to the Florida Department of Children and Families (DCF) by every individual who is made aware of the abuse. Under Florida’s Protection of Vulnerable Persons Act, all Florida residents must personally report any type of child abuse. For more information, please see Protection of Vulnerable Persons Act Tips.

What is the difference between a criminal and FSU/FSUS process?

Individuals have the right to pursue both the criminal and internal University processes. They can be pursued independently or simultaneously. We encourage individuals to pursue both processes. The criminal process is conducted by local law enforcement and the state prosecutor’s office. The criminal process can result in incarceration and the evidentiary standard is beyond a reasonable doubt. The internal University investigation is overseen by the University Title IX Director. If appropriate, the University will implement interim measures and University sanctioning; the evidentiary standard is preponderance of the evidence.

What happens after a report is made to the Title IX Office?

The University will take appropriate measures to investigate, eliminate the inappropriate conduct, address its effects, and prevent reoccurrence. Whenever possible the Reporting Party’s request to the Title IX Director for confidentiality will be maintained. The request for confidentiality must be made to the Title IX Director or designee. Additional information about what happens after disclosure can be found within Sections VIII-XI of the full Policy.

What are the rights of the Reporting Parties and Responding Parties?

The rights of both parties during the investigation and adjudication process include a fair, impartial and prompt investigation and resolution of the allegations. For more information see Reporting Party’s/Responding Party’s Rights, see Appendix H and I of the full Policy.

What is retaliation?

Retaliation is any creation of a hostile environment or adverse action threatened or taken against an individual because they:

- make a Report pursuant to this Policy;
- assist another person in making a Report;
- participate in the investigation of such a Report;
- or in good faith and in a reasonable manner oppose conduct that they believe constitutes a violation of this Policy.

What do I do if I think someone is retaliating against me?

Report the retaliation immediately to the Title IX Director, a Deputy Title IX Coordinator, a Title IX Investigator and/or the FSUPD.

What could happen if I or someone I know retaliates?

You, or they, could face a charge of retaliation in addition to any charges of sexual misconduct.

What is complicity?

Complicity is any action or behavior done with the intent of aiding, facilitating, promoting or encouraging the commission of an act of Sex Discrimination or Sexual Misconduct.

Florida State University’s 504 Coordinator is: Jennifer Mitchell, Director, Student Disability Resource Center 874 Traditions Way (108 Student Services Building) Phone: (850) 644-9566/TDD (850) 644-8504 E-mail: jmitchell2@fsu.edu Web site: http://dos.fsu.edu/sdrc/
HIV/AIDS Policy

Students, employees, and applicants for admission or employment at Florida State University who have or who may become infected with HIV will not be excluded from enrollment or employment or restricted in their normal responsibilities and access to University services or facilities due to their HIV/AIDS status, unless individual medically based judgments establish that exclusion or restriction is necessary for the welfare of the individual or of other members of the University community. That is, the University will not discriminate against otherwise qualified HIV-infected applicants, students, or employees.

University Health Services is responsible for monitoring developments with regard to HIV/AIDS, acting upon and administering the policies of the Florida Department of Education Division of Colleges and Universities and the University concerning HIV/AIDS and coordinating the University’s efforts in educating the University community on the nature and prevention of the disease.

The University will be guided in its implementation of this policy by current authoritative medical information, applicable federal and state law, Florida Department of Education Division of Colleges and Universities’ HIV/AIDS Policy, and the guidelines suggested by the Centers for Disease Control, the Public Health Service, the American College Health Association, and the Florida Department of Health.

Florida State University has designated HIV counselors who are available to the University community. Counselors are located at University Health Services, the Center for Health Advocacy and Wellness, and the Florida Department of Health.

Florida State University has designated HIV counselors who are available to the University community. Counselors are located at University Health Services, the Center for Health Advocacy and Wellness, and the Florida Department of Health.

The following policy concerning conflicts of interest applies to graduate students who are being supervised or evaluated by faculty as well as graduate students who are serving as teaching assistants and thus supervising or evaluating undergraduates.

Sexual relationships between faculty members/graduate assistants and students where a direct supervisory or evaluative relationship exists are fraught with the potential for exploitation. The respect and trust accorded a faculty member by a student, as well as the power exercised by the faculty member in a direct supervisory or evaluative role, make voluntary consent by the student suspect. In their relationships with students, faculty members are expected to be aware of their professional responsibilities and to avoid conflict of interest, favoritism, or bias.

1. When any direct supervisory or evaluative role exists, a consensual sexual relationship between a student and a faculty member/assistant is a conflict of interest.
2. Any situation of direct supervision or evaluation will be ended immediately when a consensual sexual relationship between a student and a faculty member/assistant exists.
3. Any such relationship must be disclosed to the faculty member/assistant’s supervisor immediately.
4. Direct supervision includes any type of evaluative role. Examples of direct supervision of the student include teaching the student’s course, as a thesis or dissertation director, instructor of record, member of the student’s thesis or dissertation committee, member of the student’s comprehensive or doctoral exam committee, member of other committees where the focus is evaluation or supervision of the student’s academic competence or the student’s assistantship.

Florida State University Statement for Students on the Unlawful Possession, Use, or Distribution of Illicit Drugs and Alcohol

Florida State University Alcohol Policy

Introduction

Florida State University affirms the guiding ethical principle of responsible freedom. Students, staff, and faculty are expected to show respect for order, ethical conduct, and the rights of others, and to model in daily living a high sense of personal honor and integrity. Florida State University neither encourages nor condones the legal consumption of alcoholic beverages. The University recognizes, however, that the majority of undergraduate students are below the legal drinking age and that there are serious health risks and behavior problems associated with the use of alcohol in the collegiate environment. Consequently, alcohol will be permitted at Florida State University or programs sponsored by Florida State University or its direct support organizations only in those settings which:

1. Comply with federal or state laws, local ordinances, University regulations, foreign country laws (in the case of study abroad programs conducted by Florida State University International Programs, Inc.), Student Conduct Code, and this policy;
2. Present minimal health and safety risks; and
3. In no way inhibit the full participation of those who choose not to drink alcohol.

Events and activities that encourage excessive drinking and/or lead to the endangerment of individuals will not be permitted. Any person or group in violation of federal or state laws, local ordinances, or of this policy will be reported to the proper federal, state, local or university authorities for appropriate action.

(c) The University maintains the right to forward possible violations of federal or state laws, local ordinances, and University regulations, to the proper authorities through the Florida State University Police Department.

VI. Health Risks.

Alcohol consumption may cause a number of changes in behavior which are related to dose, rate of intake, body size and percentage of body fluid, expectations and environment, physical conditions (disease or, more commonly, hormonal cycles can be factors), enzyme differences, and concentration of alcohol in a drink. It may increase aggressiveness, lower inhibitions, cloud judgment, reduce resistance, and hamper the ability to make decisions.

Alcohol first affects the area of the brain responsible for higher functions, such as decision-making and social inhibitions, suppressing an individual’s self-control. Alcohol in the blood can slow reaction time, reduce muscle coordination and impair eyesight, contributing to deficits in performance, judgment, memory, and motor skills. Even low doses can significantly impair the judgment and coordination required to drive a car safely. Florida State University reiterates that no one should ever drink alcohol and drive. The designated driver should never drink alcohol.

Moderate to high doses of alcohol may cause marked impairments in higher mental functions, altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol may produce the effects just described above.

VII. Educational Resources and Support.

In support of responsible management of alcohol, the University provides numerous resources and support services available to students, faculty, and staff of Florida State University, including alcohol education, counseling, treatment, rehabilitation, re-entry, prevention, and intervention, as well as other educational programs and volunteer opportunities. Below are just a few of these resources and services.

(a) Center for Health Advocacy and Wellness at University Health Services [644-8871; Web site is www.chaw.fsu.edu].

(b) Office of Residence Life [644-2860; Web site is http://housing.fsu.edu].

(c) FSU Police Department [644-1234; Web site is http://www.police.fsu.edu/].

(d) Volunteer opportunities for students seeking to work toward greater alcohol responsibility are available through Healthy Notes, which is an organization directed by the Center for Health Advocacy and Wellness at University Health Services. The Healthy Notes advocate for wellness on campus and alcohol responsibility is a significant component. For more information, contact the Center for Health Advocacy and Wellness [644-8871; or for more information visit http://healthyfusm.campus.fsu.edu/for-students/get-involved].

Florida State University Use of Social Security Numbers

In accordance with Florida Statute 119.071(5), students and employees should be aware that Florida State University collects and uses social security numbers for the purpose of performing certain University duties and responsibilities as follows:

- Certain aspects of employment related to federal tax reporting, generation and reporting of I-9 documents, direct deposit, insurance policies, retirement benefits, state and federal reporting requirements;
- Identification and verification of student records, including admission, registration, financial aid, and academic records, as well as verification of identity in connection with the provision of the University’s services;
- State and federal reporting of student data as required by law;
- Release to contracted vendors for the purposes of state and federal reporting or provision of contracted services for the faculty, staff, and students of the University;
- Release to commercial entities engaged in the performance of a commercial activity provided the social security numbers will be used only in the performance of a commercial activity and provided the commercial entities make a written request for the social security numbers conforming to the requirements of Section 119.071(5)(a)7b. (I)-(IV), Florida Statutes.
- Release to the Florida Board of Governors as follows:
  - When necessary for the performance of the Board’s constitutional duties and responsibilities, including but not limited to:
    - Collection of student and employee data from state universities.
  - In conjunction with tort claims and tort notices of claim against the Board of Governors [Required by Fla. Stat. § 768.28(6), and Fla. Stat. § 119.071(5)(a)6].
  - When the disclosure of the social security number is expressly required by federal or state law or a court order [Authorized by Fla. Stat. § 119.071(5)(a)6].
  - When the individual expressly consents in writing to the disclosure of his or her social security number [Authorized by Fla. Stat. § 119.071(5)(a)6].

The University does not use social security numbers for student identification; instead the University creates a unique identifier for each student called the EMPLID.

Notification of Students’ Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student’s education records within forty-five days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, S.W.
   Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University’s student record policy. You can obtain a copy of the policy from the Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.

Note: Under Federal Statute, the University is authorized to and may release records to other institutions without notification to the student, when the student is applying for admission.

Florida State University Health Risks of Illicit Drugs

Illicit drugs all have some health-threatening qualities—some more than others. Examples include increased heart rate and lung damage from marijuana; central nervous system disorders from cocaine, heroin, and hallucinogens; and liver, lung and kidney damage from inhalants. HIV infection also is spread widely among intravenous drug users. Even infrequent use of illicit drugs can result in physical afflictions, such as hangovers, cardiovascular damage, digestive problems, tremors, impaired sexual response, and injuries due to lost coordination. Other possible effects include reduced alertness and impaired performance at school or work, interpersonal conflicts, and financial difficulties. Dependence and addiction are constant threats to users of illicit substances. Regular abuse of these substances generally exposes users to criminal elements, which may lead to involvement in further criminal activities.

Florida State University Illicit Drug Penalties

The penalty for possession (second-degree misdemeanor) is sixty days jail and $500 fine. Penalties for trafficking (first-degree felony) range up to thirty years imprisonment and fines of $500,000.

Note: These are only for information. State sanctions are subject to change by the Florida Legislature.

Florida State University Standards of Conduct

State of Florida statutes declare that it is unlawful for any person under 21 years of age to consume or possess alcoholic beverages. Consequently, no one under the legal drinking age may consume, distribute, or possess alcohol on University properties or as part of any University activity.

It is unlawful to sell, give, serve, or permit to be served alcoholic beverages to a person under 21 years of age. Furthermore, servers can be held civilly liable for damage caused by underage drinkers to whom they provided alcoholic beverages.

It is unlawful to be under the influence of, to use, possess, distribute, sell, offer, or agree to sell, or represent to sell, narcotics, hallucinogens, dangerous drugs, or controlled substances, except as where permitted by prescription or law.

Release of Student Information

The disclosure or publication of student information is governed by the policies of Florida State University and the State of Education within the framework of state and federal laws, including the Family Educational Rights and Privacy Act of 1974.

The written consent of the student is required for the disclosure or publication of any information that is: (1) personally identifiable of the student and (2) a part of the educational record. Certain exceptions to that generality, both in types of information that can be disclosed and in access to that information, are allowed within the regulations of the Family Educational Rights and Privacy Act, as described in the following paragraphs:

A. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of information in the educational record to (or for):

1. Officials of the University with a legitimate educational interest. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility;
2. Certain government agencies;
3. Accrediting organizations;
4. Certain financial aid matters;
5. Certain research circumstances;
6. Health and safety emergencies;
7. A court pursuant to order or subpoena, so long as the student is notified in advance of the University’s compliance; and
8. As otherwise provided by law.

B. Subject to statutory conditions and limitations, prior consent of the student is not required for disclosure of certain types of information for:

1. Portions of the educational record for which the student has signed a waiver;
2. Portions of the educational record that are exempted by law including records of law enforcement agencies of the University; employment records of the student within the University as long as the student’s employment is not predicated upon his or her status as a student; personal records of instructional, supervisory, or administrative personnel; and alumni records related to that student; and
3. Records transmitted to another school or school system in which the student seeks or intends to enroll, since the University generally forwards these on request.

Note: More specific information regarding such exempted information can be obtained by contacting the Office of the University Registrar, A3900 University Center. For the complete text of the applicable statutes refer to Section 1006.52, Florida Statutes, 20 U.S.C. 1232g, and 34 C.F.R. §99.1, et seq. or write the U.S. Department of Education at 600 Independence Ave., S.W., Washington, D.C. 20202.

C. Prior consent of the student is not required for disclosure of portions of the educational record defined by the institution as “Directory Information,” which may be released via official media of the University:

1. Name, date, and place of birth;
2. Local address;
3. Permanent address;
4. EMPID;
5. Classification;
6. Major field of study;
7. Participation in official University activities and sports;
8. Weight and height of members of athletic teams;
9. Dates of attendance at the University;
10. Degrees, honors, and awards received;
11. The most recently attended educational institution; and
12. Digitized photo (Florida State University Card).

Important: The information above, designated by the University as “Directory Information,” may be released or published by the University without prior written consent of the student unless exception is made in writing by the student.

Request to Prevent Publication of Directory Information

Students may inform the University in writing of the student’s desire to prevent publication of such “Directory Information” or release of such information except as required by law. Appropriate forms for such action are made available by the Office of the University Registrar.

Caution: Until the University can develop the necessary sophistication in our data systems, a student’s request to prevent the release of publication of some of the items of “Directory Information” may result in preventing the publication of all items on that list, including graduation lists, honors, and award lists. The student can help avoid such errors with a gentle reminder to the Office of the University Registrar.

For complete information related to the policies outlined above or concerning the procedures regarding waivers and consent forms, or to challenge the accuracy of the educational record, please contact: Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.

Policy for the Use of Photographs and Videos in University Publications

Florida State University randomly and routinely photographs and makes videos on the main campus, branch campuses, and the international and departmental programs for educational and promotional purposes. These photographs and videos appear in official University publications and materials, which include but are not specifically limited to, General Bulletin (undergraduate and graduate), Registration Guide, Office of Admissions brochures, international program materials, departmental and college brochures, University Web sites, and other University information publications. For further information contact Media Relations at (850) 644-4030.

Illegal Downloading of Copyrighted Songs and Movies

Illegal downloading and distribution of copyrighted music, movie and other entertainment files from online distribution sites that offer these items free of charge is illegal, in direct violation of the federal Digital Millennium Copyright Act, the Florida State University Student Conduct Code, and the Florida State University Policy OP-H-6 “Use of University Information Technology Resources.” Illegal downloading and file sharing of copyrighted music, movies or other entertainment files is intellectual property/copyright infringement. Illegal downloading and file sharing activities maliciously expose the University’s network, computing systems and personal computers to destructive computer malware (viruses, spyware, worms, trojan horses, rootkits, keystroke loggers, etc.) and denial of service attacks. Illegal downloading activity significantly increases the risk of exposure to personal identity theft and irreparable or costly damage to both University and personally owned computing devices. The potential consequences of illegal downloading and file sharing are extremely serious. There are both civil and criminal penalties for illegal downloading and file sharing:

• In a civil suit, an infringer may be liable for a copyright owner’s actual damages plus any profits made from the infringement. Alternatively, the copyright owner may avoid proving actual damage by electing a statutory damage recovery of up to $30,000 or, where the court determines that the infringement occurred willfully, up to $150,000. The actual amount will be based upon what the court in its discretion considers just. See 17 U.S.C. § 504.
• Penalties to be applied in cases of criminal copyright infringement [i.e., violations of 17 U.S.C. § 506(a)], are set forth at 18 U.S.C. § 2319. Congress has increased these penalties substantially in recent years, and has broadened the scope of behaviors to which they can apply. Statutory penalties are found at 18 U.S.C. § 2319. A defendant, convicted for the first time of violating 17 U.S.C. § 506(a) by the unauthorized reproduction or distribution, during any 180-day period, of at least ten copies or phonorecords, or one or more copyrighted works, with a retail value of more than $2,500 can be imprisoned for up to five years and fined up to $250,000, or both. 18 U.S.C. §§ 2319(b), 3571(b)(3).
• Defendants who have previously been convicted of criminal copyright infringement under 18 U.S.C. § 2319(b)(1) may be sentenced to a maximum of ten years imprisonment, a $250,000 fine, or both. Finally, a defendant is guilty of a misdemeanor violation if he violated rights
other than those of reproduction or distribution, or has reproduced or distributed less than the requisite number of copies, or if the retail value of the copies reproduced or distributed did not meet the statutory minimum, or if other elements of 17 U.S.C. § 506(a) are not satisfied. Misdemeanants can be sentenced a maximum of one year and can be fined a maximum of $100,000. See 18 U.S.C. §§ 2319(b)(3), 3571(b)(5).

Law firms representing the entertainment industry aggressively investigate instances of music and movie “pirating”, and upon identifying the offenders, are increasingly invoking the applicable laws to reap financial settlements and awards totaling thousands of dollars.

The University is not legally empowered to protect, represent, advise or otherwise assist students who become subject to legal proceedings because of copyright infringement. Students who are sued, offered an out-of-court settlement, or cited for criminal copyright infringement must obtain their own legal representation.

In addition to civil and criminal penalties, violators will be subject to the University’s disciplinary proceedings:

- **Student Conduct Code** ([https://dos.fsu.edu/srr/conduct-codes/student-conduct-codes/](https://dos.fsu.edu/srr/conduct-codes/student-conduct-codes/)): A student found to be in violation of provision (5)(c)1 is subject to the sanctions defined in Section (9). Examples of sanctions that may be imposed for violations of the Student Conduct Code include reprimand, service hours, probation, suspension, and dismissal.

- **Florida State University Policy OP-H-6 “Use of University Information Technology Resources”** ([http://policies.vpfa.fsu.edu/policies-and-procedures/technology](http://policies.vpfa.fsu.edu/policies-and-procedures/technology)): A student found to be in violation of provision C.1.a (11) may lose University computer privileges as defined in paragraph F.2.

For further information regarding the downloading of electronic objects and media, please visit: [http://igs.fsu.edu/copyright-information/policy](http://igs.fsu.edu/copyright-information/policy).

**General Bulletin Statement of Purpose and Notice**

This General Bulletin is not a contract, either expressed or implied, between the University and the student, but represents a flexible program of the current curriculum, educational plans, offerings, and requirements that may be altered from time to time to carry out the administrative, academic, and procedural purposes and objectives of the University. The University specifically reserves the right to change, delete, or add to any provision, offering, academic curriculum, program, or requirement at any time within the student’s period of study at the University. The University further reserves the right to withdraw a student from the University for cause at any time. Students are on notice that admission to the University or registration for a given semester does not guarantee the availability of a course at any specific time. Likewise, admission to the University or registration for a given program of study within the University, or a department or college of the University, is not a guarantee of a degree or of certification in a program.

* Please refer to the College of Engineering (COE) Schedule available in the COE Student Services Office or at https://www.eng.famu.fsu.edu/students/final-exam-schedule. In instances of schedule conflict between the main campus and the engineering campus, the main campus schedule will take precedence. The engineering instructor will accommodate/reschedule to resolve the conflict.
Make-Up Examinations:
The possibility of a conflict between final exam times exists, particularly for classes that meet in the evening or only once each week. It is the student’s responsibility to identify if a conflict exists and immediately make special arrangements with the instructor to take the exam at an alternate time during the University’s official final exam period. Make-up exams may be scheduled at any time during final exam week, between Monday at 7:00 a.m. and Friday at 5:00 p.m.

University Final Examination Policy
Scheduling a final examination or a test in lieu of a final exam at any time other than the regularly scheduled final exam period is a violation of University policy.

Unless an exam is given during the final examination period, no test may be given during the last week of classes.

Classes meeting every day at the same hour and classes meeting for more than one time period will hold examinations according to the time and day of the first scheduled class meeting of the week. For example, a class meeting for the first period on Tuesday and for the first and second period on Thursday will hold its examination at the time scheduled for the first period on the Tuesday/Thursday class listing.

Exceptions to the Examination Policy for an Individual Undergraduate Student
Approval by the Academic Dean of the college in which the class is taught is required for an individual undergraduate student seeking an exception to the examination policy. The student must first receive written permission from the instructor if he/she is willing to give a rescheduled final exam at a specified time within the exam week. The student must then petition the dean, giving the reason for the requested exception, and supported by the instructor’s written permission. The dean will then notify the instructor in writing if the approval is granted.

Rescheduled final examinations are permitted for an undergraduate student when justified by illness, official documented accommodations on record with the Student Disability Resource Center, conflicting examinations, three or more examinations within a twenty-four-hour period, or certain emergencies. Arrangements should be made prior to the scheduled exam. If a student misses the scheduled final examination and does not have approval in advance for a rescheduled exam within the final exam week, it is up to the instructor to decide if a make-up examination will be allowed. No special dean’s office permission is required.

In case of conflicting examinations, block examinations take precedence over examinations scheduled by class meeting time and higher enrollment classes take precedence over lower enrollment classes. In the case of conflicts that cannot be otherwise resolved, the class meeting earlier by day and time takes precedence over a class meeting later.

Exceptions to the Examination Policy for an Undergraduate Class Utilizing the Assessment Center
Classes that utilize the University Assessment Center for a block exam, or which are otherwise limited to specific days and times because of seating and scheduling constraints, will take precedence in the case of final exam schedule conflicts. It is the student’s responsibility to identify such conflicts as early as possible and to notify all instructors in advance so that accommodations may be made.

Exceptions to the Examination Policy for an Undergraduate Class
No instructor of an undergraduate class may give a final examination at a time other than that which appears on the web site of the Office of the University Registrar, unless they are utilizing the University Assessment Center. Instructors who do not utilize the assessment center and need to deviate from the published exam schedule must obtain prior approval from the Undergraduate Policy Committee. Such approval must be requested, in writing, at least three weeks prior to the scheduled final exam. To reschedule a final examination without such approval places the instructor in jeopardy of administrative reprimand by his/her dean and the Vice-President for Academic Affairs.

Undergraduate Distance Learning Exams
If the instructor of an online class requires a final exam, the instructor shall have the prerogative to set the window during which a final exam is administered provided that the window is within the University’s official final exam period. A final exam window must be disclosed in the class syllabus. Rescheduled final examinations are permitted for an undergraduate student when justified by illness, official documented accommodations on record with the Student Disability Resource Center, conflicting examinations, three or more examinations in a twenty-four-hour period, or for certain emergencies. It is the student’s responsibility to identify if a conflict exists and immediately make arrangements with the instructor to take the exam at an alternate time during the University’s official final exam period. If a student has such conflicts, the final exams of the student’s non-online classes shall have priority and the time of the online exam will be the first exam subject to adjustment. If such agreement cannot be achieved between the student and the instructor, then the academic deans of the units housing the various classes will consult to achieve agreement.

This explanation is intended only to clarify the existing University exam policy for online classes and all provisions of the University exam policy that do not conflict with what is stated above remain in effect.
**International Program (IP) Sessions**

International Programs offers an array of courses around the world. Unique sessions are used to designate courses offered through the International Programs Office. Students interested in Study Abroad should contact the International Programs Office. In some cases, these courses are offered in affiliation with international institutions and are subject to unique calendar dates. Unique "IP" sessions have been created so courses align with the institution and program dates. Key dates such as registration, first week of classes, drop/add, seventh week deadlines, etc., will be prorated according to the length of the session. These dates are different than International Program start and end dates. Students participating in the International Programs should check with that office about specific dates, registration appointments and fees, deadlines, or restrictions that might apply. Students must be admitted to an International Program in order to register for IP classes.

**Veterans Priority Registration**

Active-military students, student veterans, and military/veteran dependents using federal benefits are eligible for priority registration, which allows these students to register for future-semester courses during the first selection window of each course-registration cycle. However, each of these students must first be coded as receiving federal benefits before they are eligible for priority registration and should contact the Student Veterans Center at (850) 644-9562 or veteran@admin.fsu.edu to make sure they are properly coded. After registering for their courses, each of these students must submit the university’s online Request for Benefits form in order to have their benefits certified documents submitted within the required timeframe.

**Eligibility**

Students must complete both a University graduation check with the Office of the University Registrar and a departmental graduation check with the appropriate college at the time the student has earned ninety semester hours of credit or two terms prior to their planned graduation date. Students will receive holds on their account prompting them to request a university graduation check from the Office of the University Registrar and an academic graduation check from their college(s).

**Students Accept Both Fee and Grade Liability by Registering for Classes**

To cancel registration, a student must drop all of his or her classes via https://my.fsu.edu before the first day of classes or must send an e-mail from his or her official myFSU account to registrar@fsu.edu no later than the fourth day of classes. Panama City students should e-mail registrar@pc.fsu.edu.

Students should be dropped from classes for non-attendance of the first class meeting. However, students are responsible for verifying that their schedule is correct by 11:59 p.m. on the fourth day of classes. Students are fee liable for all courses on their schedule after the fourth day. The University may cancel registration for non-payment of fees.

Annual student parking permits are obtained online at https://transportation.fsu.edu/parking/parking-permits. The Panama City campus does not require parking permits. However, Panama City students attending classes on the main campus will need to purchase a parking permit from Transportation and Parking Services on the main campus.

Prior to Registration

- Log into http://my.fsu.edu to check for any checklists, stops, or holds. Be sure to click through the details of each hold to review the contact information and instructions provided there. Contact your departmental office for any clearances or course authorizations you may need.
- All undergraduate students are expected to view their Academic Requirements Report in Student Central prior to registration to review degree and major requirements that need to be satisfied.
- All students are urged to consult their advisor prior to registration, and some academic units mandate advising prior to registration.
- Health compliance requirements are found at https://uhc.fsu.edu/. The Student Immunization Record may be used to show proof of immunizations. Students may also turn in records from their health care provider. Note: First-time students may be required to register for preparatory Math and/or English courses to complete registration.

University ID Card

FSUCard

The FSUCard serves as your official physical University ID and is used across campus for all things FSU. In order for anyone on campus to identify you as an FSU student, you must always have your FSUCard on you. Keep your FSUCard safe and do not share your information with others. Think of it as your license for campus living!

The FSUCard provides access to the libraries, residence halls, buses, campus recreation locations, the testing center, and other campus events. It can also be used for vending, on-campus laundry, printing, purchases at the FSU Bookstore and Computer Store, the UPS Store, and much more.

There is no charge for your initial card. If you should lose or damage the card, the FSUCard Center will replace it for a fee. An FSUCard semi-annual fee of $5.00 applies to students each Fall and Spring semester. The FSUCard Center is located in the Woodward Avenue Parking Garage with the main entrance through the FSU Bookstore and is open from 8:00 a.m. to 5:00 p.m., Monday through Friday; (850) 644-7777; or e-mail fsucard@fsu.edu.

FSUCash

All FSUCard holders have an FSUCash account, including students, faculty, and staff. FSUCash is an on-campus ‘pocket change’ account to use for convenience services such as student laundry, library printing, and vending machine purchases, and can be used at Seminole Dining locations, the FSU Bookstore, the UPS Store, and more! It is the only tender accepted at the Center for Testing and Assessment, for student laundry, and for student printing.

FSUCash rolls over from semester to semester and year to year. However, after 12 months of inactivity, a monthly deduction will be taken from the FSUCash account. This fee will not result in a negative balance or affect the card’s other functions. To avoid the automatic deduction, a purchase or deposit can be made. FSUCash refunds are available upon request to fsucard@fsu.edu.

Current FSUCash balances can be checked using http://my.fsu.edu or by downloading the eAccounts mobile app for Android or iOS. For more information, please contact the FSUCard Center (located in the Woodward Avenue Parking Garage), 8:00 a.m. to 5:00 p.m., Monday through Friday; phone: (850) 644-7777; or e-mail: fsucard@fsu.edu.

Library Cards

You will need your FSUCard to get in and out of the libraries, so make sure you keep it handy at all times. From borrowing books and equipment to reserving study rooms, your FSUCard does everything a regular library card does, and more! For more information, visit https://lib.fsu.edu.

Note: Students sixty years of age and older registered for tuition–free courses at Florida State University may obtain a library card by presenting proof of enrollment and identification to the staff at Strozier Library.

Florida State University EMPLID

To better protect the identity of individuals within our campus community, Florida State University creates a unique nine-digit number identifier for each student and employee called the EMPLID. To find your EMPLID, follow the steps below:

- Login at http://my.fsu.edu and enter Student Central using the SC icon.
- Your EMPLID is displayed beneath your photo and name on the My Info tile.

Official myFSU E-mail Accounts for All Students at Florida State University

The official method of communication at Florida State University is your myFSU e-mail account. In order to stay informed and aware, you are required to set up and maintain your account and check it regularly. If you choose to have your myFSU official account forwarded to another e-mail account, you are still held responsible for all information distributed by the University to your myFSU account. To activate your myFSU e-mail account, visit http://my.fsu.edu and click the link “Activate/Manage FSUID.”

Personal Identification Numbers (PIN) Codes

FSUCard/SunTrust Banking PIN

This PIN is used for ATM withdrawals and deposits for SunTrust, PLUS Network, and POS purchases through the Interlink System. The PIN can be changed to a number(s) that each student may be reminded of either by contacting customer service or by visiting the appropriate campus office. Florida State University recommends that students do not keep this PIN written in their wallets.

Undergraduate Academic Advisement

All degree-seeking students are expected to participate in academic advising before registering for classes each semester. Students should check their FSU e-mail regularly as that is the main mode of communication advisors use to contact their students. It is the student’s responsibility to ensure that s/he has met prerequisites or corequisites for each course in which s/he is enrolled. Further, any changes a student makes to his/her schedule without the advice of an academic advisor is the responsibility of the student. All permits such as underloads, overloads (see the ‘Course Load’ section of this chapter), graduate course requests while an undergraduate, DIS, modified credit, and S/U grading should be discussed with an academic advisor. All such permits must then be approved by the student’s academic dean. The student is responsible for ensuring that the Office of the University Registrar has copies of these permits on file.

Undergraduate students may find their academic advisor’s contact information by going to Student Central, clicking on the My Academics tile, and selecting the link for “Advisor Search” in the Advising Tools folder.

Health Requirements

Immunization Requirements

The State Board of Education requires all entering students born on or after 1/1/1957 to complete Florida State University’s Student Immunization Record and show documented proof of immunization against measles (rubeola), German measles (rubella), and mumps prior to registration.

College-age individuals living in residence halls, shared apartments, and other group housing are at an increased risk for developing meningococcal meningitis and hepatitis B—serious infections that can have devastating consequences. State of Florida law mandates that all University students be
informed of the risks of infection. Students currently enrolled must either be vaccinated against meningococcal meningitis and hepatitis B or sign a waiver stating that they have declined to receive the vaccine.

All students are required to show proof of two MMRs, meningococcal meningitis, and hepatitis B vaccinations before they are permitted to register for classes. Information about these vaccinations may be obtained at University Health Services or online at https://studentinsurance.fsu.edu under the Immunization Requirements tab.

All students are required to complete and submit the Student Immunization Record to University Health Services before registration. Students born before 1/1/1957 must complete the form and decline the meningococcal meningitis and hepatitis B vaccines. The form with its specific instructions is available at http://studentinsurance.fsu.edu under the Immunizations Requirements tab. Please call (850) 644-3608 if you need assistance.

Health-Insurance Requirement

All new full-time students at Florida State University must show proof of health insurance coverage before being permitted to register for classes. Additionally, all non-United States citizens in F or J status, regardless of their credit load, are required to show proof of health insurance as a condition of their admission to the University.

To purchase the FSU-sponsored health insurance:
2. Click the “Insurance Requirement” link at the top of the page.
3. Under the heading “I am Interested in Purchasing Health Insurance,” click the “Find Out More” button.
4. Under the heading “Purchase Health Insurance,” click the “Purchase Now!” button.
5. Log in with your FSUID and password, and if you need to activate your FSUID, the screen prompts will guide you.
6. Click the “Purchase FSU Insurance” button. Follow the prompts.

Note: Do not purchase student health insurance just to be able to register for classes. The insurance purchase clears the student for the length of the coverage purchased. You can purchase insurance for annual coverage, for Fall semester only, or for Spring/Summer. No Spring-only option is offered. Summer-only is offered for students beginning at FSU during the Summer term.

To waive the purchase of the FSU-sponsored health insurance:
2. Click the “Insurance Requirement” link at the top of the page.
3. Under the heading “I Already Have Health Insurance,” click the “Enter Insurance Information” button.
4. Log in with your FSUID and password, and if you need to activate your FSUID, the screen prompts will guide you.
5. Click “My Policies,” then click “New.”
6. Complete the information and click Submit.
7. If you added a new policy, either click the blue I Have Health Insurance link at the top of the page or close the screen and click the I Have Health Insurance button. Select the term and year for which you wish to register and follow the prompts.

The insurance waiver, when successfully completed, should clear the student for three terms.

If you will not be enrolling as a full-time domestic student, request a credit-hour underload each semester by either calling the Health Compliance Office at (850) 644-3608 or sending an e-mail to healthcompliance@fsu.edu.

Students seeking degrees in majors where they are exposed to particular hazards associated with the major are required to carry health and accident insurance prior to registration every Fall. The Film School, College of Medicine, and College of Nursing have additional health insurance requirements for their students. Contact your department for any additional insurance requirements associated with your major.

Health Insurance Questions

Questions about basic health insurance coverage or purchasing school-sponsored health insurance can be addressed to the Health Compliance Office at (850) 644-3608. Questions about specific benefits included in the school-sponsored health insurance should be addressed directly to UnitedHealthCare Student Resources, the University’s health insurance carrier, at (800) 767-0700. Billing questions for services rendered at University Health Services should be addressed to the billing office at (850) 644-1640. The plan brochures and summaries of coverage and benefits for the student health plans are posted on the United HealthCare Website (http://uhcsr.com/fsu). The student health plan does not cover participation in intercollegiate athletics. Contact Nick Pappas at (850) 645-2700 for more information for insurance for athletes. The student health plan does cover cheerleaders and members of the Golden Girls as sports club members.

Students insured by other carriers should contact their carriers for policy limitations and special requirements.

Course Load

For Fall and Spring semesters, undergraduate students in good standing may register for as many as eighteen semester hours in one semester and as few as twelve semester hours in one semester. A full-time course load is twelve semester hours or more in the Fall and Spring.

Should a student wish to register for fewer or more than the allowed hours, “Overload/Underload” approval must be obtained from the appropriate academic dean. All students receiving approval for “Overload/Underload” from their academic dean must submit the approval to the Office of the University Registrar. No student may register for more than twenty-one hours per semester. Full-time undergraduate students should take an academic load that will enable them to graduate within four years, typically fourteen to fifteen hours per semester. Students should take into account the requirement to take nine hours of credit in the Summer.

International undergraduate students must enroll in at least twelve semester hours during each of the Fall and Spring semesters to maintain legal immigration status. International graduate students must enroll in at least nine semester hours per semester. In some cases, an international student advisor may authorize a reduced course load for a few specific reasons. International students who wish to enroll in a reduced course load for a given semester must submit a request for authorization to an advisor at the Center for Global Engagement before the end of the drop/add period for that semester. An unauthorized reduction in course load may result in serious immigration consequences. For a complete definition of full course of study for immigration purposes and to access the reduced course load information and request forms, please refer to http://cge.fsu.edu.

For graduate students, the minimum number of hours allowed is twelve per semester and the maximum is fifteen.

The Registration Process

Step 1: Obtain the Florida State University FSUCard
- If you have not done so already, establish your FSU identity by activating your FSUID and obtaining your FSUCard before preparing for registration.

Step 2: Prepare for Registration
- If you are an undergraduate student, review your degree requirements in the Undergraduate Degree Progress tool. To access Degree Progress, go to the “My Classes” tile on your FSU Student Homepage in Student Central, and select the link for “Undergraduate Degree Progress.” Within Degree Progress you may plan courses for upcoming semesters from your remaining degree requirements. When registration opens for a semester that you have planned, click the “Register” button, and your planned courses will be imported into Schedule Assistant. Once in Schedule Assistant, you may search for class sections and register. Contact your advisor if you have any questions about your requirements in Degree Progress.

- Students are encouraged to use the Schedule Assistant tool in the portal and in the “My Classes” tile on the FSU Student Homepage to find and register for classes. This tool allows you to find, view, and select from a variety of schedule options. It also allows you to include breaks and lock on specific classes or instructors as needed. When you have found the best schedule combination, click the “Send to Shopping Cart” button to add it to your cart and register.

- Information on how to use Undergraduate Degree Progress and Schedule Assistant may be found in the “How-To Videos” tile of your FSU Student Homepage. Click the link for “Intro to Schedule Planner.”

- Be careful to select courses that have sufficient time between the end of one and the beginning of the next so that you have time to get from one place to another on campus.

- Consult the General Bulletin or Graduate Bulletin to check if a course requires a laboratory or has pre- or corequisites that you must complete prior to enrolling in the class. Students are responsible for checking for these requirements as the system does not.

- Alternately, you can search for classes by logging in to your portal at http://my.fsu.edu. Select the SC icon. From your FSU Student Homepage, click the “My Classes” tile. Click the “Enrollment: Add Classes” button in the menu on the left and then click “Search.”
Registration by Student Categories

Veterans Priority Registration

Active-military students, student veterans, and military/veteran dependents using federal benefits are eligible for priority registration, which allows these students to register for future-semester courses during the first selection window of each course-registration cycle. However, each of these students must first be coded as receiving federal benefits before they are eligible for priority registration and should contact the Student Veterans Center at (850) 644-9562 or veteran@admin.fsu.edu to make sure they are properly coded. After registering for their courses, each of these students must submit the university’s online Request for Benefits form in order to have their benefit-certification documents submitted within the required timeframe.

Non-Degree Seeking Students

All non-degree-seeking undergraduate and graduate students may register for up to 18 credit hours; enrollment beyond this limit may be subject to approval by the Registrar. All registration by non-degree seeking students is on a space-available basis. Because of excessive demand for some undergraduate and graduate courses, non-degree seeking students may be enrolled in such courses only with the permission of the particular unit.

Procedures and residency requirements for non-degree seeking student registration are the same as for regularly enrolled degree-seeking students as described on the preceding pages.

State Employees

Full-time state employees may use the State Employee Tuition Waiver to register for Florida State University classes. Individuals using the State Employee Tuition Waiver must be fully admitted degree-seeking or non-degree seeking students. Registration in classes using the State Employee Tuition Waiver is limited to a space-available basis and takes place during the regular registration appointment assigned to each student. Florida State University does not consider the following as space-available courses: approved undergraduate limited access programs; dissertation, thesis, and direct individual study (DIS) courses; internship courses; audited courses; non-state funded courses (including some distance learning courses that are funded solely by student tuition and fees); Center for Administrative and Professional Development (CAPD) courses; College of Medicine courses; College of Law courses; and other one-to-one instruction courses. Accordingly, State Employee Tuition Waivers may not be used for these courses.

Florida State University accepts only the official State Employee Tuition Waiver Form available online at http://Registrar.fsu.edu/records/waivers/state_employee. Agencies may require additional paperwork or forms that will not be accepted unless accompanied by the State Employee Tuition Waiver Form. State employees using a tuition waiver must obtain supervisor signatures and academic departmental approval on the tuition form and then scan and e-mail the signed and completed tuition waiver form to CTL-StateEmployee@fsu.edu by the tuition payment deadline.

Additional restrictions and deadlines apply. For additional information, including the link to download the State Employee Tuition Waiver Form, see the Office of the University Registrar’s Website at http://Registrar.fsu.edu/records/services.

FSU Employees

Employees of Florida State University intending to take Florida State University classes may do so through the FSU Employee Scholarship program. See the Human Resources website at http://www.hr.fsu.edu/index.cfm?/page=benefits/benefits_perks/benefits_perks_employee_scholarship for details, restrictions, and deadlines.

FAMU—FSU Students

Under a cooperative arrangement with Florida A&M University, Florida State University students may take courses at FAMU that will count as credit earned at Florida State University. Courses offered at Florida State University may not be taken at FAMU. Exceptions may be granted by the student’s academic dean, whose office also determines eligibility based on courses already completed at Florida State University. Students taking courses at the host university on a satisfactory/unsatisfactory (S/U) basis will be held to the home institution policies regarding the total number of courses allowed on S/U basis or in a specific degree or major. Students are encouraged to consult their academic advisor about any limitations prior to registration. For additional information, as well as forms to be completed, please see http://Registrar.fsu.edu/records/services/co_op.

Floridians over Sixty Years of Age

All fees are waived for persons sixty years of age or older who are Florida residents and who attend credit classes. Under this tuition-free option, registration is allowed on a space-available, audit-basis only and does not include thesis, dissertation, applied music courses, or other courses requiring individual instruction. No credit will be given and no permanent record will be maintained. Audit forms are available online or from the Office of the University Registrar. Proof of age and Florida residency must be presented to the Office of the University Registrar to validate audit waiver eligibility.

Attendance Policies

First Class Meeting Attendance Policy

Attendance at the first class meeting is mandatory unless properly excused by the class instructor. Students who do not attend the first class meeting of a course for which they are registered are dropped from the course by the academic department that offers the course. This policy applies to all levels of courses and to all campuses and study centers. This policy does not apply to any class added after the first official meeting of the course. It remains the student’s responsibility to verify course drops and check that fees are adjusted.

Required Summer Attendance Policy

All students entering a state university with fewer than sixty semester credit hours must earn at least nine semester hours prior to graduation by attending one or more Summer terms at one of the state universities. The University President may waive application of this rule in cases of unusual hardship to the student. Students initiate appeal through their academic dean to the Vice President for Faculty Development and Advancement (Board of Governors Rule 6C-6.016).

Drop/Add or Changes of Schedule

During the first four days of classes, individual courses may be added, dropped, or sections of a course changed through the myFSU portal from the My Courses portlet or in the “My Classes” tile on your FSU Student Homepage in Student Central. Students are financially liable for all courses appearing on their schedule after the fourth day of classes. Courses may be dropped after the drop/add period and through the seventh week of classes with the exception of mandated college prerequisites, English composition courses, certain liberal studies courses, and courses involved in all-legalizations of academic dishonesty; however, tuition charges remain. Approval by the student’s academic dean is required to reduce the academic load below twelve semester hours or increase an academic load above eighteen semester
hours (to a maximum of twenty-one semester hours). Courses dropped during this period do not appear on the student’s transcript. The academic dean’s approval is required to add courses after the first four days of classes.

A cumulative maximum of two courses may be dropped between the eighth and twelfth week of classes during the semesters in which the undergraduate student has earned fewer than sixty hours of college credit; tuition charges will remain. An undergraduate student may only drop one course after earning sixty hours of college credit and until graduation; tuition charges remain. Approval by the student’s academic dean is required. Courses dropped during this period appear on the student’s transcript with the notation “W.” See the “Academic Calendar” in this Registration Guide for semester-specific deadlines.

Except in cases where a student is petitioning to use one of the three drops allowed under the policy above, any course drop petition after the seventh week of classes (with dates prorated for individual Summer sessions), will be considered only in documented exceptional circumstances that are beyond the student’s control, as determined by the student’s academic dean. Academic deans exercise their administrative and academic judgment in making final determinations about drop eligibility. Such courses appear on the student’s transcript with the notation “WD.” Students who register for courses but who do not attend the classes receive grades of “F” if the courses are not officially dropped. Students changing from a previous bulletin year should consult their academic dean regarding limitations concerning the policy described above.

Course drops are never approved when there are unresolved allegations of academic dishonesty in a course or when a course grade reflects an Academic Honor Policy penalty.

**Student Cancellation of Schedule**

**Note:** Undergraduate and non-degree seeking students who cancel their registration and were not enrolled for the preceding two semesters (non-enrollment for three consecutive terms) must apply for readmission. All graduate, law, and medicine students who cancel their registration and were not enrolled for the preceding semester (non-enrollment for two consecutive terms) must apply for re-admission.

Prior to the first day of classes, a student may cancel his/her registration by dropping all courses using the myFSU portal registration system. Prior to and during the first four days of a semester or Summer session, a student may cancel registration online through the myFSU portal registration system or by submitting a written request to:

Office of the University Registrar
Florida State University
Room A3900 UCA
282 Champions Way
P.O. Box 3062480
Tallahassee, FL 32306-2480

Or registrar@fsu.edu (or registrar@pc.fsu.edu for Panama City Campus students); e-mail must originate from the student’s fsu.edu account.

Students who cancel registration within this time frame are not liable for tuition; if tuition has been paid, students should request a refund from the Office of Student Business Services.

Beyond the fourth day of classes students cannot cancel registration but must officially withdraw from the University through Withdrawal Services, at A4300 University Center, Tallahassee, FL 32306; (850) 644-1741. Panama City students should contact Student Affairs, Barron Building, Panama City; FL 32405; (850) 770-2172.

The University may automatically drop students for non-payment of tuition. See, “Cancellation of Student Schedules for Non-payment of Tuition and Fees” for more information.

International students who wish to cancel their registration must request and receive prior authorization from a Center for Global Engagement advisor. In addition, international students should submit the SEVIS Update Form available at http://cge.fsu.edu.

Students who have elected to purchase student health insurance and cancel their schedules must notify the Health Compliance Office at healthcompliance@fsu.edu. Insurance charges are NOT automatically removed from the student’s account when schedules change.

**Withdrawal**

All students (degree-seeking and non-degree) who wish to leave the University after the fourth day of a term must officially withdraw from the University no later than seven days prior to the last day of the semester or term. See the “Academic Calendar” for the specific deadline date. For more information, contact Withdrawal Services at (850) 644-1741. Students who withdraw within the first seven weeks of a term (to be adjusted accordingly for Summer term and session) have no liability for grades. Under documented exceptional circumstances (beyond the student’s control), as determined by the appropriate academic dean, a student withdrawing from the University may receive “WD” grades in all courses taken that term. Students who do not officially withdraw will be assigned a grade of “F” for each course for which they are registered but fail to attend. These grading policies also apply to courses taken S/U.

International students who wish to withdraw must request and receive prior authorization from a Center for Global Engagement advisor. In addition, international students should submit the SEVIS Update Form, available at http://cge.fsu.edu.

For additional information regarding withdrawals, including fee liability, please refer to the “Withdrawals and Return of Financial Aid” section of this Registration Guide.

Students who have elected to purchase student health insurance must notify the Health Compliance Office in writing at healthcompliance@fsu.edu of withdrawal from the University. Students withdrawing before the 31st calendar day of the term for which insurance was purchased will receive a full premium refund less any claims paid. Students withdrawing after the 31st calendar day of the term for which insurance was purchased can only request cancellation of the insurance if they are leaving the University to join the military. Otherwise, they have met the attendance requirement to keep the coverage and the charges on their account will be due as posted at Student Business Services.

**Auditing Courses**

**Note:** Seating privileges will be afforded to currently enrolled students and non-students on a space-available basis after registration. Admission to Florida State University is not required; no credit will be given and no permanent record will be maintained for audited courses. Standard tuition costs do apply.

**Procedures**

During the first week of classes, obtain the audit approval form online at http://registrar.fsu.edu/forms/audit_registration.pdf or you may pick up an audit approval form from the Office of the University Registrar.

Fill out the form and obtain both the instructor’s approval and clearance from University Health Services.

Return the approved form to the Office of the University Registrar for final approval and class registration. Registration must be completed to attend a course.

Pay fees during fee payment at A1500 University Center. No waivers or deferments may be used, except for those age sixty or over.

Present the form to your instructor at the next class meeting.

**Note:** If you have already registered for the course you wish to audit, you must drop it within the first week of class, before the audit request can be processed.

For the policy for audited-course refunds please refer to the “Financial Information” page of this Registration Guide.

**Grade Reports**

Semester grades are reported via the myFSU portal at https://my.fsu.edu through the My Courses portlet. Grade changes processed after the initial grade posting will not display and may be viewed on the unofficial transcript.

**Enrollment Verification**

All student enrollment and degree verifications will be by official request only. Students who need enrollment verification should submit a request online at https://my.fsu.edu. Go to the FSU Student Homepage in Student Central and select the “My Academics” tile. Under the “Academic Records” menu on the left side of the page, select “Request Enrollment Verification.” If the student requests the institution to mail their verification letter, their letter will be processed the following business day. When submitting requests to be mailed, students must make sure they complete all mailing address information. Written requests may be submitted to:

Office of the University Registrar
Florida State University
Room A3900 UCA
282 Champions Way
P.O. Box 3062480
Tallahassee, FL 32306-2480
Privacy of Student Records

Parental or Third Party Access to Records

Students may give a designated parent(s) authority to review their University financial status by logging onto Student Central and clicking the “Share My Information” link in the My Info tile. Granting access to a parent or third party to view information in this manner also authorizes University personnel to discuss those records with the designated parent or third party.

Phone Monitoring

Students should be aware that phone calls placed to Florida State University’s interactive telephone network may be periodically monitored to ensure that the appropriate quality control is maintained.

To Prevent Publication of Directory Information

The educational record designated as Directory Information may be released or published by the University without prior written consent of the student, unless exception is made in writing by the student. Appropriate forms are available in the Office of the University Registrar. Such written exception must be received prior to the first class day of the academic year. Once received, that request will remain in effect until notification to the contrary is received by the Office of the University Registrar. Directory Information includes:

1. Name
2. EMPLID
3. Date and place of birth
4. Local address
5. Permanent address
6. Classification
7. Major
8. Participation in official University activities and sports
9. Weight and height of athletic team members
10. Dates of attendance
11. Degrees, honors and awards received
12. Most recently attended educational institution
13. Digitized FSUCard photo

Note: By submitting a request to prevent the publication or release of directory information you may be blocking the verification or publication of directory information, including but not limited to, the following: academic certificates; requests by or for employers, insurance companies, etc.; requests for information by or for parents, spouses, or other family members; publication in the Seminole Guide book, commencement program, or other media acknowledging a relationship between you and the University.

Notification of Student Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights are:

• The right to inspect and review the student’s educational record within forty-five days of the day the University receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

• The right to request the amendment of the student’s educational record to which the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

• The right to consent to disclosures of personally identifiable information contained in the student’s educational record, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.

• The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, S.W.
   Washington, DC 20202-4605

Students have the right to obtain a copy of Florida State University’s student record policy. You can obtain a copy of the policy from the Office of the University Registrar, A3900 University Center, Florida State University, Tallahassee, FL 32306-2480.

Community Service

The Center for Leadership & Social Change

The center’s mission, to transform lives through identity development, leadership education, and community engagement, is woven throughout our work. We encourage students to learn, serve, and transform through programming that encompasses diversity, leadership, and service. The center provides education and learning programs for students of all levels along with professional development opportunities for faculty, staff, and community members. Some of these classes, seminars, retreats, and hands-on learning experiences include Leadership LOGIC, Social Justice Ally Training, and the Multicultural Leadership Summit. The center serves as an outlet to engage in community action through initiatives such as EngageTLH service trips, Youth Programs Mentoring Initiative, and the Moellership Program’s summers of service. With more than 30 programs, the center provides opportunities for any schedule, ranging from low commitment (one to a few hours) to high commitment (a semester, year, or four years). There is something for everyone!

Students are welcome to schedule a meeting with an advisor. To schedule an appointment, go to the “Get Involved” section of our website at http://thecenter.fsu.edu or visit our office. The center also offers the ServScript Program, which allows Florida State University students to enhance their official academic transcript by documenting their service hours online.

For more information, contact the Center for Leadership & Social Change, Division of Student Affairs, Dunlap Student Success Center, 100 S. Woodward Avenue, Tallahassee, FL 32306; (850) 644-3342; Fax: (850) 644-3362; Website: http://thecenter.fsu.edu; e-mail: thecenter@fsu.edu.

ServScript Program

The purpose of the ServScript Program is to formally recognize students’ demonstrated commitment to community service. This commitment is documented through the description of students’ community service hours on their official FSU academic transcript. Transcripts are student records of scholarly achievement; as such, the ServScript program has created guidelines to clarify and recognize community service of consistent quality. To qualify for the ServScript Program, service hours cannot be court ordered or sanctioned, must be unpaid, and must benefit or contribute to the solution of a community need. They also must be completed and submitted within the same semester, no later than the deadline for each semester.

The ServScript Program is designed to encourage students to contribute their skills and resources to serve others. Through informed service, students gain compassion for others and the challenges they face. Recognizing these challenges, and the power of individual action to affect change, students may develop a commitment to practice social responsibility throughout their lives.
To participate in the ServScript Program, students need to print a ServScript Program form and keep track of their service hours on that form. Those hours must also be signed and verified by a supervisor. Students then log on to Student Central, click on the My Academics tile, and select “ServScript Program” in the Academic Records folder. Here, students can transfer information from their ServScript Program form to the online system. Service hours are only accepted for the current semester, and must be entered online by the deadline, which is the last day of the semester. The ServScript form and additional information about the program are available online at http://thecenter.fsu.edu/servscript.

**Graduation**

Undergraduate students should request a graduation check from the Office of the University Registrar two terms prior to their anticipated graduation date, or at the time they have earned ninety hours of credit. A second check should be completed in the office of their Academic Dean one term prior to their anticipated graduation. Registration stops will be placed on students who have earned ninety semester hours, including current term registration, but have not completed the graduation check. Graduate students should check with their department regarding degree requirements. Application for graduation must be made by the published deadline; students can apply online through the myFSU portal. Students who graduate in Spring 2020 must apply for and be readmitted to register for Summer 2020 or any subsequent term. Likewise, students who graduate in Fall 2020 must apply for and be readmitted to register for Spring 2021 or any subsequent term.

Reminder e-mails are sent for insurance compliance. The system presumes everyone will be enrolling as a full-time student for ensuing terms. If you are graduating, the registration hold for the following term will not stop your graduation, delivery of your diploma, or a request for transcripts.

For more information, visit https://registrar.fsu.edu/records/excess_hours/.

Fee Payment

Regulations

Students who enroll must pay fees and tuition in full by the tuition and fees payment deadline. Students who fail to pay tuition in full by the fee payment deadline will be assessed a late payment fee of $100.00 and may have their schedule cancelled. All waivers, vouchers, Intern Participation Certificates, agency billings, and department billings for all students, including those receiving financial aid, must be submitted no later than the fifth day of the semester or session. You may pay by check, cash, money order, or FSUCard. Payments may be submitted by mail, drop box, or in person. Florida State University also takes credit cards and e-checks (online only) at http://fees.fsu.edu. Cards accepted online include American Express, Discover, MasterCard, and Visa. There is a 2.3% non-refundable scaling fee to cover the cost of providing this online payment service. Classes added after the drop/add deadline must be paid for within five calendar days. Foreign and two-party checks are not accepted. Make checks payable to Florida State University. Include your local phone and local address on each check and one of the following: your EMPLID, the last four digits of your social security number, or your FSU e-mail address.

The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted tuition payment deadline.

You may obtain financial status information on the Web at https://my.fsu.edu (from the myFSU Portal click Student Central, My Bill), at the self-inquiry kiosks located in University Center Building A, and other locations.

Paying Your Tuition and Other Fees

Pay in person by visiting Student Business Services, A1500 University Center between 8:30 a.m. and 4:30 p.m., Monday through Friday. You may also pay online at http://fees.fsu.edu or https://my.fsu.edu (from the myFSU Portal click Student Central, My Bill, Make a Payment).

Student parking permits are issued online at http://transportation.fsu.edu. Students who fail to register for classes before the first day of class will be assessed a $100.00 late registration fee. Students may be assessed a $100.00 fee for late payment for tuition that is not paid by the payment deadline.

Internet Payments Seven Days a Week

Florida State University accepts credit cards online only. Make your online payment at http://fees.fsu.edu. The following payment types may be used online: E-checks, American Express, Discover, MasterCard, Visa. There is a 2.3% non-refundable scaling fee for credit card transactions. Online transactions using an e-check will not be assessed a service fee. Returned payments will be assessed the same fees as paper checks.

Mail-in Fee Payments

When paying fees by mail, send a personal check, money order, or cashier’s check for the full amount of the fees that are due. Please do not send cash. Payments must be made payable to the order of Florida State University and include your name, local address and local telephone number, and one of the following: your EMPLID or your FSU e-mail address. Mail payments for tuition must be received no later than the tuition payment deadline to avoid the late payment fee. Incomplete checks will be considered as late payments. Payments should be mailed to Florida State University, Office of Student Business Services, A1500 University Center, Tallahassee, FL 32306-2394.

Fee Payment Drop Box

Use the convenient fee payment drop box located on the outside wall of A1501 University Center across from the Heritage Fountain and Dick Howser Baseball Stadium. Be sure to use an envelope and include one of the following on your check: your EMPLID or your (personal or FSU) e-mail address. Payments for tuition must be inserted by 4:30 p.m. of the tuition payment deadline to avoid the late payment fee. Incomplete checks will be considered as late payments.

Late Registration & Fee Payment Waivers

Requests for waiver of the $100.00 Late Registration and/or Late Payment Fee may be submitted in person to the Office of Student Business Services, A1500 University Center, Tallahassee, FL 32306-2394. Waiver forms are available online at http://studentbusiness.fsu.edu/.

Waivers may be granted in situations involving administrative error or unusual circumstances beyond the control of the student. Students will be required to present written documentation of the circumstances involved.

Note: Lack of awareness of the deadlines or lack of funds are not valid reasons to waive the late payment fee or late registration fee.

Refund of Fees

Students who drop a course without fee liability after their tuition and fees are paid, due to documented extenuating circumstance or administrative error, may be eligible for a tuition refund. Any outstanding charges owed to the University will be deducted, and the balance will be issued as a refund. Refunds requested during the fiscal year close-out, during the last two weeks of June, will not be processed until the first week of July. The refund will be processed as a credit to the student’s bank account for currently enrolled students. However, payments made by credit card will be refunded to the credit card.

Students who withdraw after the fourth day of the semester/term, but prior to the end of the fourth week of the semester (or for Summer sessions, by the first twenty-five percent of the term) are eligible for a twenty-five percent refund of tuition and fees. After this period, students who withdraw are held fully liable for fees. Students who withdraw and have received federal financial aid (Title IV programs) or state aid may be required to repay the aid source the amount of unearned federal-aid funds disbursed to them as of their withdrawal date as described in the section below on “Withdrawals and Return of Financial Aid.” In the case where a withdrawal petition is approved, a refund can be provided only if the refund withdrawal request is submitted within six months after the end of the semester in which the withdrawal occurred.

Note: The following fees are non-refundable: Web payment credit-card processing fees, admission deposit, admission application fee, FSUCard, and other fees as specified by certain schools or departments.

Financial Aid

Fees and Financial Aid Students

Financial Aid Payments & Refunds: At disbursement the University first applies financial aid payments towards tuition and housing charges (and toward other charges as allowed) before issuing refunds. Disbursement begins on the published disbursement dates and continues through the semester. For more information and upcoming dates, visit http://studentbusiness.fsu.edu. To receive your aid, you must comply with Financial Aid terms and conditions located at http://financialaid.fsu.edu/Resources/Terms-and-Conditions. You must also confirm that your financial aid file is complete prior to disbursement by checking your status and clearing any holds or to-do list items at https://my.fsu.edu. Financial aid refunds are sent by Electronic Funds Transfer (EFT) to any US-based bank account, so students must designate a refund bank account and enroll in direct deposit to receive a refund of excess Financial Aid or a refund of financial aid that cannot be applied to University charges. Additionally, the University must receive written permission to apply federal financial aid to charges other than tuition and housing. Federal aid cannot be applied to excess-hours fees. For instructions on how to provide that permission, or for direct deposit enrollment instructions, see http://studentbusiness.fsu.edu/direct-deposit.
If you have any questions, please call the Office of Student Business Services at (850) 644-9452. For financial aid questions, please contact (850) 645-5559.

**Deadline:** If the financial aid payment is not sufficient (or allowed) to cover all charges, or if a student’s schedule, university bill, or financial aid offer changes after application of financial aid, then the student is responsible for paying the balance by the tuition payment deadline, (see the “Academic Calendar” in this Registration Guide). After this date, a $100.00 late payment fee is assessed and grades will be held at the end of the semester until fees are paid in full.

**Note:** Financial Aid students who are having their tuition paid by an agency, department billing, or Florida Prepaid College Program should submit the required documents no later than the third day of the semester (see the “Academic Calendar” in this Registration Guide). The basic Florida Prepaid College Program does not pay the full amount of tuition owed to the University, nor do Intern Participation Certificates. Students must pay the remaining balance due by the posted payment due date.

**Deferments:** Financial aid deferments may be granted to students whose aid is not available by the published tuition deadline. Not having applied for financial aid is not a valid reason for applying for a deferment. The deadline to request a deferment is the tuition payment deadline. When deferments expire, students must pay their unpaid tuition balance in full or receive a late fee after the deadline. If tuition is not paid, students will not be able to register for future classes or receive delayed delivery loan, grades, or transcripts. Students must confirm that their financial aid has arrived and that all requirements have been met by the deferment expiration date. Go to https://my.fsu.edu (from the myFSU Portal click Student Central, My Bill) you then will see your courses and fees detailed. With your temporary deferment, your total balance due may show “Szero” for the “Current Term Tuition.” When your financial aid arrives, the screen will show how much has been paid toward your tuition. You must ensure your financial aid pays your tuition by the deferment deadline, or you may be assessed a late payment fee of $100.00. You may check your financial aid status at http://www.my.fsu.edu. For questions, please contact the Office of Financial Aid at ofac@fsu.edu or (850) 644-0539.

**Withdrawals and Return of Financial Aid**

Per federal regulation (34 CFR 668.22), students who withdraw and have received financial aid will be required to repay the program sources the amount of unearned financial aid funds disbursed to them as of their withdrawal date. The unearned amount of program funding is calculated based on the last date of academic activity which indicates the percentage of the semester completed.

Both the University and students receiving financial aid are required to return unearned financial aid to the aid source. Title IV aid programs are repaid in the following order: Unsubsidized Federal Stafford/Direct Loans, Subsidized Federal Stafford/Direct Loans, Federal Perkins Loans, Federal PLUS/Direct PLUS Loans, Federal Pell Grants, FSEOG Program Aid, and Teach Grants.

The University is required to return the unearned portion of the financial aid funds it received from withdrawing students that was used to pay institutional charges such as tuition, fees, housing, and other education-related expenses assessed by the institution. The funds returned to the aid source by the University will be credited against the students’ total liability of unearned funds. However, the student will owe the University the amount returned to the aid source for institutional charges. In addition, any student who receives Title IV funds who does not receive at least one passing grade (either a Satisfactory, or any grade above an “F”) for the semester in which they receive those funds and does not officially withdraw from the University prior to the end of that semester, is considered an unofficial withdrawal according to Title IV federal regulations. Additionally, a student is required to return unearned financial aid to the federal government for all unofficial withdrawals in the same manner as students who withdraw officially.

Students who owe grant and/or loan overpayments remain eligible for Title IV program funds for forty-five days, if, during those forty-five days the student: 1) repays the overpayment in full to the University; 2) enters into a repayment agreement with the University; or 3) enters into a repayment agreement with the Department of Education. Entering into a repayment agreement does not mean the student is eligible to register for additional classes, receive a transcript, diploma, or any grades. Students can no longer have financial aid eligibility if they do not comply with the options above and should consider their repayment responsibilities for these programs as part of any withdrawal decision. Please contact the Office of Financial Aid for the most current restrictions on eligibility.

**Bright Futures Repayment Requirement**

For the 2019-2020 academic year, the Bright Futures Academic Scholars and the Bright Futures Medallion Scholarship award amounts are set by the Florida Legislature and may be adjusted each legislative session. Currently, at Florida State University, the Bright Futures Academic Scholars scholarship is awarded based on a rate of $213.55 per credit hour (Lab fees, Auxiliary fees, Excess Hour fees, and Student Facility Use fees are not included). The Bright Futures Medallion scholarship is awarded based on a rate of $160.16 per credit hour. Additionally, for the Fall 2019 and Spring 2020 terms, a $300 Bright Futures Academic Book award will be awarded to all Bright Futures Academic Scholars.

Florida Statutes require that students who drop or withdraw from any course(s) repay any Florida Bright Futures Scholarship disbursed for the course(s). Section 1009.53, Florida Statutes states that funds for any scholarship within the Florida Bright Futures Scholarship Program may not be used to pay for courses dropped by a student or courses from which a student has withdrawn after the end of the drop and add period. However, a student who receives an award under this program and subsequently drops one or more courses or withdraws from all courses after the end of the drop and add period due to a verifiable illness or other documented emergency may be granted an exception pursuant to s. 1009.40(1)(b)4 unless the institution’s policy is to refund the cost of the courses.

**Note:** The Bright Futures Academic Scholars Book award is not required to be adjusted except for cases of total withdrawal from all classes for the semester.

**Loan Exit Interviews**

Federal and University regulations require that all recipients of federal loans participate in an exit interview counseling session upon graduation, withdrawal, or loss of eligibility for Title IV funds who does not receive at least one passing grade (either a Satisfactory, or any grade above an “F”) for the semester in which they receive those funds. The funds returned to the aid source. Title IV aid programs are repaid in the following order: Unsubsidized Federal Stafford/Direct Loans, Subsidized Stafford (GSL), and Unsubsidized Stafford (UGSL) loans. Counseling sessions can be completed online at https://studentloans.gov. For more information, contact the Office of Financial Aid at ofac@fsu.edu or (850) 644-0539.

**Policy on Refunds for Audited Courses**

Refunds may be granted for courses in which a student has requested permission to audit and subsequently rescinds this request before the fourth day of class. Verification that the audit request has been discontinued must be received in writing by the University Registrar before the fourth day of class. After this period, no refunds will be authorized unless exceptional circumstances are documented in writing and approved by the University Refund Committee.

**Note:** The refund request form or withdrawal form must be submitted to the Office of Student Business Services within six months from the end of the term from which the student withdrew.

**Delinquent Accounts**

Delinquent University accounts are subject to holds against class registration and transcript and diploma orders. Payment should be made by cash, money order, or cashier’s check. Financial aid granted for use in an upcoming semester may not be used to pay current debt. Outstanding debt totaling $500.00 or more, including delinquent current semester tuition, will prevent class registration until the delinquent balance is brought below $500.00. Diplomas and official transcripts will not be issued when any amount is owed the University. Delinquent accounts are referred to a collection agency if fees are not paid in full. Collection costs are added to your outstanding balance. Delinquent accounts should be paid by cash, money order, or cashier’s check.

**Dishonored Checks or Electronic Payments**

Return Check Charge/Stop Payment Charge: $25.00 or five percent of the amount of the check, whichever is greater (subject to change) will be assessed to the student’s account. A returned check/stop payment charge is assessed against a student’s account that has a check or electronic authorization for payment returned by the bank. Florida State University automatically submits all personal checks twice for payment if the check was returned once for non-sufficient or uncollected funds. This is an automated process and the second submission cannot be stopped; there is no charge, however, assessed by Florida State University for this second submission. Repayment of returned checks must be made with cash, FSUCard, money order, or cashier’s check.

Return check charges are assessed for all personal checks written and electronic payments authorized for tuition, fees, or any services provided by the University that are returned to Florida State University for non-sufficient funds, uncollected funds, closed accounts, stop payments, etc., placed on checks. In addition to the returned check charge, if the initial payment is for tuition and redemption of the returned check is not made prior to the tuition payment deadline, a $100.00 late payment fee is assessed to tuition. Florida State University places a hold on accepting any personal checks or electronic payment authorizations on the student’s account for ninety days after redep-
tion for any services, tuition, or fees that are owed to the University if a personal check or electronic payment authorization is returned. If a second check or electronic payment is returned, or if a stop payment is placed on it, the student will be permanently listed on all departments’ ACCEPT CASH ONLY list and no personal checks or electronic payment will be accepted from anyone on the student’s account from that day forward.

Notification will be given to the student by mail to the address on the check or to the last maintained address in Florida State University’s records. After notification that a check has been returned, redemption (including the service charge) must be made within fifteen days. Florida State University forwards all returned payments to the State Attorney’s Office for redemption and prosecution after collection efforts are exhausted. After a returned payment is forwarded to the State Attorney’s Office, restitution of the check will not prevent prosecution. Reference Florida Statutes Title XLVI Chapter 832; Crimes - Violations Involving Checks and Drafts; 832.07.

Cancellation of Student Schedules for Non-Payment of Tuition and Fees

Students are expected to pay all tuition and fees by the published deadline each semester. In accordance with FSU Regulation-5.081 Tuition, Fees, Payment, students who do not pay tuition and fees or make arrangements to pay tuition and fees by the end of the established fee payment deadline may have their schedules cancelled and academic progress discontinued for the semester. Students whose schedules are cancelled for non-payment of tuition and fees will not receive grades after the cancellation takes place. For more information, please reference http://regulations.fsu.edu/content/download/21865/140868/file/Chapter5code.revised.11.2014-linked.pdf.

It is important that all students ensure they have an active FSU e-mail account. The FSU e-mail account is the official method by which the University will communicate with students concerning any outstanding financial obligations, including outstanding tuition and fees. Students will receive an official e-mail communication from the Office of Student Business Services at the end of the second week of the semester alerting them to the possibility of the cancellation of their current term’s schedule. Students will then have the opportunity to pay tuition and fees or make arrangements to pay tuition and fees to avoid having their schedule cancelled.

Students who fail to pay tuition and fees or make formal arrangements to pay tuition and fees by the end of the third week of the semester will receive an e-mail notification from the Office of Student Business Services. This notification will inform the student that his or her schedule has been cancelled and explain appeal process for the reinstatement of their schedule.

Students may check their account status online at any time at https://my.fsu.edu (from the myFSU Portal click Student Central, My Bill) to determine any amounts owed to the University and to verify that payments have been made.

Reinstatement of Student Schedules Cancelled for Non-Payment of Tuition and Fees

Students whose schedules are cancelled for non-payment may reinstate their schedule through immediate and full payment of all tuition and fees and any other delinquent balance owed to the University, plus a $100.00 late payment fee and $100.00 late registration fee. This payment to reinstate must be made prior to the final reinstatement deadline established by the University Registrar each term. Checks or credit card payments that are returned or refused will negate any tuition and fee payment arrangement for the reinstatement of a student’s schedule. The University reserves the right to deny reinstatement when a student has demonstrated a pattern of tuition delinquencies over a period of two or more semesters. Reinstatements for a given term must be submitted by the deadline. Reinstatement petitions received after the term is over will not be considered.
