**PROCEDURE FOR EVALUATION AND POSTING OF GRADUATE TRANSFER CREDIT**

1. We suggest that all requests for evaluation and posting of graduate transfer credit be made immediately so that final graduation clearance will not be delayed because of an incomplete permanent record or ineligible transfer credits.

2. The transfer of courses from another recognized graduate school is limited to six semester hours for the master’s degree, except when the departmental course requirement exceeds the university-wide minimum requirement. In the latter case, additional transfer credit may be allowed to the extent of the additional hours. Those hours must not have already been used toward another degree program.

3. The doctoral degree has no maximum allowed number of transfer-credit hours.

4. All transfer credit must be evaluated and recommended as graduate-level work by the departmental chairperson and have been completed with grades of B or better.

5. The department completes this form and submits it, along with the official transcript(s) to Records, Audits, and Analysis (RAA). If the official transcript(s) are on file in the Office of Admissions and Records, then unofficial transcripts are sufficient.

6. The RAA staff will communicate with the department concerning:
   - any questions regarding ineligible courses and/or
   - incomplete requests.
